# Opportunity Zone Tax Incentives

Ogden  
UTAH™

- Temporary Tax Deferral
- Step-Up in Basis
- 100 Percent Permanent Federal Tax Exemption

## Temporary Tax Deferral

A taxpayer can defer their capital gains until 2026 if they put those gains into an opportunity fund to be invested in a qualified opportunity zone.

## Step-Up in Basis

This is a tax liability reduction on capital gains. If the investment is held for at least 5 years tax liability is reduced by 10%. If the investment is held for an additional 2 years, making it a total of 7 years, the tax liability is reduced by 15%.

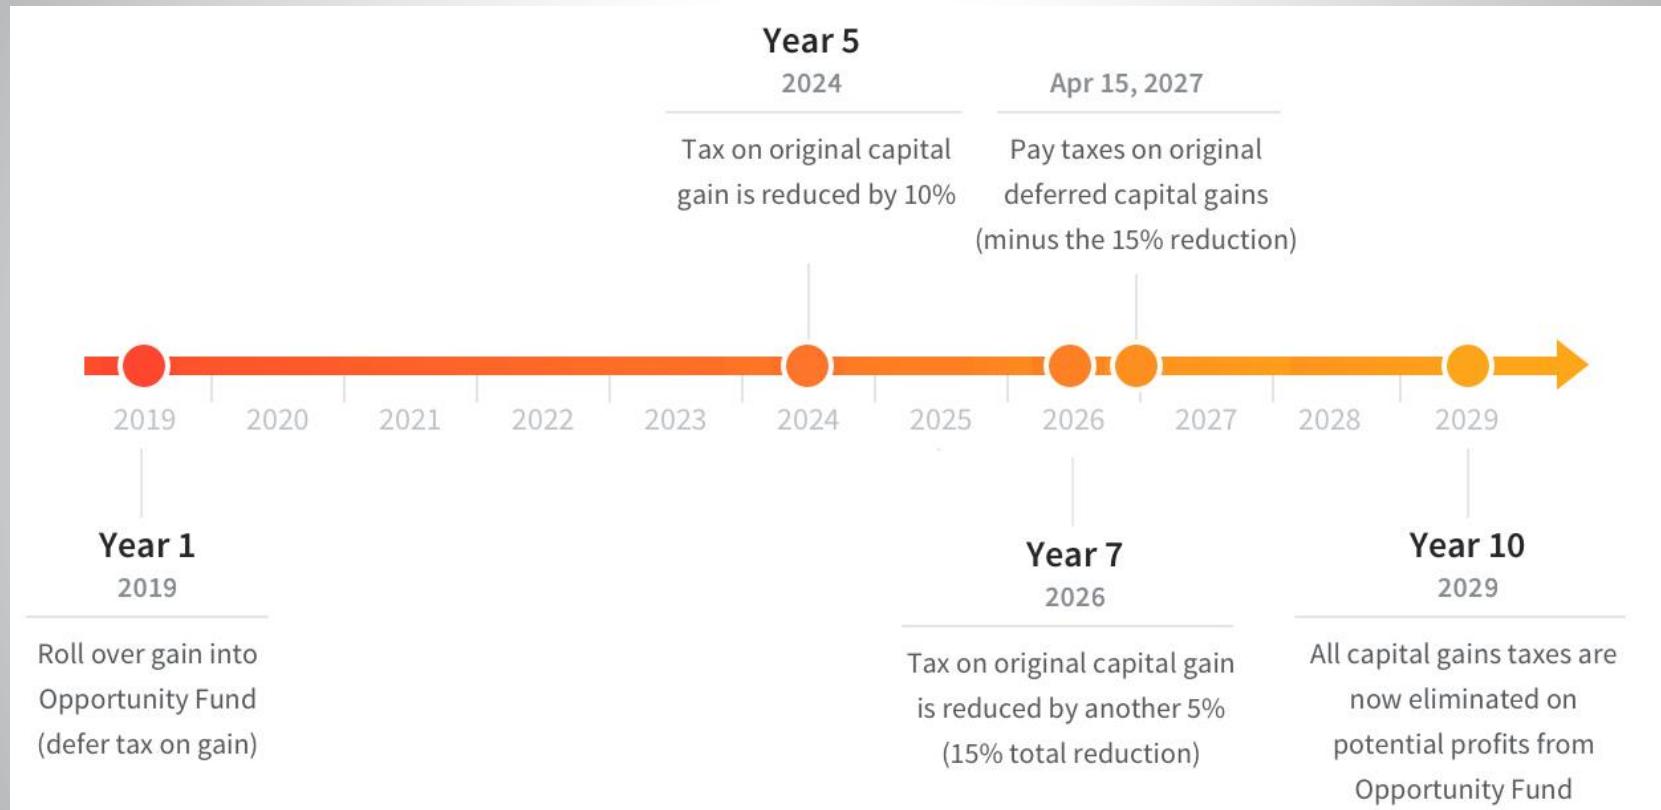

## 100 Percent Permanent Federal Tax Exemption

All capital gains made from the opportunity zone investment are free from federal taxes as long as the investment made through an opportunity fund is held for at least 10 years.

More information on the tax incentives and regulations [here](#) and/or [here](#).

## Step 1: Taxpayer sells an asset and realizes gain

**Step 2:** Taxpayer contributes cash (up to the amount of gain\*) to the OZ fund within 180 days of the sale

**Step 3:** The OZ fund contributes cash to a directly owned OZ business, an OZ corporation or an OZ partnership

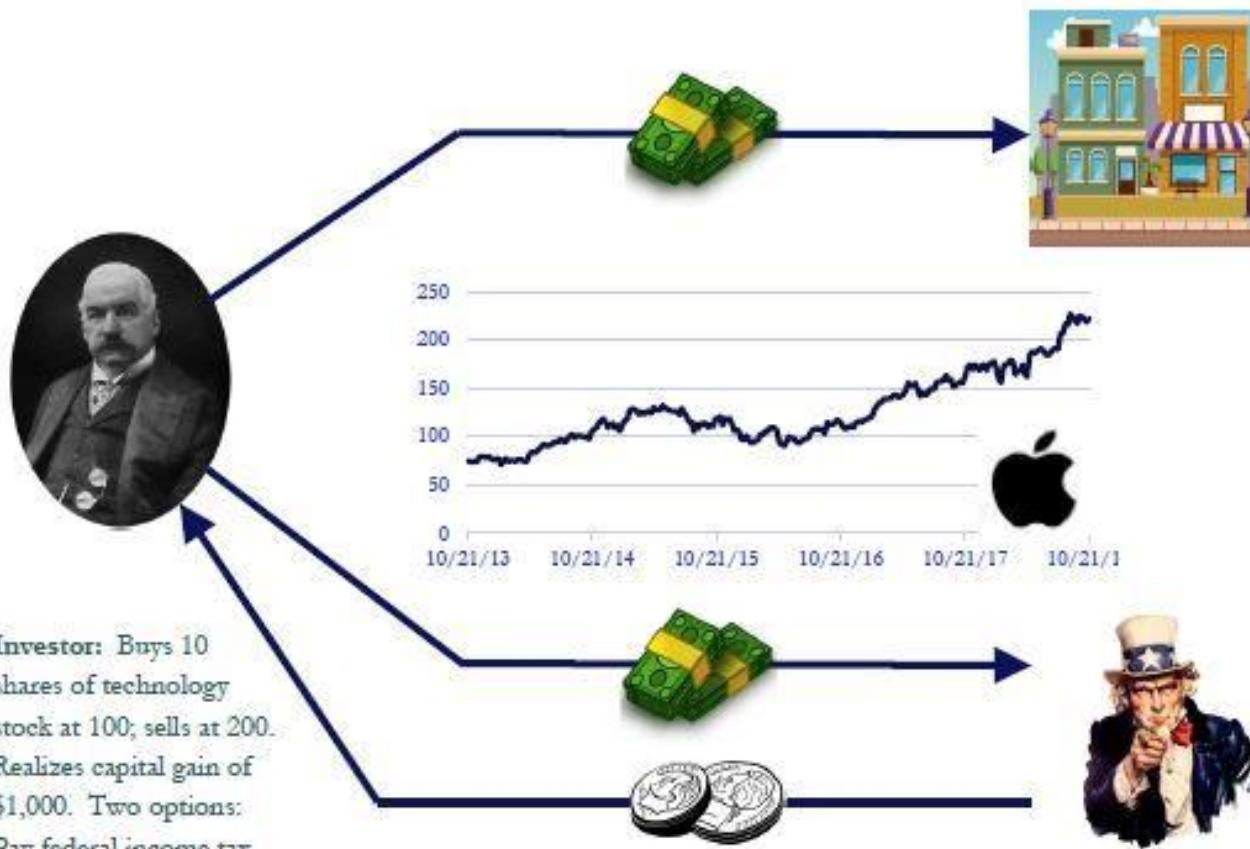

\*Note: Taxpayer can contribute funds in excess of realized gain, but those funds will not be eligible for the 10-year tax exemption

# Example 2

Ogden
