# Redevelopment Agency Profile

---

**ESTABLISHMENT.** On May 6, 1969 Ogden residents voted to establish a redevelopment agency (the “**RDA**”) to address deteriorating conditions that existed in the downtown area and inner city neighborhoods. The legislature granted certain powers to local government to create RDAs to facilitate redevelopment of targeted areas, including using a portion of the property tax revenues (known as tax increment) generated by the new investment in the area to finance eligible redevelopment activities.

**ORGANIZATIONAL STRUCTURE.** The RDA and its Board are separate and distinct entities from the City and the City Council. One entity cannot impose obligations on the other. The members of the City Council are designated as the governing board of the RDA. The mayor is designated as the Executive Director. The Council Executive Director acts as the RDA Board Administrator. The RDA contracts with Ogden City for project management and administrative services.

**AUTHORITY TO ADOPT AND IMPLEMENT PLANS.** The RDA adopts plans to guide development and investment activities in project areas. The RDA works closely with Ogden City and the private sector to implement the plans and facilitate improvements. The plans enable the RDA to partner with the private sector to buy, sell, and development property. Currently, the Agency has adopted three types of plans: RDAs, URAs, and EDAs. The state legislature recently amended the redevelopment legislation and changed the name of Redevelopment Areas (RDAs) to Urban Renewal Areas (URAs). URAs still function in much the same way in that the distinguishing characteristics are blight determination, the ability to use eminent domain, and tax increment financing. EDAs do not have eminent domain power, but they are still able to use tax increment financing. For the purpose of this report, RDAs and URAs are listed separately.

**TAX INCREMENT FINANCING.** Tax increment financing is a useful tool available in project areas to support redevelopment. Tax increment is the incremental difference in property tax revenue due to the increase in the assessed value of the property after the project area is created.

Example:

|                                         |             |
|-----------------------------------------|-------------|
| Assessed value of property pre-project  | \$1,000,000 |
| Assessed value of property post-project | \$8,000,000 |
| Incremental difference                  | \$7,000,000 |

Tax increment is the property tax paid on the \$7,000,000 incremental difference in assessed value.

Tax increment revenue can be used by the RDA to offset certain costs incurred to implement the redevelopment plan, e.g., property acquisition, demolition, cost of improvements, etc. Thus, tax increment financing is generally considered a form of developer financing because the tax increment is generated by the investment and property taxes paid by the developer.

**TAXING ENTITY COMMITTEE.** The use of tax increment in EDA or URA project area plans adopted after June 30, 1993 must be approved by an eight-member taxing entity committee (“**TEC**”) comprised of two representatives from the city, two from the county, two from the school district, one from the state office of education, and one representing the other smaller taxing

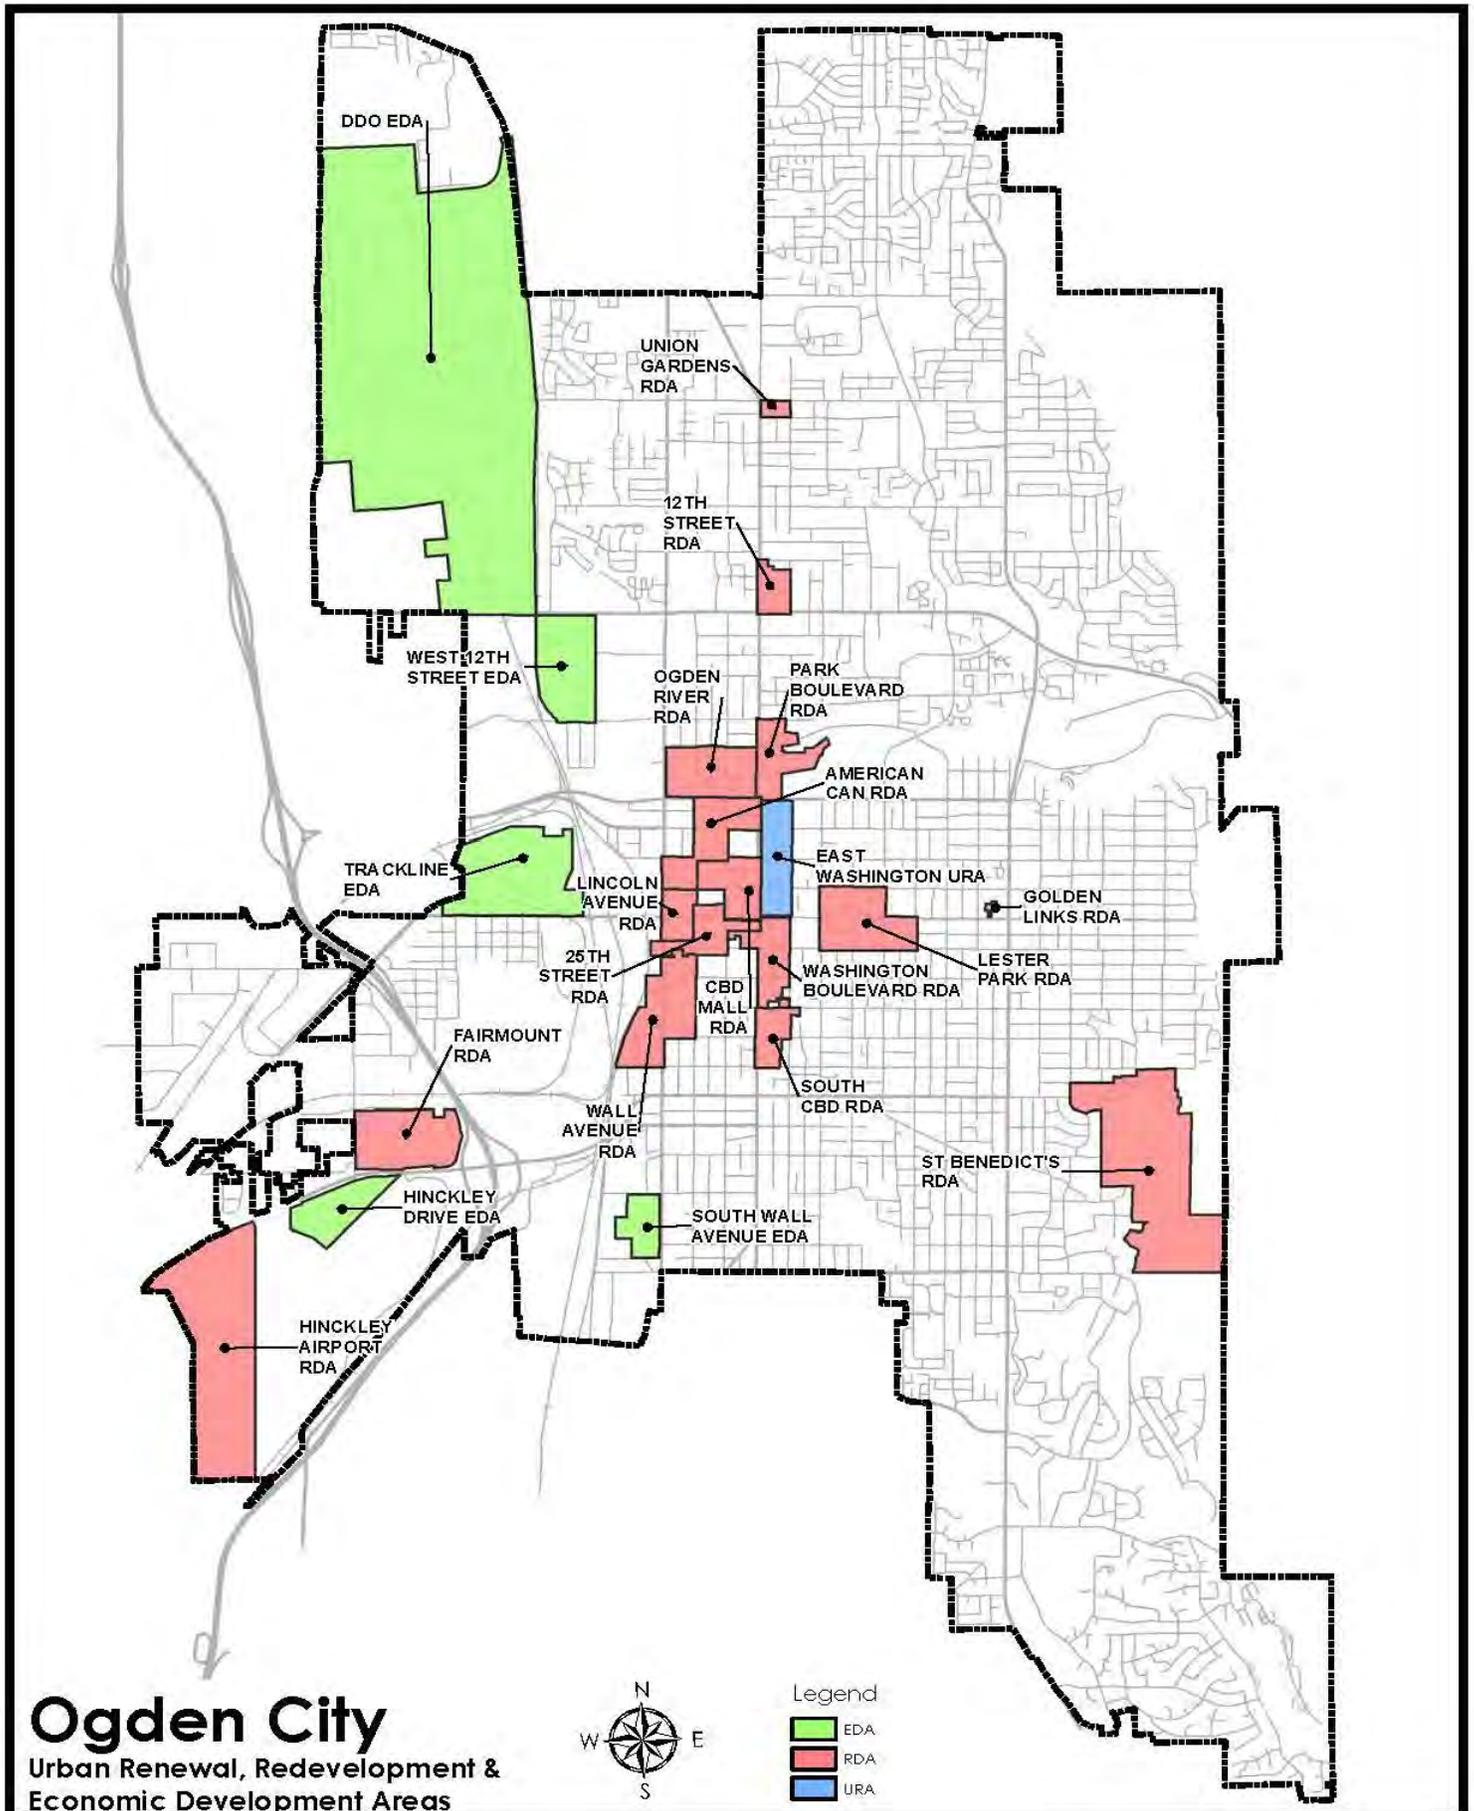

entities. The TEC has authority to bind their respective taxing entities in approving or disapproving commitments of tax increment.

**POWER OF EMINENT DOMAIN.** The Utah legislature has granted URAs (RDAs) the power of eminent domain for use in limited circumstances to eliminate blight in urban renewal areas if the agency chooses to include the power of eminent domain in its project area plan. In any event, the power of eminent domain expires five (5) years from the date the urban renewal project area plan is adopted.

**PROJECT AREAS.** The RDA has created seventeen (17) redevelopment project areas/urban renewal areas (RDA/URA) and five (5) economic development project areas (EDA) - *see map*. Within these various project areas, the RDA has used its resources to leverage private investment to construct hotels, encourage development on Historic 25<sup>th</sup> Street, construct downtown parking garages, develop destination recreation and entertainment centers, expand manufacturing facilities, and build residential developments.

**HOUSING FUND.** In 1997 the RDA established a Housing Fund for RDA purposes. The fund is used in support of qualified housing activities in the community. For urban renewal project area budgets adopted after May 1, 2000 that provide for more than \$100,000 of annual tax increment to be paid to the Agency, the Agency is required to allocate at least 20% of the tax increment for income targeted housing or for any housing-related costs in project areas where blight has been found to exist. An Agency may use up to 20% of tax increment outside of project areas for the purpose of increasing, improving and preserving generally the affordable housing supply of the community.

# Redevelopment Project Area – CBD Mall

The CBD Mall Redevelopment Project Area was established in 1977 and encompasses 48.45 acres of land in Ogden's core downtown area. The Area was established to facilitate the development of a \$56 million, 800,000 square foot regional mall by Ernest W. Hahn, Inc. The RDA issued \$8,795,000 of tax increment revenue bonds in 1977 for land acquisition, relocation assistance for displaced businesses and capitalized interest to cover initial debt service payments.

**RDA purchase of the mall.** The mall was largely successful until the mid-1990s when it entered into an extended period of decline. In December 2001 the RDA purchased the mall for \$6 million. Funding for the purchase came from a \$10 million loan to the RDA from the City's General Fund (source: BDO lease revenue funds). The RDA paid off the outstanding parking garage bonds, demolished the mall building, and prepared the overall site for new development.

**Reuse and master development guidelines adopted.** The Agency engaged Design Workshop, an urban planning firm, to assist the community in preparing reuse and master development guidelines for redeveloping the site. The proposed reuse and development guidelines generated through this process were approved by the Planning Commission and adopted by the Agency board.

**Site Development.** On December 27, 2005 the Agency approved a Development and Lease Agreement between the Agency and The Boyer Company. In accordance with the agreement, the Agency renovated the parking garage and developed a high adventure recreation center, thereafter named the Salomon Center, to anchor the development. Based upon the Agency's commitment, Boyer negotiated for the development of a multi-screen cinema complex and began construction of a 4 story office building as well as retail, restaurant, and urban residential space in accordance with the master plan.

### **Summary as of June 30, 2015.**

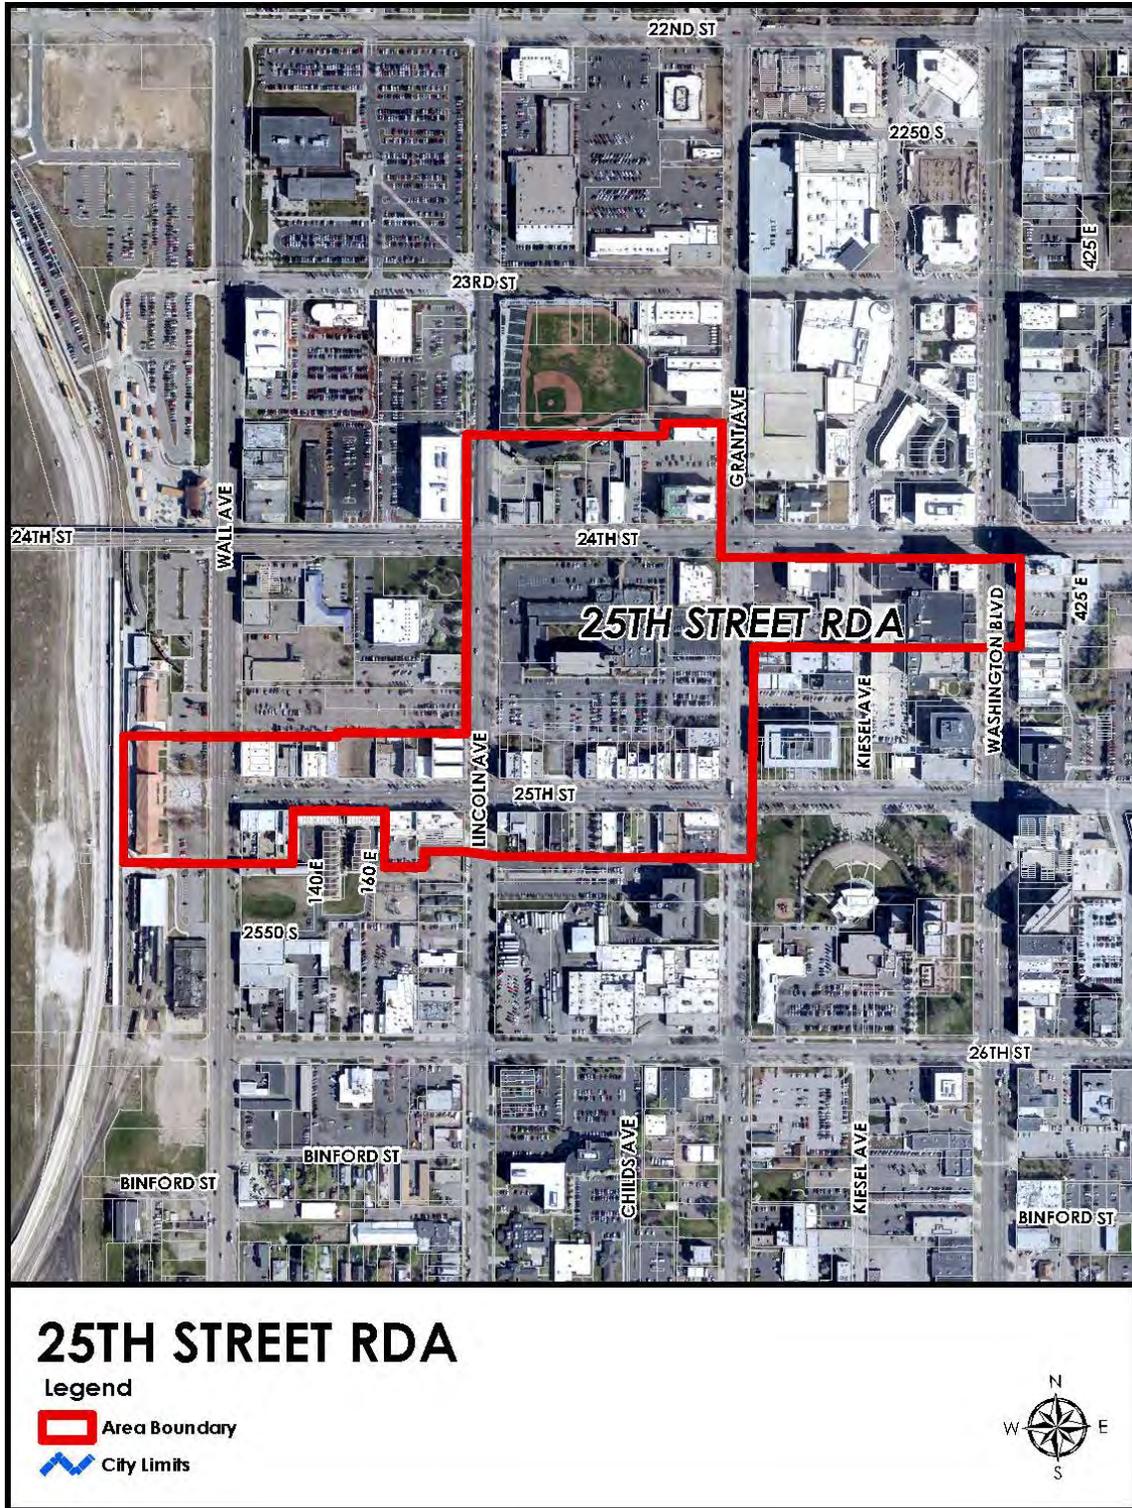

The City and the RDA have pledged certain revenues to cover debt service payments on the 2005 Series A, 2009A and 2009B bonds. Tax increment revenues from 10 identified RDA districts are pledged for debt service of the 2005 Series A bonds. Lease revenues from Salomon recreation center are pledged for debt service for the 2009 Series A bonds. The 2009 Series B bonds have three revenue sources pledged, which include, tax increment revenue from the CBD Mall RDA project area, and City franchise tax. In February 2011 the RDA issued a tax increment revenue bond in the amount of \$1.6 million to facilitate development of the Hilton Garden Inn. Total bonded indebtedness, including the HUD Section 108 Loan, is \$27,485,000.

### **How tax increment funds are being used:**

- The TIF is being used to satisfy bond debt service.
- The City advanced funds to the RDA to assist in demolition and relocation activities associated with the Ogden City Mall. The outstanding balance is \$1,751,601. There is insufficient tax increment cash flow to repay this advance and the City books an allowance against this entire amount.

**Last year to collect tax increment:** 2026

# Redevelopment Project Area – 25th Street

The RDA created the 25<sup>th</sup> Street Redevelopment Project Area in 1979 to assist development of projects in the 25<sup>th</sup> Street Historic District. The RDA Project Area encompasses 38.04 acres of land. The Project Area is anchored by the historic Union Station on the west end and the 287-room Marriott Hotel two blocks east. The RDA initiated development of the hotel project by assembling the hotel site and financing its acquisition with tax increment bonds.

Ogden City sold land it owned on the block to the RDA for \$348,971.70 and financed this sale with a note bearing interest at 8 percent annually. To obtain other privately owned parcels for the hotel and adjacent parking, the RDA borrowed \$2,300,000 from Commercial Security Bank (CSB), \$418,938.21 from Ogden City general funds, and \$160,000 from the City's CDBG funds.

In 1981 the RDA issued a \$1,000,000 tax exempt tax allocation bond and obtained a second conventional loan for \$552,000, secured by RDA property and anticipated taxed increment revenue. These two loans plus land sale proceeds and a \$265,000 loan from the City to the RDA were used to pay off the original \$2,300,000 CSB loan. In FY '82 and '83, the City loaned additional money to the RDA for payment of interest on outstanding loans. By FY '84 tax increment became sufficient to service the debt on these loans.

In June 1983 the City loaned the RDA \$578,679.87 to pay off the outstanding balance of principal and accrued interest on the \$552,000 CSB conventional loan, and this loan became an interest-bearing debt of the RDA.

The \$1,000,000 bond was paid off in 1995. In 2001 the RDA issued a bond in the amount of \$1,610,000 in support of an \$11 million renovation of the Eccles Building. The Taxing Entities Committee approved using tax increment in the 25th Street Project Area until 2015, with the exception that tax increment generated from the Eccles Building would be available for an additional two years (until 2017) to service the debt on the bonds issued to renovate the Eccles Building.

### **Summary as of June 30, 2015.**

Tax increment debt outstanding:

- RDA bonds issued for renovation of the Eccles Building; outstanding balance is \$475,000; maturity date is February 1, 2018.

How tax increment funds are being used:

- First priority is to pay debt service on bonds issued to renovate the Eccles Building.
- Secondary priority is to pay subordinated City debt. The City advanced funds to the RDA to assist in infrastructure and project development in the 25<sup>th</sup> Street Project Area. The outstanding balance is \$1,003,106. There is insufficient tax increment cash flow to repay this advance in its entirety. The City anticipates two more annual payments equaling \$340,000 and has an allowance for the remaining balance.

**Last year to collect tax increment:** 2015; except that tax increment generated by Eccles Building may be collected until 2017 for bond debt service.

# Redevelopment Project Area – St. Benedict Manor

The St. Benedict Manor Redevelopment Project Area was formed in October 1981 to encompass 250 acres. This project area was established to facilitate the completion of two projects: 1) the renovation of the vacant former St. Benedict's Hospital into a 100-unit apartment complex for the elderly and handicapped; and 2) the development of the Mt. Ogden Park and Golf Course. Both projects have become valuable assets on the eastern edge of the City.

To initiate the St. Benedict's project, Ogden City obtained a HUD Section 108 loan of \$644,772, secured by future years' CDBG funds. The City loaned this money to the RDA, which in turn provided it to Intermountain Development, the developer of St. Benedict's Manor.

In addition, in 1986 tax increment was also used to pay the City a one-time overhead and administration (O&A) fee of \$83,215.80.

In 2005 a portion of the tax increment revenue from 10 project areas, including St. Benedict Manor, was pledged to repay the bonds issued for construction of the Recreation Center at The Junction.

### **Summary as of June 30, 2015.**

Tax increment debt outstanding:

- Pledge to use tax increment for Recreation Center.

How tax increment funds are being used:

- Collected for Recreation Center.

**Last year to collect tax increment:** Tax increment may only be used for recreation center purposes until 2015.

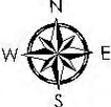

# Redevelopment Project Area – Union Gardens

## UNION GARDENS RDA

Legend

-  Area Boundary
-  City Limits

The Union Gardens Redevelopment Project Area was established in October 1981 and covers 7.15 acres. This area, located at 3<sup>rd</sup> Street and Adams Avenue, was established to facilitate the development of low-income housing for the disabled and elderly.

To help the Union Gardens Project, the RDA borrowed \$147,449.65 of CDBG monies from Ogden City. In addition to this loan, the City assessed the RDA an overhead and administration charge of \$21,867.45. Both debts were structured to accrue interest at the City's inter-fund interest rate. The RDA in turn provided this money to the developer, Northern Utah Labor Council Housing Corporation (NULCHC) to assist with site preparation and other development costs of their housing project. It was intended that the City debts be repaid from future years' tax increment.

Although tax increment was collected from the Union Gardens Project Area in 1983 and 1984, in 1986 the Weber County Board of Equalization granted Union Gardens tax exempt status, retroactive to 1985. This action followed a 1985 Utah Supreme Court ruling which exempted non-profit housing projects from paying property taxes. When the RDA challenged the tax-exempt status, NULCHC maintained it did not realize the exemption of Union Gardens would affect the amount of tax increment that would be available to repay the CDBG loan. In connection with this, the City also agreed to cease accruing interest on its loan to the RDA so that the reduced amount of tax increment available in the Area could eventually amortize the debt. There is currently no debt in the project area.

In 1994 the Union Gardens housing project was acquired by Episcopal Management Corporation.

In 2005 a portion of the tax increment revenue from 10 project areas, including Union Gardens, was pledged to repay the bonds issued for construction of the recreation center at The Junction.

**Summary as of June 30, 2015.**

Tax increment debt outstanding:

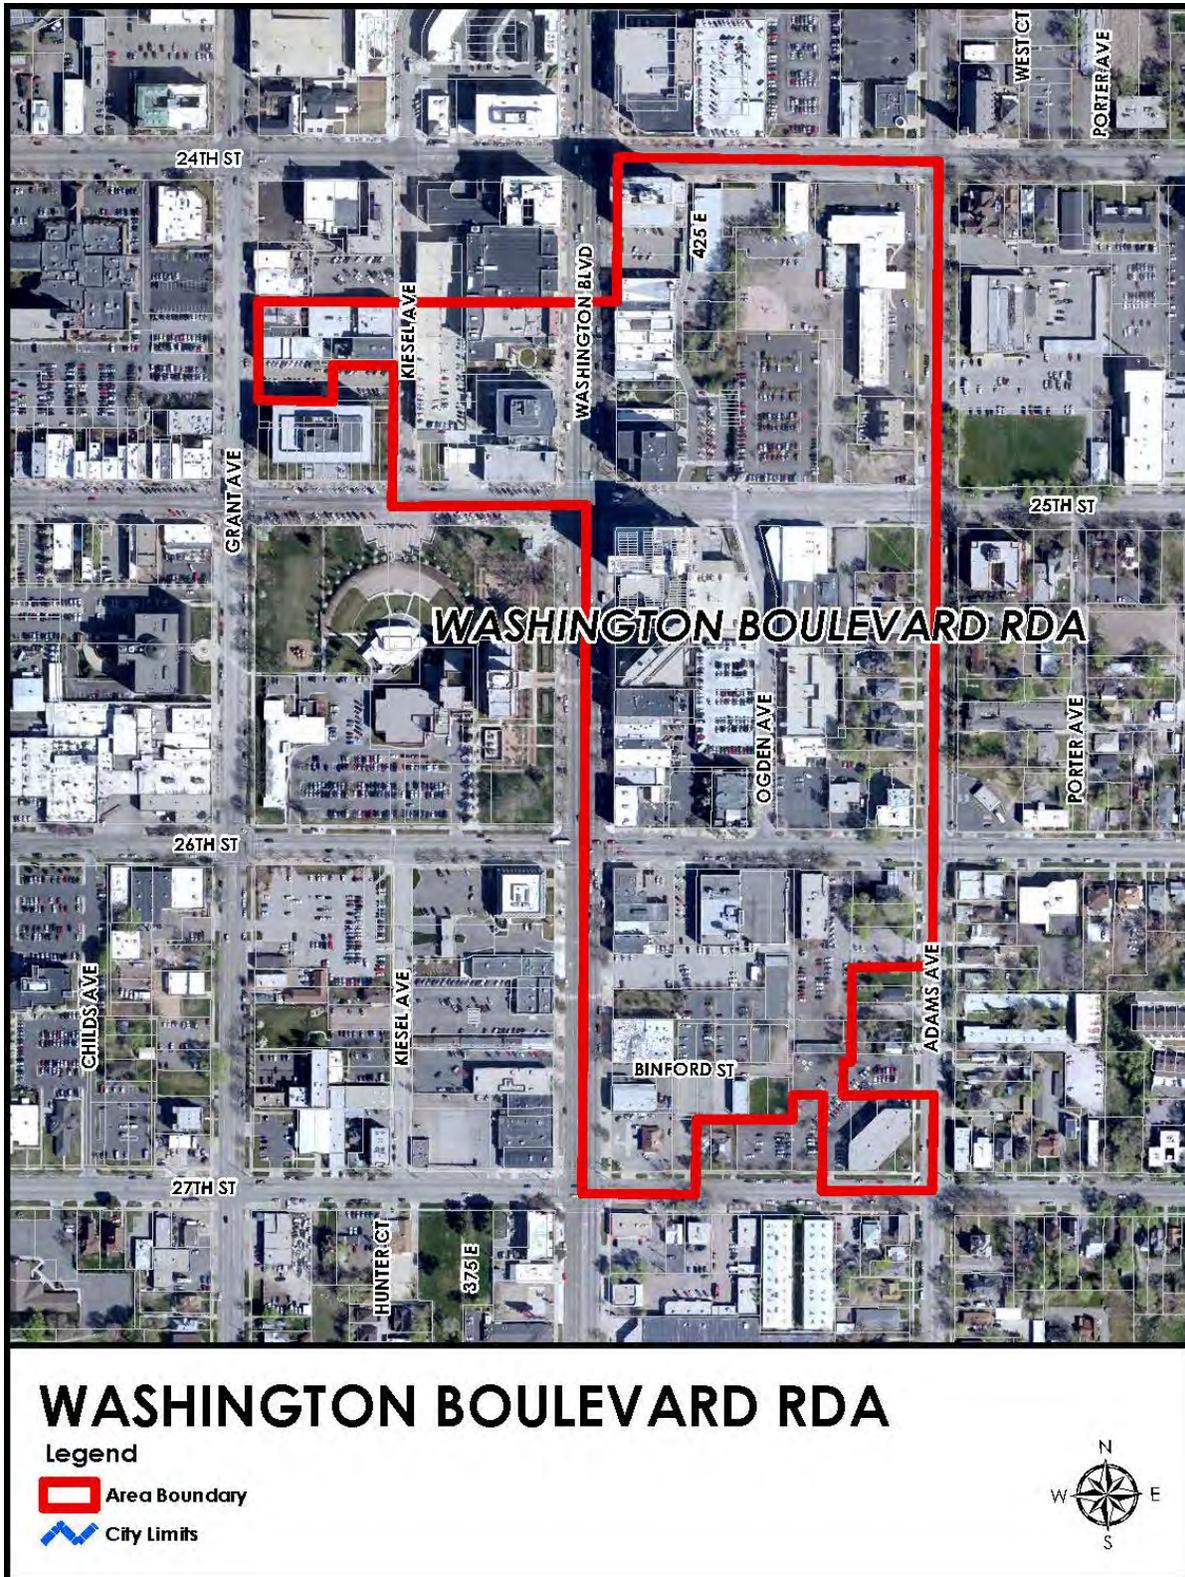

- Pledge to use tax increment for recreation center.

How tax increment funds are being used:

- Collected for recreation center.

**Last year to collect tax increment:** Tax increment may only be used for recreation center purposes until 2015.

# Redevelopment Project Area – Washington Boulevard

The Washington Boulevard Redevelopment Project Area was established in June 1983 and encompasses 38.04 acres in downtown Ogden. This area was established to facilitate new development in Ogden's central business district.

With assistance from several funding sources, the RDA has been involved in multiple revitalization projects including development of the State Regional Office Building and the Juvenile Courts Building. Funding for these projects included loans of \$750,000 from a group of local banks, \$250,000 from the Ogden Industrial Development Corporation (OIDC), and \$785,000 from Ogden City's CDBG funds.

In 1991 it was determined that the City's participation in various redevelopment activities within the project area since the project area was created in 1983 totaled \$3,021,617. This amount has been carried on the City's books as a commitment of the RDA to reimburse the City if there is sufficient tax increment generated from the project area.

The RDA issued tax increment revenue bonds in November 1991 in the amount of \$1,425,000 to construct the 657-stall parking garage on Kiesel Avenue. The bond was retired in December 2006.

In 2005 a portion of the tax increment revenue from 10 project areas, including Washington Blvd., was pledged to repay the bonds issued for construction of the recreation center at The Junction.

**Summary as of June 30, 2015.**

Tax increment debt outstanding:

- Pledged to use tax increment for Recreation Center.

How tax increment funds are being used:

- Collected for Recreation Center.
- The City advanced funds to the RDA to assist in various development activities associated with key projects on Washington Blvd. The outstanding balance is \$3,016,953. No tax increment is available to repay this obligation and the City books an allowance for the entire amount.

**Last year to collect tax increment:** Tax increment may only be used for recreation center purposes until 2015.

# Redevelopment Project Area – Lester Park

## LESTER PARK RDA

Legend

-  Area Boundary
-  City Limits

The Lester Park Redevelopment Project Area was established in 1986 and encompasses 76 acres. The Area was formed to undertake projects that would upgrade and support the residential character of the neighborhood and improve the quality of the commercial development in support of the neighborhood. The redevelopment of vacant/under-utilized land, especially interior block areas, is a key aspect of this revitalization effort. Improvements to public facilities and rehabilitation of existing buildings are also primary elements of the plan for this area.

As part of this effort, the Kier Corporation's renovation of the Fontanelle Apartments on Monroe Boulevard began shortly after the project area was formed. To assist Kier's efforts in renovating this vacant, seriously deteriorated building, the RDA loaned Kier \$80,000 of CDBG funds to assist with the purchase of the property.

Of this amount, \$45,000 was a loan to Kier and the other \$35,000 was a grant to be repaid from tax increment. The City loaned the RDA the \$35,000 at the inter-fund rate. With this loan, the City also assessed the RDA administrative costs of \$3,000, to be paid from tax increment. Other smaller amounts of debt have been incurred in this area in the demolition of buildings and related costs of maintaining the RDA-owned property.

In 2005 a portion of the tax increment revenue from 10 project areas, including Lester Park, was pledged to repay the bonds issued for construction of the Recreation Center at The Junction.

The RDA will collect 60% of the tax increment in the Lester Park Area until 2011.

### **Summary as of June 30, 2015.**

Tax increment debt outstanding:

- Pledge to use tax increment for recreation center.

How tax increment funds are being used:

- Collected for recreation Center project.
- Collected for RDA administrative and housing costs.

**Last year to collect tax increment:** Beginning with 2012 tax increment may only be used for recreation center purposes until 2018.

# Redevelopment Project Area – Golden Links

## GOLDEN LINKS RDA

Legend

-  Area Boundary
-  City Limits

The Golden Links Redevelopment Project Area was formed in 1986 and, at 1.44 acres, is the smallest of Ogden's redevelopment project areas. The area consists exclusively of property owned by the Independent Order of Odd Fellows, mostly at the center of a city block. The project area was established in response of a request by the Odd fellows for assistance in developing a not-for-profit housing project for the elderly and disabled.

The Odd fellows had already obtained most of the funding for the project from HUD. However, to help the Odd fellows with land costs that HUD would not cover and to pay for aesthetic changes that HUD refused to fund, but which the City felt were important to mitigate the impact of the project, the City loaned the RDA \$70,000. The RDA loaned this money to the Odd Fellows to assist with the development of the project. The interest rate was established at the inter-fund rate, and the City assessed the RDA O&A charges of \$10,500. The loan, interest and O&A were repaid through tax increment.

The Odd Fellows also agreed not to request tax exempt status for at least 15 years. They further agreed to try to acquire and develop other small contiguous parcels on the interior of the block that had no street frontage. They were able to obtain one such parcel as a donation from Smith's Management Company and developed it as a mini-park for the use of Golden Links tenants, thereby further enhancing the attractiveness of the project.

In 2005 a portion of the tax increment revenue from 10 project areas, including Golden Links, was pledged to repay the bonds issued for construction of the Recreation Center at The Junction.

### **Summary as of June 30, 2015.**

- Pledge to use tax increment for Recreation Center.

How tax increment funds are being used:

- Collected for Recreation Center project.
- Collected for RDA administration and housing eligible costs.

**Last year to collect tax increment:** Beginning in 2013, tax increment may only be used for recreation center purposes until 2019.

This project area was established to eliminate and prevent the spread of blight through the clearance of blighted buildings, replacement of public infrastructure, and redevelopment of land for commercial and residential purposes.

In 2005 a portion of the tax increment revenue from 10 project areas, including Park Blvd., was pledged to repay the bonds issued for construction of the recreation center at The Junction.

**Summary as of June 30, 2015.**

Tax increment debt outstanding:

# Redevelopment Project Area – 12th Street

The 12<sup>th</sup> Street Redevelopment Project Area was established in 1987 and encompasses 23.64 acres. The area was formed to assist with the redevelopment of the old Weber High School property at 12<sup>th</sup> Street and Washington Boulevard, and also to refurbish the adjacent shopping center property. The developers for these projects were Shopko and Rayco.

To assist with this development, the RDA borrowed \$784,000, at no interest, from the developer. The RDA also agreed to pay the City O&A costs of \$117,660. The \$784,000 was used to assist the developers with demolition and infrastructure costs associated with preparing the site for development. The loan has been entirely paid.

In 2005 a portion of the tax increment revenue from 10 project areas, including 12<sup>th</sup> Street, was pledged to repay the bonds issued for construction of the Recreation Center at The Junction.

The Lincoln Avenue Redevelopment Project Area was established in 1987 and encompasses 25.54 acres between Lincoln and Wall Avenue and between 23<sup>rd</sup> and 25<sup>th</sup> Streets. This project area was formed to help with the redevelopment of the blighted area west of the Ogden Park Hotel and adjacent to Historic 25<sup>th</sup> Street. The City participated in the acquisition and improvements related to the redevelopment of the former Burton Walker Lumber Company site to accommodate Amalgamated Sugar's corporate headquarters and to develop parking for Historic 25<sup>th</sup> Street.

A significant addition to the project area has been the acquisition and renovation of the Scowcroft Building by Cottonwood Partners as lease space to GSA for IRS use. In 2012, The Agency, once again, worked closely with the General Services Administration to identify a site for a new IRS facility in downtown Ogden. The site selected for the new office building is on the NW corner of the intersection of Lincoln Avenue and 24<sup>th</sup> Street which is within the Lincoln Avenue Redevelopment Project Area. The Boyer Company was selected by GSA to be the developer for a 149,500 SF four story office building employing approximately 750 IRS workers.

In 2005 a portion of the tax increment revenue from 10 project areas, including Lincoln, was pledged to repay the bonds issued for construction of the recreation center at The Junction.

The Airport Redevelopment Project Area was established in 1989 and encompasses 115 acres. The project area was formed to facilitate commercial and manufacturing development of the 26-plus acre privately owned parcel immediately adjacent to the south side of the airport and, as the market justifies, redevelopment of the west side of the airport.

In 2003, Kemp Development commenced development of the Ogden Gateway Center. The first phase of development included constructing an 80,000 square foot terminal/hangar building. Several airport-related tenants have leased space in Building One. Kemp constructed a second building containing 55,000 square feet of manufacturing/hangar space and 36,000 square feet of office/commercial space. The RDA has pledged the available tax increment from the project area to support development and implementation of the RDA plan.

The tax increment generated in this project area will be distributed according to a statutory schedule. Beginning with the first year that tax increment is collected, 100% is available for project development costs. Every five years thereafter, however, the percentage available to the project is reduced as indicated hereafter:

|      |           |
|------|-----------|
| 100% | 2005-2009 |
| 80%  | 2010-2014 |

The project is currently anchored by Amer Sports. The RDA authorized using 75% of the tax increment from the American Can property for project development. This is a non-recourse commitment meaning that the tax increment will be passed through to the developer for project use if tax increment is generated from developer investment.

The RDA previously authorized \$4.1 million of tax increment from the American Can Project Area to be used for construction and operation of a 500-stall parking garage adjacent to the American Can complex. The RDA borrowed \$2.1 million to fund a portion of the cost of constructing the \$4 million parking garage. # Economic Development Project Area – West 12th Street

## WEST 12TH STREET EDA

Legend

-  Area Boundary
-  City Limits

The West 12<sup>th</sup> Street Economic Development Project Area was created in 2001 in support of an initial plant expansion by Fresenius Medical estimated at \$75 million. Fresenius' total taxable value in 2007 was an estimated \$115,000,000.

The RDA adopted a \$4,704,972 10-year cumulative tax increment budget when the Project Area was established. According to that budget, \$2,550,000 (54.2%) was pledged to Fresenius for its expansion, \$658,696 (14.0%) for RDA housing activities, \$84,784 (1.8%) for administration and the remaining \$1,411,492 (30%) would flow-through to the other taxing entities.

In FY 2007 the RDA, with approval of the taxing entities committee, adopted a percentage-based budget providing 70% of the tax increment for RDA-eligible costs and 30% being passed through to the taxing entities through tax year 2016. This percentage-based budget was adopted in lieu of a fixed amount budget. This arrangement would allow the RDA to meet periodically with Fresenius to discuss the level of RDA participation that may be available for expansion opportunities.

In 2006 the RDA agreed to relocate the Weber School District bus maintenance facilities to an alternative location in order to accommodate the acquisition of the bus maintenance property by Fresenius for expansion purposes. The RDA issued two series of bonds in FY 2007 to fund the replacement bus maintenance facilities – Series 2006A (tax-exempt) in the amount of \$3,500,000 and Series 2006B (taxable) in the amount of \$2,500,000. The Series 2006B was paid in full in 2011.

# Economic Development Project Area – South Wall Avenue

The Agency created the South Wall EDA Project Area in 2011. The project area was created to facilitate the retention and expansion of automobile dealerships and other existing and related businesses along that specific part of the Wall Avenue Corridor. As a result of the project area, the John Watson Chevrolet automobile dealership was able to develop plans to expand their existing facilities to include a new state-of-the-art showroom and service area. The new dealership opened in early 2013.

The RDA adopted a ten-year tax increment budget as part of the project area plan. The budget provides that 100 percent of the increment will be collected by the RDA with all of the increment flowing through to the Agency. Based on negotiations with John Watson, initial capital improvement investment for the John Watson expansion is estimated to be \$3.5 million. 100 percent of the increment derived from the Watson expansion will flow back to John Watson.

# Economic Development Project Area – Trackline

The Agency created the Trackline EDA Project Area in 2013 which encompasses approximately 122 acres in West Ogden. This new project area replaces the Golden Spike Project Area first adopted in 1989, comprising approximately the same geographic area. Historically, the project area was used primarily as a stockyard and livestock exchange. The stockyards and exchange building are no longer used for those purposes, with some of the buildings currently used as storage and some of the buildings sitting vacant. Land within the project area has been assembled by the Agency. A 51-acre master planned business park is underway that will accommodate multiple commercial and light industrial business and owners. It is intended that Section I (north of Exchange Road) of the Project Area will become the business park. It is intended that Section II (south of Exchange) will be developed into commercial and flex space.

The RDA adopted a 20-year tax increment budget when the Project Area was established based on projected private investment of \$52 million in the Project Area. The tax increment generated from the development was budgeted as follows:

\$7,000,000 (54%); project expenses  
\$2,602,780 (20%); housing-related expenses  
\$650,695 (5%) RDA administrative costs  
\$2,760,426 (21%); pass-through to taxing entities.

In 2014, the Agency approved a HUD Section 108 loan in the amount of \$3.34 million to be used for acquisition and development of the project. Also in 2014, the Agency approved the Master Land Transfer and Development Agreement with OBE Vision, LLC setting forth the terms and conditions of construction of the project and committing 100% of the \$7,000,000 tax increment available for project expenses to the developer.

ASSUMPTIONS:

- 1 If you take the balance due to the City as of June 30, 2009 and divide it by the 6 years remaining before the expiration of the District there will need to be an annual payment of \$477,724. Amounts available will not be sufficient to cover the total outstanding which justifies the allowance that has been reported in the CAFR
- 2 The District is allowed to collect tax increment through 2017 (two additional years) on the Hampton Inn Building exclusively to cover the bonded debt.
- 3 The 2016 projections are based on the 2016 budget and respective debt schedules.

\*\* Bonded debt is part of a larger bond that was used to payoff various obligations of the City, one of which was the American Can Bridge loan. In the bond document the security pledged is the City's portion of BDO lease payment revenue. The Understanding of those involved was that Tax increment from the Mall and American Can Districts could be used to cover the debt payments.

| Excess commitment on Parking Structure                    | \$ (300,000) | \$ (532,350)        | The debt service schedule indicates the parking structure's prorated share of the Annual bond payments is approx. \$3,567,650 over the next ten years. |

- The parking structure is not leased and is currently undergoing a rate study. There are 500 spaces, however, 150 of those are dedicated to Davinci at no charge. Thus, 350 spaces at a local rate of \$30/month is a maximum of \$126,000 per year. Assuming 50% occupancy the garage will generate \$63,000 per year. Cost to operate a pay garage are estimated at \$22 per stall which calculates to a range of \$92,400 to \$132,000, depending on the number of stalls considered (350 or 500). The above mentioned study is being performed to determine factors necessary for the garage to pay for itself, etc.
- The AMCAN agreement requires that AMCAN be responsible for collection of all revenue and payment of all expenses. Whether or not the revenue is sufficient to cover the expenses. Amcan shall be entitled to retain a net income from the operation, management and maintenance of the Parking Facility up to twenty-five percent of gross revenue. The Amcan profit shall be calculated annually.
- The 2016 projection is based on the 2016 adopted budget.

\$ 15,000,004 Original TEC Increment Budget  
 \$ (522,397) Less amount received through 2015  
\$ 14,477,607 Projected vs. Budget

ASSUMPTIONS:

1 The Agency has selected the option of collecting 100% of the annual tax increment from the Ogden River Redevelopment Project Area for tax years 2005 through 2007, and 71% of the annual tax increment for tax years 2008 through 2018, and 62.36% of the annual tax increment for tax year 2019, up to a maximum total of tax increment received by the Agency of \$15,000,000.

2 The RDA Board has committed by resolution:

|            |            |                     |
|------------|------------|---------------------|
|            | Commitment | Estimate            |
| Housing    | 20%        | \$ 3,000,001        |
| RDA Admin. | 5%         | \$ 750,000          |
|            |            | <u>\$ 3,750,001</u> |
|            | Capped     | \$ 15,000,000       |
|            | Remaining  | \$ 11,249,999       |

3 The County does not provide an assessment on the District until it is determined that a tax increment payment is going to be taken. Information on assess value was not readily available. Given that there have been no improvements, the assumptions would be that there is no incremental value. The City's purchase of property and demolition of existing structures would actually cause property taxes to decrease due to decreased value and taxable land.

4 The amount of tax increment is not accurately projected, because at the present time the status of the project is undeterminable for estimating purposes.

5 The 2016 Projections are based on the 2016 adopted budget.

COMMITMENTS AND ASSUMPTIONS:

1 The RDA is to receive 75% of tax increment for 20 years from the date of first acceptance.

Excess lease revenue must be used to make bond payments, before the City can use any portion of the additional 25% (Released in 2005 restructure of debt)

The additional 25% is committed to the remaining taxing agencies and as collateral on the bonds in the event the City does not have excess lease revenue.

2 The 2016 projection is based on the 2016 adopted budget.

**BACKGROUND**

The Ogden Redevelopment Agency has been approved for a \$400,000 loan from the Wasatch Brownfields Coalition Revolving Loan Fund (“**WBC RLF**”) for environmental remediation of its 50-acre Ogden Business Exchange site located at 600 West Exchange Road in the Trackline Economic Development Area (“**EDA**”).

The Ogden Business Exchange site was formerly utilized as a stockyard and livestock exchange and has also been used for the storage of equipment and containers of unknown origins and type. There is a railroad spur that ran through the property for stock transportation which historically can have contamination from creosote, which is a blend of hundreds of chemicals. Chemical products that may have been historically transported and offloaded from rails cars could impact the site from unregulated and unreported spills. Ultimately, the resulting historic contaminants may include a comingling of hazardous substances and petroleum such as semi-volatiles, oils, and grease associated with the railroad ties/line and unidentified substances in the unmarked containers.

The Agency has enrolled in the Utah Department of Environmental Quality (“**DEQ**”) Voluntary Cleanup Program (“**VCP**”) and has been performing predevelopment tasks needed to make the master-planned “lifestyle” business park economically feasible, including: property acquisition, environmental remediation, demolition, infrastructure improvements, and other site preparation. The RDA has also partnered with a private developer who will be responsible for building, selling and leasing buildings in the business park. The business park will feature office,

manufacturing, light industrial, and distribution facilities that incorporate historical design and have connections to the Weber River, open space, pedestrian/bike trails, and access to the county-wide trail network. Ogden City is currently working with several companies planning to locate at the Business Exchange.

The WBC RLF provides \$400,000 in loan funds and requires that the Agency contribute a local match of \$90,500, in addition to loan fees (2.5% of the loan funds). The source of the local match will be Community Development Block Grant (“**CDBG**”) and Section 108 Loan Guarantee Program funds from the Department of Housing and Urban Development. The loan is a 4-year interest-only loan, with an interest rate of 2% per annum and a balloon payment at the end of the loan term. Disbursements of loan funds and interest payments will both be made on a quarterly basis. The loan is to be repaid through project revenues (land sales proceeds and tax increment) and is guaranteed by Ogden City Corporation. The WBC has also agreed to allow loan proceeds to be disbursed for up to \$330,000 of already-incurred eligible cleanup expenses.

The Borrower shall complete the work in a timely manner in accordance with the final VCP cleanup plan. The Borrower shall notify the Lender when the Remediation Work is complete. The notice shall contain certification or documentation necessary to prepare a Site Manager's Report developed in accordance with Section 300.165 of the NCP (i.e., 40 C.F.R. 300.165).

5.13. Notice of Material Adverse Changes or Event of Default. The Borrower shall immediately notify the Lender in writing of (a) any Material Adverse Change and (b) any event or occurrence that could form the basis of an Event of Default or that would, with notice of lapse of time or both, constitute an Event of Default.

5.14. Expenses of Collection or Enforcement. If at any time the Borrower defaults on any provision of this Loan Agreement, the Borrower shall pay the Lender or its assigns, in addition to any other amounts that may be due from the Borrower, an amount equal to the actual out of pocket costs and expenses incurred by the Lender to collect, enforce, correct, or waive the default, including reasonable attorneys' fees.

5.15. Indemnification.

(a) Subject to Subsection (b) below, the Borrower (as "Indemnifying Party") shall indemnify, defend, and hold the Lender and its directors, officers, employees, and agents (collectively, the "Indemnified Parties") harmless from and against any and all losses, claims, damages, liabilities, and related expenses that are incurred by any Indemnified Party, or asserted against any Indemnified Party, by any third party or by the

Borrower or the Guarantor arising out of, in connection with, or as a result of:

(1) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the Parties hereto of their respective obligations hereunder or thereunder or the consummation of transactions contemplated hereby or thereby;

(2) the Loan, the use or proposed use of the Loan Proceeds, the Remediation Work, or the Project;

(3) any actual or alleged presence or release or discharge of Hazardous Materials on or from the Property, or any Hazardous Materials claim related in any way to the Borrower;

(4) any material breach of any provision of this Agreement by Indemnifying Party or its personnel;

(5) any negligent or more culpable act or omission of Indemnifying Party or its personnel (including any reckless or willful misconduct) in connection with the performance of its obligations under this Agreement or the remediation, construction, or use of the Property;

(6) any bodily injury, death of any person or damage to real or tangible personal property caused by the negligent or more culpable acts or omissions of Indemnifying Party or its personnel (including any reckless or willful misconduct);

(7) any failure by Indemnifying Party or its personnel to comply with any applicable federal, state or local laws, regulations or codes in the performance of its obligations under this Agreement; or

(8) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory.

(b) The indemnification provided by this Section shall not, as to any Indemnified Party, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnified Party.

(c) The Parties agree that the provisions of this Section shall survive the expiration or sooner termination of this Agreement.

5.16. Liability. The Parties acknowledge that the Lender is a body corporate and politic of the State of Utah, subject to the Governmental Immunity Act of Utah (the “Immunity Act”), Utah Code Ann. §§ 63G-7-101, *et seq.* In no case shall any of the Indemnified Parties be liable to the Borrower or any third-party for consequential damages. The Indemnified Parties shall have no liability for any debts, liabilities, deficits or cost overruns of the Borrower. The Parties agree that the liability of the Lender hereunder shall be limited to the disbursement of Loan Proceeds pursuant to the terms and conditions of this Agreement and that the Lender shall have no other duty or obligation to the Borrower. The Parties agree that the provisions of this Section shall survive the expiration or sooner termination of this Agreement.

## **ARTICLE 6 – DEFAULTS AND REMEDIES**

6.1. Event of Default. The occurrence of any one or more of the following shall constitute an “Event of Default” as such term is used herein:

(a) Non-Payment of Loan. The Borrower fails to pay any of its indebtedness under the Note on or before expiration of the thirty (30)-day period commencing with the date on which such indebtedness is due.

(b) Failure to Perform Certain Non-Monetary Obligations. If the Borrower breaches any of its non-monetary obligations to the Lender under any of the Loan Documents and such breach is not reasonably susceptible to being cured by the Borrower.

(c) Failure to Perform Non-Monetary Obligations Which are Curable. If (i) the Borrower fails to perform any of its non-monetary obligations to the Lender (other than those set forth in Section 6.1(b) above) under any of the Loan Documents; and (ii) if such non-monetary obligation is reasonably susceptible to being cured by the Borrower, the Borrower fails to diligently complete a cure of its breach of such non-monetary obligation on or before expiration of the thirty (30)-day period commencing on the date the Borrower receives written notice from the Lender setting forth such non-monetary breach. Without limiting any of the terms of this Section 6.1(c), the cure period contained in this Section 6.1(c) shall not apply with respect to the Borrower’s breach of any non-monetary obligation of the Borrower that is not reasonably susceptible to being cured by the Borrower.

(d) Incorrect Representation or Warranty. If any request, statement, information, certification, representation, or warranty, whether written or oral, submitted or made by Borrower to the Lender in connection with the Loan or any extension of credit by the Lender to Borrower, now or in the future, is false or misleading in any material respect.

(e) Voluntary Insolvency. The Borrower (i) becomes insolvent or ceases to pay its debts as they mature; (ii) voluntarily files a petition seeking the reorganization of the Borrower, the appointment of a receiver, trustee, or liquidator for the Borrower (or for a material part of the property of the Borrower), or to effect a plan or other arrangement with creditors; (iii) is adjudicated bankrupt; or (iv) makes a voluntary assignment for the

benefit of creditors.

(f) Involuntary Insolvency. A petition is filed against the Borrower under any bankruptcy, insolvency, or similar law seeking the reorganization of the Borrower, or the appointment of any receiver, trustee, or liquidator for the Borrower (or for a material part of the property of the Borrower); or a writ or warrant of attachment or similar process is issued against a material part of the property of the Borrower, and the Borrower fails to cause the petition, writ, warrant of attachment, or similar process to be dismissed or the appointment of any receiver, trustee, or liquidator to be discharged on or before the expiration of a thirty (30)-day period commencing with the date the petition, writ, warrant of attachment, or similar process was filed or the date the receiver, trustee, or liquidator was appointed.

(g) Transfers of Interests. If the Borrower is a corporation, partnership, limited liability company, or other entity, the sale or transfer of an aggregate of more than forty-nine percent (49%) of the beneficial interests in the Borrower without the Lender's prior written consent.

(h) Dissolution. If the Borrower is a corporation, partnership, limited liability company, trust or other entity, the dissolution, liquidation, or termination of existence of the Borrower.

(i) Breach by Guarantor. The Guarantor breaches any of the financial covenants in the Guaranty.

6.2. Lender's Remedies in the Event of Default. Upon the occurrence of any Event of Default, the entire unpaid principal balance of the Note, any unpaid interest accrued thereon, and any other obligation due by reason of the Loan Agreement will become immediately due and payable without presentment, notice or demand, all of which are hereby expressly waived by the Borrower, interest will begin to accrue at the Default Rate, and the obligation of the Lender, if any, to permit further borrowings hereunder shall immediately cease and terminate. Thus, the Parties agree that upon the occurrence of any Event of Default, in addition to all remedies conferred upon the Lender by law and/or equity and other provisions of this Loan Agreement, the Lender may, in its sole discretion, pursue any one or more of the following remedies concurrently or successively, it being the intent hereof that none of such remedies will be to the exclusion of any other:

- (a) Withhold further disbursement of Loan Proceeds to the Borrower; and/or;
- (b) Demand immediate repayment of the entire unpaid principal balance of the Note and any unpaid interest accrued thereon from the Borrower, the Guarantor, or both; and/or
- (c) Terminate this Loan Agreement.

6.3. Secure Site. Upon the occurrence of any Event of Default, the Borrower shall secure the remediation site (i.e., the Property) if the Remediation Work is not yet completed. The cost of securing the site is the responsibility of the Borrower. If the Borrower fails to secure

the site within twenty-four (24) hours of the occurrence of the Event of Default or a written request from the Lender, whichever is earlier, the Lender may do so at the Borrower's sole cost.

7.5. Severability. If any provision of the Loan Documents shall be held by any court of competent jurisdiction to be unlawful, voidable, void, or unenforceable for any reason, such provision shall be deemed to be severable from and shall in no way affect the validity or enforceability of the remaining provisions of the Loan Documents.

7.6. Governing Law. The Loan Documents have been negotiated and executed in the State of Utah, are intended to be performed in the State of Utah and therefore it is understood and agreed by the Parties that the Loan Documents are governed by the laws of the State of Utah, without giving effect to the choice of law provisions thereof, both as to interpretation and performance. Venue for any and all legal actions arising hereunder shall lie in the District Court in and for the County of Salt Lake, State of Utah.

7.7. Amendments. The Loan Documents may be amended or supplemented only by

an instrument in writing executed by both the Lender and the Borrower.

7.8. Documents. The form and substance of all documents and instruments which Borrower is required to deliver to the Lender under this Loan Agreement shall be subject to the Lender's approval.

7.9. Survival. All agreements, representations, and warranties made by the Borrower herein or in any other Loan Document or certificate delivered to the Lender in connection with the transactions contemplated by this Loan Agreement shall survive the delivery of the Loan Documents and shall continue in full force and effect so long as the Note is outstanding.

7.10. Further Acts. In addition to the acts and deeds recited herein and contemplated to be performed, executed and delivered by the Lender and the Borrower, the Lender and the Borrower agree to perform, execute and deliver or cause to be performed, executed, and delivered any and all such further acts, deeds and assurances as may be necessary to consummate the transactions contemplated hereby.

7.11. Relationship of the Parties. The Lender shall not be deemed to be, nor do the Lender or Borrower intend that the Lender shall ever become, a partner, joint venturer, trustee, fiduciary, manager, controlling person, or other business associate or participant of any kind in the business or affairs of the Borrower, whether as a result of the Loan Documents or any of the transactions contemplated by the Loan Documents. In exercising its rights and remedies under the Loan Documents, the Lender shall be deemed at all times be acting only as a lender to the Borrower within the normal and usual scope of activities of a lender.

7.12. No Obligations to Third Parties. The Loan Documents are entered into for the sole protection and benefit of the Lender and the Borrower, as applicable, and their respective permitted successors and assigns. No other Person is intended to have any rights or causes of action under the Loan Documents.

7.13. Entire Agreement. The Loan Documents contain the entire agreement concerning the subject matter of the Loan Documents and supersede all prior and contemporaneous negotiations, agreements, statements, understandings, terms, conditions, representations and warranties, whether oral or written, by and among the Lender and the Borrower concerning the Loan which is the subject matter of the Loan Documents.

7.14. No Waiver by Lender. No waiver by the Lender of any of its rights or remedies in connection with the Loan, or of any of the terms or conditions of the Loan Document, shall be effective unless such waiver is in writing and signed by the Lender.

7.15. No Limitation of Rights. The rights and remedies of the parties hereto are in addition to any other rights and remedies provided by law or under the Loan Documents. The parties agree that the waiver of any breach of the Loan Documents by either party shall in no event constitute a waiver as to any future breach.

7.16. Assignment. The Borrower shall not assign, encumber, or otherwise transfer any or all of the Borrower's rights under the Loan Documents, whether voluntarily, involuntarily, or

by operation of law, without the Lender's prior written consent, which consent may be withheld in the Lender's discretion. The Borrower acknowledges and agrees that the Lender's agreement to make the Loan to the Borrower and enter into the Loan Documents is based in material part on the Lender's reliance on the Borrower's particular financial condition, credit history, character, experience, ability, skill, and reputation, as represented by the Borrower to the Lender.

7.17. Waiver. The Borrower waives presentment, demand for payment, protest, notice of demand, dishonor, protest and non-payment, and all other notices and demands in connection with the delivery, acceptance, performance, default under, and enforcement of the Loan Documents. The Borrower waives the right to assert any statute of limitations as a defense to the enforcement of any or all of the Loan Documents to the fullest extent permitted by law. In the event of the Borrower's payment in partial satisfaction of any or all of the Obligations, the Lender shall have the sole and exclusive right and authority to designate the portion of the Obligations that is to be satisfied.

7.18. Successors. Subject to the restrictions contained in the Loan Documents, the Loan Documents shall be binding upon and inure to the benefit of the Lender and the Borrower and their respective permitted successors and assigns.

Any person who provides to the County a record that the person believes should be protected under subsection 63G-2-305(1) or (2) shall provide both: (1) a written claim of business confidentiality and (2) a concise statement of reasons supporting the claim of business confidentiality. Generally, GRAMA only protects against the disclosure of trade secrets or commercial information that could reasonably be expected to result in unfair competitive injury.

7.20. Counterparts. This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all the Parties, notwithstanding that each of the Parties are not signatory to the original or the same counterpart. Further, executed copies of this Agreement delivered by email or facsimile shall be deemed an original signed copy of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the dates shown below.

## PROMISE TO PAY

For value received, the undersigned Borrower promises to pay to the order of Lender the sum of Four Hundred Thousand and No/100 Dollars (\$400,000.00), to the extent disbursed by Lender, together with interest on the unpaid balance of such amount, in lawful money of the United States of America, in accordance with all the terms conditions and covenants set forth below. This Promissory Note ("Note") is the Note referred to in, and issued pursuant to, that certain Loan Agreement between the Borrower and the Lender dated November 30, 2015 (as amended or otherwise modified from time to time, the "Loan Agreement"), and is entitled to all of the benefits and security of the Loan Agreement. All terms with an initial capital letter that are used but not specifically defined in this Note have the meanings ascribed to such terms in the Loan Agreement. In addition, the following terms have the meanings set forth below:

Disbursement: Each disbursement of Loan Proceeds under this Note pursuant to the Loan Agreement.

Maturity Date: The date that is forty-eight (48) months from the date of the Loan Agreement (November 30, 2015), which is November 30, 2019.

Principal Balance: The aggregate unpaid principal balance of all Disbursements.

## TERMS OF THE NOTE

### 1. Interest.

(a) Regular Rate. Interest on this Note shall commence on October 1, 2016 and shall continue thereafter to the Maturity Date of this Note, so long as no Event of Default has occurred, interest shall accrue on the Principal Balance of this Note at the rate of two percent (2.00%) per annum.

(b) Default Rate. From and after either (a) the occurrence of an Event of Default (whether or not the Lender has elected to accelerate unpaid principal and interest under this Note as a result of such Event of Default); or (b) the maturity of this Note (whether the stated Maturity Date of this Note or the maturity date resulting from the Lender's acceleration of unpaid principal and interest), interest on the Principal Balance of this Note shall accrue at a rate equal to fourteen percent (14.00%) per annum. All interest hereunder shall be calculated on the basis of a 360-day year, actual days elapsed.

(c) Calculation of Interest. If any payment of interest is not made when due, at the option of the Lender of this Note, such interest payment shall bear interest at the same rate as principal from and after the due date of the interest payment. Principal and interest shall be payable only in lawful money of the United States of America. Notwithstanding anything to the contrary contained in this Note, interest at the rates provided for in this Note shall be computed on the basis of a three hundred sixty (360) day year for the actual number of days during which the principal balance of this Note is outstanding.

### 2. Payment Terms.

(a) Interest. Accrued interest on the unpaid Principal Balance outstanding shall be due and payable in arrears and on a quarterly basis: The first such quarterly payment shall be due and payable on or before January 1, 2017 for the first quarter of interest for the months of October through December, 2016. On the Maturity Date, all accrued but unpaid interest shall be due and payable.

(b) Principal. On the Maturity Date, a principal installment equal to the aggregate amount of all outstanding Disbursements shall be due and payable.

(c) Payments and Due Dates. Borrower shall make interest only quarterly payments commencing on January 1, 2016, and shall continue regularly and quarterly payments of interest thereafter on the first day of each succeeding quarter until the Maturity Date, on which date a balloon payment of all outstanding principal and all accrued and unpaid interest shall be due and payable in full.

(d) Application of Payments. Unless specifically otherwise provided in the Loan Documents, the Lender is entitled to apply any payments or other sums received in such order and priority as the Lender may reasonably elect; provided, however, absent an election to the contrary by the Lender, such payments will be applied in the following order and priority: (i) first, toward payment of all expenses incurred by Lender in collecting any amount of principal or interest that are past due, and the payment of any financing fees that are unpaid and past due; (ii) second, toward payment of the remaining accrued but unpaid interest; (iii) third, toward payment of the matured portion of the principal of the Loan; and (iv) fourth, toward prepayment of the unmatured portion, if any, of principal of the Loan applied to installments of principal in inverse order of maturity. The receipt of any check or other item of payment by the Lender, at its option, shall not be considered a payment until such payment item is honored when presented for payment at the drawee bank or institution, and the Lender, at its option, may delay the credit of such payment until such payment item is so honored.

(e) Late Payment Charge. In the event the Borrower fails to make any payment of principal and interest on or before expiration of the thirty (30)-day period commencing on the date the payment is due (other than a payment due as a result of the acceleration of the Loan), whether or not the Lender has elected to pursue any remedy following an Event of Default, the Borrower shall pay a late payment charge to the Lender equal to five (5%) percent of the late payment amount or One Thousand Dollars (\$1,000.00), whichever is greater.

### **3. Disbursements and Prepayments.**

(a) Revolving Loan Fund. This Note shall evidence Borrower's indebtedness for Disbursements made from time to time from the EPA Revolving Loan Fund pursuant to the Loan Agreement. Interest will begin to accrue on October 1, 2016, and the liability of the undersigned is limited to the Principal Balance from time to time actually disbursed pursuant to the Loan Agreement, plus unpaid interest actually accrued on such principal, plus any expenses or other charges as more fully provided in this Note, the Loan Agreement, and any other Loan Documents. This Note shall evidence all such indebtedness and this Note and all lien instruments securing it and the liens and security interests thereunder shall remain in effect until this Note is formally terminated in writing, and this Note and such lien instruments, liens and security interests shall not otherwise be terminated by payment of all or any part of the indebtedness hereby represented. Lender shall, and is hereby authorized by Borrower to, endorse on **SCHEDULE A** attached hereto and made a part hereof (or on a continuation of such schedule) an appropriate notation evidencing the date and amount of each Disbursement, the Reimbursable Remediation Work being funded with the Disbursement, and any payments made thereon; provided, however, that the failure of Lender to make such a notation on this Note shall not affect any obligation of Borrower under this Note. Any such notation shall be prima facie evidence as to the date, amount, and monthly payment of such Disbursement or payment.

(f) Prepayment. The Borrower shall have the right to prepay all or part of the outstanding principal balance of this Note and accrued interest (if applicable) at any time without payment to the Lender of a prepayment fee or charge.

4. Guaranty. This note is guaranteed by that certain Guaranty, dated as of the date hereof, executed by Ogden City, a Utah municipality, in favor of the Lender.

5. Miscellaneous.

(g) Default. Upon the occurrence of an Event of Default, the Lender shall have the remedies specified in the Loan Agreement.

(b) Waiver. Borrower hereby waives all valuation and appraisal privileges, presentment and demand for payment, protest, notice of protest and nonpayment, dishonor and notice of dishonor, bringing of suit, lack of diligence, or delays in collection or enforcement of this Note and notice of the intention to accelerate, the release of any liable party, the release of any security for the debt, and any other indulgence or forbearance, and is and shall be directly and primarily liable for the amount of all sums owing and to be owed hereon, and agrees that this Note, and any or all payments coming due hereunder, may be extended or renewed from time to time without in any way affecting or diminishing Borrower's liability hereunder.

(c) Illegality and Severability. In no event shall the amount paid or agreed to be paid hereunder (including all interest, if applicable, and the aggregate of any other amounts taken, reserved, or charged pursuant to this Note which under applicable law is deemed to constitute interest on the indebtedness evidenced by this Note) exceed the highest lawful rate permissible under applicable law; and if under any circumstances whatsoever, fulfillment of any provision of this Note at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by applicable law, then, ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any circumstance the Lender should receive as interest an amount which would exceed the highest lawful rate allowable under law, such amount which would be excessive interest shall be applied to the reduction of the unpaid principal balance due under this Note and not to the payment of interest, or if such excess interest exceeds the unpaid balance of principal, the excess shall be refunded to Borrower. If any provision of this Note or any payments pursuant to the terms hereof shall be invalid or unenforceable to any extent, the remaining provisions of this Note and any other payments hereunder shall not be affected thereby and shall be enforceable to the greatest extent permitted by law.

(d) Successors. This Note shall inure to the benefit of the Lender and its successors and assigns.

(e) Subsequent Holder. All references to the Lender in this Note shall also refer to any subsequent owner or holder of this Note by transfer, assignment, endorsement or otherwise.

(f) Successors and Assigns. The provisions of this Note shall be binding upon and for the benefit of the successors, assigns, heirs, executors and administrators of the Lender and the Borrower.

(g) Other Parties Liable. All promises, waivers, agreements and conditions applicable to the Borrower shall likewise be applicable to and binding upon any other parties primarily or secondarily liable for the payment of this Note, including all guarantors, endorsers and sureties.

(h) Modifications. Any modifications agreed to by the Lender relating to the release of liability of any of the parties primarily or secondarily liable for the payment of this Note, or relating to the release, substitution, or subordination of all or part of the security for this Note, shall in no way constitute a release of liability with respect to the other parties or security not covered by such modification.

(i) Borrower's Address for Notice. All notices required to be sent by the Lender to the Borrower shall be sent by United States Mail, postage prepaid, to the Borrower's Address for Notice stated on the first page of this Note, until the Lender shall receive written notification from the Borrower of a new address for notice.

(j) Lender's Address for Payment. All sums payable by the Borrower to the Lender shall be paid at the Lender's Address for Payment stated on the first page of this Note, until the Lender shall notify the Borrower of a new address for payment.

(k) Governing Law. This Note shall be governed by and construed under the laws of the State of Utah without giving effect to the choice of law provisions thereof. Section 1.01. Guaranty of Obligation. Guarantor hereby unconditionally and irrevocably guarantees to Lender the punctual payment when due, whether by lapse of time, by acceleration of maturity, or otherwise, of all principal, interest (including interest accruing after the commencement of any bankruptcy or insolvency proceeding by or against Borrower, whether or not allowed in such proceeding), fees, late charges, costs, expenses, indemnification indebtedness, and other sums of money now or hereafter due and owing, or which Borrower is obligated to pay, pursuant to the terms of the Loan Documents, as the same may from time to time be amended, supplemented, restated or otherwise modified (collectively, the “**Obligations**”). The guaranty of Guarantor as set forth in this Section 1 is a continuing guaranty of payment and not a guaranty of collection.

#### Section 1.02. Nature of Guaranty.

(a) Nature of Guaranty. This Guaranty is absolute, continuing, irrevocable, and unconditional. This Guaranty is a guaranty of payment and performance when due and not

of collection. This Guaranty shall be effective and remain in full force and effect until all Obligations are paid and performed in full, regardless of (i) the genuineness, regularity, legality, validity, or enforceability of any or all of the liens and encumbrances, the Loan Documents, or the Obligations, (ii) any law, regulation, or rule (federal, state, or local) or any action by any Governmental Authorities discharging, reducing, varying the terms of payment, or otherwise modifying any of the Obligations or any of the liens and encumbrances, or (iii) the death, dissolution, or liquidation of Borrower or Guarantor.

Notwithstanding anything herein to the contrary, Guarantor shall have the notice and cure rights set forth in the Loan Documents, and nothing herein shall be construed as a waiver by Guarantor of such notice and cure rights. **1 PROJECT SUMMARY**

The Ogden Redevelopment Agency (RDA) (the “Applicant”) is requesting a \$400,000 hazardous substance/petroleum loan (the "Loan") for cleanup planning and remediation of its 51-acre, **Ogden Business Exchange** site located at 600 West Exchange Road (the "Property") in the Trackline Economic Development Area (EDA).

The project site was formerly utilized as a stockyard and livestock exchange and is now being used for the storage of equipment and containers of unknown origins and type. There is also a railroad spur that ran through the property for stock transportation which historically can have contamination from creosote, which is a blend of hundreds of chemicals. Chemical products that may have been historically transported and offloaded from rails cars could impact the site from unregulated and unreported spills. Ultimately, the resulting historic contaminants may include a comingling of hazardous substances and petroleum such as semi-volatiles, oils, and grease associated with the railroad ties/line and unidentified substances in the unmarked containers.

The Ogden RDA has enrolled in the Utah Department of Environmental Quality (DEQ) Voluntary Cleanup Program (VCP) and has been performing predevelopment tasks needed to make the master-planned “lifestyle” business park economically feasible, including: property acquisition, environmental remediation, demolition, infrastructure improvements, and other site preparation. The RDA has also partnered with a private developer who will be responsible for building, selling and leasing buildings in the business park. Ogden City is currently working with several companies planning to locate at the Business Exchange with office, manufacturing, light industrial, and distribution facilities that incorporate historical design and have connections to the Weber River, pedestrian/bike trails, open space, and access to the county-wide trail network.

## 2 PROPOSED LOAN

**Loan Amount:** \$400,000

**Loan Terms:** The proposed \$400,000 loan would be amortized over a ten-year period with interest-only payments (\$2,000/quarter) for the first four years and a final balloon payment of \$402,000 becoming due at the start of the fifth year. Overall, the total payments would amount to **\$416,000** with interest accounting for \$16,000 at a 2% fixed interest rate and a 14% default rate.

### **3 PHASED REMEDIATION APPROACH**

---

The Ogden RDA will be targeting the proposed cleanup planning and remediation of the Ogden Business Exchange development over three (3) phases, which is highlighted in the attached site map and the written description below:

Phase 1 is located on the east portion of the site and is currently undergoing remediation. The goal is to have remediation work complete in March 2015 (subject to change), followed by reporting and facility construction. The purchaser wants a new facility constructed and operational by the end of the year.

Phase 2 is located within the central area of the site. There is a purchaser lined up who would like to close on the north half of Phase 2 and have remediation completed by late April 2015 (subject to change). As a result, Ogden City submitted a cleanup plan on February 17<sup>th</sup> and would like to start cleanup in April 2015, pending the VCP acceptance of the cleanup plan.

Phase 3 is located on the west portion of the site. This area has less sampling data than the other two phases and is not a candidate for a joint characterization/remediation approach with the current level of data. More characterization is necessary before a remediation strategy can be evaluated. Based on discussions with Ogden, they would like to complete the characterization and possibly remediation by the end of the year so the property is available for development.

### **4 ABILITY TO REPAY LOAN**

---

The Ogden RDA will repay the \$400,000 environmental remediation loan through Trackline EDA tax increment funds (“TIF”) (a projected \$10.9 million over a 25-year term – 2017 is the first revenue year) and proceeds from land sales (an estimated \$6.4 million over the next 5 years) – see attached proforma. The RDA and project developer have jointly contracted with a local real estate broker to market 22.58 acres of the property, of which 11.60 acres have been sold to date and the remaining acreage will be listed/recruited via the broker, developer, and the Ogden City CED office. Ogden City is also expected to guarantee the RDA’s loan, which will provide a strong incentive and additional support for loan repayment.

Ogden City has also contributed \$1.23 million of Capital Improvement Project (CIP) funds, \$550k Community Development Block Grant (CDBG) funds, and \$400k of City Water funds to the project.

There are multiple sources of funds committed to the cleanup and redevelopment of the Ogden Business Exchange site, including: \$3.34 million Housing and Urban Development (HUD) loan, \$2.375 million Economic Development Administration (EDA) loan, the \$400k RLF loan, and a \$6.1 million loan to the developer. Non-federal funds spent on the site remediation can ultimately be applied to the 20% EPA cost share requirement. Federal funds spend on the site

remediation may or may not be applied to the 20% EPA cost share requirement depending on the circumstances and the type of federal funds used.

As outlined in the proforma, the debt payments are staggered throughout the Trackline EDA term with the HUD loan having the longest amortization and both the developer/RLF loans having the shortest repayment schedules. The Ogden RDA is backing all of these loans with varying forms of security (TIF, CDBG funds, land sale proceeds, land collateral) – but in the event of an issue, the RDA is unlikely to default. The RDA has provided a guarantee from Ogden City and has provided assurances that it will find other repayment sources if necessary.

## **5 RECOMMENDATION**

---

If the Loan is approved by the Coalition Board, County staff recommends the following conditions be addressed prior to closing:

A loan to the Redevelopment Agency of Ogden City (the “Borrower”) shall be in the amount of 80% of projected eligible cleanup costs [less loan fees], up to \$400,000. The precise amount of the loan shall be determined by County staff in their sole discretion, but in no event shall the loan exceed \$400,000.

The loan shall be made on the following terms and subject to the following conditions:

### Loan Terms:

1. 4 year, interest-only loan with a balloon payment paid a quarter after the last, regular quarterly payment.
2. Interest Rate – 2% per annum
3. Default Rate – 14% per annum
4. Interest accrues upon the first loan disbursement. Interest will be computed on disbursements of loan proceeds from and including the date of each disbursement on the basis of a 360 day year and the actual number of days elapsed in any portion of a quarter in which interest is due.
5. Payments made quarterly beginning with the first quarter following the quarter in which the first loan disbursement is made to the borrower.
6. Loan proceeds will be disbursed quarterly for cleanup work that has been completed and evidenced by certified invoices submitted to the County. The County will disburse loan proceeds equal to 80% of eligible cleanup costs (or a higher percentage if the Borrower has already met a portion of its cost-share requirement) within 45 days following the conclusion of each quarter and receipt of certified invoices.
  - a. Each invoice submitted to the County shall be signed/dated by the borrower, contractor, or consultant who conducted the work and shall contain a certification that the eligible cleanup and remediation work for which disbursement is sought has in fact been completed.

7. Borrower shall drawdown 50% of the total loan proceeds by the close of the 2016 calendar year and 100% of the total loan proceeds by the close of the 2017 calendar year or otherwise Borrower will not be entitled to further disbursements under the Loan Agreement.
8. Borrower shall pay Application Fee of 0.5% of the loan amount or \$500.00, whichever is greater, at loan closing. On a \$400,000 loan, this fee would be \$2,000.
9. Borrower shall pay Origination Fee of 2% of the loan amount or \$1000.00, whichever is greater, at loan closing. On a \$400,000 loan, this fee would be \$8,000.
10. Borrower shall pay \$25 monthly service fee or \$75 per quarter.
11. Ogden City must guarantee the loan.
12. The general policy is to not disburse loan proceeds for eligible expenses that have already been incurred. The Coalition Board is willing to make an exception here and allow loan proceeds to be disbursed for eligible cleanup expenses that the RDA has already incurred up to \$60,000. However, if the Borrower desires to cover all or a portion of already incurred eligible expenses with its own funds so that it can count such amount toward the 20% cost-share requirement, the Borrower must demonstrate to the County that the source of funds used to pay for the already incurred eligible expenses are appropriate and eligible sources from which to pay the cost-share requirement. Whether the funds used to pay for the cost-share requirement are an appropriate or eligible source of funds will be determined by the County in its sole discretion.
13. Any other loan terms recommended by the County's legal counsel.

The County will not be obligated to enter into a loan agreement with the RDA unless and until the following conditions have been met:

1. The EPA Project Officer (PO) has determined that the site is eligible (evidenced by a site eligibility outline signed by EPA) and that the Borrower is eligible.
  - a. EPA approved the site and borrower eligibility on 12/19/2014
2. The County and Coalition Board have approved the project based on the Coalition's Policies and Procedures and the Borrower has satisfied all applicable terms and conditions of the EPA Cooperative Agreement.
3. If necessary, the Borrower has informed the PO of any historic buildings, structures, artifacts, and sites in writing and has provided a copy of such correspondence to the County. The Borrower has provided to the PO 1) a completed Utah Division of State History's SHPO cover page, 2) locational information in township and range, with attached USGS map, 3) a description of the project and an explanation of its impacts, 4) research design, and 5) known archaeological information. The SHPO has 30 days to review the PO's determination.
4. The Borrower has consulted with Fish and Wildlife Service's website to see if any threatened or endangered species will be affected by the cleanup and has notified the PO and the County in writing of such consultation and of the Borrower's findings. If T&E species are identified in the project area, the Borrower will consult with FWS and obtain approval on mitigation measures.

5. The Borrower has submitted a Community Relations Plan (CRP) to the PO and has provided a copy to the County for at least the first phase of the project.
  - a. Submittal of Phase 1 CRP is required for execution of loan agreement.
  - b. Submittal of Phase 2 CRP and Phase 3 CRP will be required before loan proceeds may be disbursed for Phase 2 and Phase 3 eligible cleanup costs.
6. For each phase, the Borrower has submitted an Analysis of Brownfields Cleanup Alternatives (ABCA) to the PO and has provided a copy to the County for at least the first phase of the project.
  - a. Submittal of Phase 1 ABCA is required for execution of loan agreement.
  - b. Submittal of Phase 2 ABCA and Phase 3 ABCA will be required before loan proceeds may be disbursed for Phase 2 and Phase 3 eligible cleanup costs.
7. The Borrower has submitted documentation to the PO showing how the match/cost-share requirement will be met, has provided a copy to the County, and the PO has approved the match/cost-share expenses. The Borrower has submitted documentation to the County demonstrating that the source from which the match/cost-share requirement will be met is an appropriate and eligible source from which the cost-share requirement can be met, as determined by the County in its sole discretion and approved by the PO.
8. The Borrower has enrolled in the State Voluntary Cleanup Program (VCP) for at least the first phase of the project.
  - a. Ogden submitted a VCP Application for the project on April 2014, executed a VCP Agreement for the project in July 2014. The VCP agreement was amended and recorded in November 2014.
9. The Borrower has submitted a cleanup plan to the State VCP and the State VCP has approved the cleanup plan for at least the first phase of the project.
  - a. Submittal of Phase 1 cleanup plan is required for execution of loan agreement.
  - b. Submittal of Phase 2 cleanup plan and Phase 3 cleanup plan will be required before loan proceeds may be disbursed for Phase 2 and Phase 3 eligible cleanup costs.
10. The Borrower has submitted the final cleanup plan to the PO and has provided a copy to the County for at least the first phase of the project.
  - a. Submittal of Phase 1 final cleanup plan is required for execution of loan agreement.
  - b. Submittal of Phase 2 final cleanup plan and Phase 3 final cleanup plan will be required before loan proceeds may be disbursed for Phase 2 and Phase 3 eligible cleanup costs.
11. The Borrower has complied with the Davis-Bacon Act and has documented and evidenced such compliance for eligible expenses already incurred by the Borrower. (Under the terms of the loan agreement, the Borrower will be required to comply with the Davis-Bacon Act and provide documentation and evidence of such compliance as a condition to any future disbursement of loan proceeds).
12. Any other conditions to loan execution recommended by the County's legal counsel.

The purpose for creating the URA was to “. . .encourage and assist private enterprise to invest in downtown Ogden and pursue development activities that will support and sustain Ogden’s downtown core as an attractive urban neighborhood and a business friendly environment.” The four block area was selected because it was deemed blighted and the property provided a clear opportunity for development.

The East Washington URA Plan did not authorize the use of eminent domain as a means of acquiring property in the Area.

## **Project Funding**

CED staff is proposing to use RDA Housing funds of \$50,000 from the FY2016 budget for the payment due at closing on January 22, 2016. Staff is also proposing use of \$400,000 of the \$1 million dollars anticipated for the Quality Neighborhoods Initiative in the FY2017 Budget--\$50,000 to repay the RDA Housing Funds and \$350,000 for the balance of the purchase price.

## *Questions*

1. Please review the proposed REPC.
2. Please review the sources of funding for the purchase of the property.
3. Will funding this project have any impact on other projects currently underway (e.g., 24<sup>th</sup>/Monroe, 550 24<sup>th</sup> Street, etc.)?
4. Please explain the impact on current tenants at the property. Will the tenants be vacated prior to the City taking control of the property on July 8?

**BACKGROUND**

The Administration has targeted the block between 21<sup>st</sup> and 22<sup>nd</sup> Streets and Washington and Adams as a key redevelopment project in the downtown area. This location is in the East Washington URA (established 2010), adjacent to the newly renovated LDS Temple Block, and provides an opportunity for the Agency to bring about development that will reduce existing blight and have a significant impact to the surrounding blocks. The nature of the topography of the site and its proximity to other downtown amenities gives the Agency maximum development flexibility and the opportunity to create a unique mixed-use gathering spot with varied housing options.

The initial step of this multi-step project is the commencement of the acquisition of key available properties. The Gibbs Property is central to the other parcels that would need to be acquired and sets the precedent for future negotiations with other property owners.

A summary of the Gibbs Real Estate Purchase Contract is as follows:

- **Seller** – Gail B. Gibbs Revocable Family Trust
- **Property** – 01-039-0046, 01-039-0044, 01-039-0045, 01-039-0049, 01-039-0050, 01-039-0055, 01-039-0054
- **Size** – .59 acres

- **Purchase Price** – \$415,000
- **Cash at Closing** - \$50,000 (to be paid from RDA Housing Fund)
- **Promissory Note** - \$350,000 to be paid no later than July 8, 2016
- **Interest** – none
- **Earnest Money** – \$15,000 (applicable, non-refundable, already paid)
- **Closing Date** – on or before January 22, 2016
- **Buyer’s Right to Cancel** – Buyer may cancel with loss of Earnest Money if Agency Board does not approve the contract

Though staff anticipates contracting with a developer for the subsequent acquisition and development of the project, adequate sources as described above have been identified to fulfill the terms of the Promissory Note associated with the Gibbs properties.

**RISK/BENEFIT**

Acquisition of the property is the first step in the development of the project. With ownership, the Agency will have maximum flexibility to design an appropriate project and attract the right type of partners, investors, and uses. A successful project would yield multiple benefits such as:

- The revitalization of a unique but depressed area of the downtown, creating key connection points into the East Central neighborhood
- Removal of blight
- Increased property tax base
- The creation of varied housing options, adding to the downtown residential population

In the event the project implementation is delayed, the Agency will remain the owner of the property and will be required to continue to provide landlord services to 5 existing residents. This circumstance would not be ideal as it would create an opportunity cost and would not be an efficient use of limited funds. To avoid this scenario, the Administration staff have multiple development options and have identified a number of partners willing to participate in bringing about the highest and best use of the property in the shortest amount of time.

In addition, Seller has no knowledge of any pending law ordinance, order, regulation or requirement that would affect the present use and operation of the Property. Buyer acknowledges and agrees that Buyer is solely responsible for performing any and all due diligence, as deemed necessary by Buyer, in order to determine whether or not the Property is suitable for Buyer's intended purposes, and determining whether or not the Property may, as of and following the Closing, be affected by any of the matters addressed under this Subsection 10.8.

Each obligation of Seller and each other party under each such agreement and contract has been performed, no party to any such agreement or contract has asserted any claim of default or offset against Seller and no event has occurred or failed to occur, the occurrence or nonoccurrence of which would in any way affect the validity or enforceability of any such agreement or contract.
