# September 2019

### Fall Market, September 28 - October 26

**Farmers Market Ogden** brings another year of the Fall Market on Saturdays, September 28 through October 26 from 9 a.m. to 2 p.m. at the Ogden City Amphitheater. The Fall Market is five additional weeks of supporting local as a slimmed-down version of the summer market. A vibrant array of fall produce, specialty artisan goods, warm seasonal beverages, yoga, community activities, live music by local artists and more will be featured. More information can be found online and by following the Fall Market event page on Facebook.

[farmersmarketogden.com](http://farmersmarketogden.com)

### Peculiar Pours, October 12

**Join Ogden Downtown Alliance for the Second Peculiar Pours Beer Festival on Saturday, October 12 from 3-8 p.m. at Ogden Union Station.**

A rally of local breweries will bring their most peculiar flavors, seasonal brews and test pours to the festival. Live music, delicious bites and quirky surprises will also be featured during the night. The \$20 admission ticket includes three sample pour tokens and a \$5 meal voucher. Additional sample pour tokens are \$1. Each guest will be gifted one souvenir sampling glass. \$10 designated driver tickets will include admission and a \$5 meal voucher. Must be 21+ to attend this event. More information can be found online and by following the Peculiar Pours event page on Facebook.

### Fire Prevention Open House, October 9

**In recognition of Fire Prevention week, October 6-12, Ogden City Fire is holding their annual Fire Prevention and Safety Open House on October 9.**

Join the fun and learn valuable, lifesaving information on Wednesday, October 9, from 5:30 - 8 p.m. at Fire Station 1 (2186 Lincoln Avenue). The open house theme is "Not every hero wears a cape. Plan and practice your escape." This event is a great opportunity for residents to learn valuable information about practicing good habits at home to prevent fires. Those who attend will get the opportunity to meet the firefighters, see their fire engines and ambulances up close and learn about fire safety in a fun and entertaining environment.

### Witchstock Festival, October 26

**Ogden Downtown Alliance presents the Annual Witchstock Festival at the Ogden City Amphitheater on October 26 from 4 - 10 p.m.**

Witchstock combines three key events into one great evening - Ogden Zombie Crawl, the Monster Bash Dance Party and the Junior League of Ogden's Jr. Junior League's Witches Tea. The Jr. Junior League of Ogden girls, ages 10 to 16, will host the Witches Tea as their annual fundraiser. This is a ticketed event that begins at 4 p.m. The Zombie Crawl promises to be bigger and better than ever before and begins at 6 p.m., followed by the Monster Bash Dance Party beginning at 8 p.m. Witches

Tea tickets will be available soon. The Zombie Crawl and Monster Bash are open to the community. Updates on the Witchstock series of events can be found online and on the official Witchstock Facebook event page.

Council Chambers | Tuesdays 6 p.m.

## Ogden Trails Network

Public Works Building | Third Thursdays 4:30 p.m.

## City Planning Commission

Municipal Building | First Wednesdays 5 p.m.

## Empower Northern Utah Light Bulb Exchange

Weber State University's sustainability team, in partnership with others, is offering new, energy-efficient LED light bulbs in exchange for old incandescent and CFL bulbs.

Households can exchange up to 15 bulbs for free through the Empower Northern Utah Light Bulb Exchange program September 7 – November 16. Each LED bulb can save residents up to \$12 a year. Exchanging 15 bulbs could cut annual utility costs by more than \$100. LED bulbs use far less energy than traditional bulbs. Unlike CFL bulbs, LED bulbs contain no mercury. Bring old bulbs for exchange to:

- **WSU Community Education Center** (2605 Monroe Blvd) Wednesdays, September 11 through November 13, 5–7 p.m.

- **Weber County Library Main Campus** (2464 Jefferson Ave) Saturdays, September 14 through November 16, 11 a.m.–1 p.m.

LED bulb supplies are limited; exchanges will take place while supplies last.

## Disposing of Fall Leaves

**When leaves start to fall, it will be time to start thinking about what to do with them.** Be aware while raking leaves this fall that it is a violation of illegal dumping and waterway blocking ordinances to sweep or push leaves into the gutter or onto the street. Fallen leaves can plug storm drains and will cause ice dams to form in the gutters when the weather freezes. Keep the gutter in front of your home clean. Dispose of green waste from seasonal yard cleanup such as branches, leaves and grass clippings at Ogden City's Green Waste Facility (1845 Monroe Blvd). Residents who are unable to take their leaves to the Green Waste Facility should consider asking relatives, neighbors or friends to assist them.

**801-629-8271**  
[ogdencity.com/GreenWaste](http://ogdencity.com/GreenWaste)

## Emergency Preparedness: Wildfires

**Cool spring weather helps grass grow tall, which becomes a fire hazard as the grass dries out toward the end of summer and the beginning of fall.** Here are ways to prepare a home to survive if it's ever caught in a wildfire.

- **Prepare at home:** Have a fire extinguisher on hand and teach family members where it's kept and how to use it. Have an evacuation plan, communications plan, meeting place and an updated 72-hour kit ready to go. Make sure the home address is visible from the street. Keep fire hydrants unobstructed and be aware of any burning restrictions in the area.

- **Fortify against embers:** Clean roofs and gutters of outdoor debris. Replace or repair any loose or missing shingles, damaged or loose window screens and any broken windows. Install 1/8" metal mesh screening in the eaves of vents. Screen or box-in areas below patios and decks with wire mesh to prevent combustible materials from accumulating.

- **Avoid putting flammable items in dangerous places:** Remove anything stored underneath decks or porches. Move mulch, leaves and needles, firewood piles and any other flammable material away from wall exteriors. Landscape with fire-resistant plants and create small fuel breaks with hardscaping features. Create defensible space by pruning low-hanging tree branches and thinning trees and brush within 30 feet of a residence.
