ORDINANCE NO. 2014-26

AN ORDINANCE OF OGDEN CITY, UTAH, ADOPTING THE BUDGET FOR OGDEN CITY FOR THE FISCAL YEAR FROM JULY 1, 2014, TO JUNE 30, 2015; AND PROVIDING THAT THIS ORDINANCE SHALL TAKE EFFECT IMMEDIATELY UPON ITS ADOPTION AND DEPOSIT WITH THE CITY RECORDER.

WHEREAS, on the 6th day of May, 2014, pursuant to the Uniform Fiscal Procedures Act for Utah Cities (Utah Code Annotated Section 10-6-101, et seq., as amended), the Mayor submitted to the Council of Ogden City the proposed Operating Budget; Capital Improvements Budget; Enterprise Funds Budget; Internal Service Funds Budget; Grant and Donations Fund Budget; Personnel Schedules; and his budget message, all for the fiscal year of July 1, 2014, to June 30, 2015, as required by said Statute; and

WHEREAS, the said proposed or tentative budget and all supporting schedules were tentatively adopted by the Council, and the public hearing thereon was initially fixed to be held during the regularly scheduled City Council meeting at 6:00 p.m., on June 3, 2014. Those proposed budgets were, more than fifteen days prior to the public hearing, deposited with the Director of Management Services and the City Recorder as a public record where they have remained until this date; and

WHEREAS, on the 3rd day of June, 2014, after due publication of notice at least seven days prior thereto, the Council adopted the tentative budget, and set the public hearing for the final budget on June 17, 2014; and

WHEREAS, on June 17, 2014, the Council adjusted the proposed or tentative budget by the adjustments detailed in Schedule "A" attached hereto; and

WHEREAS, the adopted budget contains an appropriation amount within the Non-Departmental Account within the General Fund for adjustment of anticipated property tax revenues to conform to the Weber County Clerk/Auditor's projection at the current certified tax rate; and

WHEREAS, capital project balances and City-wide encumbrances will not be known until the financial records are closed for fiscal year 2014, authority is granted for those amounts to be posted to this budget when determined by the audit of the City's financial records for fiscal year 2014, with a schedule of such action provided to the City Council in a City Council meeting; and

WHEREAS, any balance in the business recruitment account shall become a reservation fund balance and carry over into the next fiscal year.

NOW, THEREFORE, the Council of Ogden City hereby ordains:

SECTION 1. The budget aforesaid, consisting of the Operating Budget, Capital Improvements Budget, Enterprise Funds Budget, Internal Service Funds Budget, Grant and Donations Fund Budget, and the personnel schedules ("staffing document") authorizing the number of full-time employment positions for each department including certain Non-Merit, Special employee

positions, as said budget and schedules are adjusted as depicted in Schedule "A" (including Schedule A-1) and Schedule "B" and also consisting of the Council's budget overview, budget guidelines, budget goals, and funding highlights as provided in Schedule "C" attached hereto and incorporated by reference, is hereby adopted and made the official budget of Ogden City for the fiscal year of July 1, 2014, through and including June 30, 2015.

SECTION 2. This Ordinance shall take effect immediately upon its adoption and deposit with the City Recorder, who shall forthwith certify a copy thereof to the Director of Management Services.

PASSED, ADOPTED AND ORDERED POSTED by the Council of Ogden City this 17th day of June, 2014.

Ogden City Council Budget Overview

Fiscal Year 2015—Adopted June 17, 2014

Message From Chair Richard A. Hyer

Each year the budget process allows the City Council to perform its legislative role to adopt the Ogden City, Redevelopment Agency and Municipal Building Authority budgets.

As part of the Fiscal Year 2015 budget process the Council participated in ten work session discussions and two City Council meetings that provided opportunity for public input on the budget.

The budget authorizes the many services provided by the City. Discussions focused primarily on City employees, services and infrastructure, public safety, community planning, parks and recreation and economic development. All of these items have been addressed in the final budget.

We appreciate the efforts of City staff to allow this

process to run so smoothly. This was a product of collaboration between the Council and Administration.

Significant Changes From The Previous Year

Personnel

Providing a 1% Cost of Living increase for all City employees and allocating 3% for distribution based on merit; covering new additions to retirement costs and increases incurred by Health Savings Account (HSA) plans.

Benchmarking was completed for all positions with a minor increase to one position. There were 10 reclassifications, 4 title changes and 3 additional positions.

Revenue

New growth is anticipated to bring approximately \$425,000 in additional property tax revenue.

Planning Department review fees for new development have increased to better reflect associated administrative costs.

No City property or sales tax increases were considered.

Public Services

Consumer Price Index (CPI) increases of 1.6% for water, refuse, sewer and storm sewer fees, as well as a 3.5% water rate increase as outlined by the utility rate study completed in 2012.

FY2015 Budget Breakdown

The budget includes approved expenditures, modifications to city services and anticipated revenue amounts.

The figures to the right depict a percentage breakdown of general fund revenues and expenditures.

General Fund Revenues

■ Sales Tax (28%)
■ Property Tax (21%)
■ Franchise Tax (15%)
■ Other (13%)
■ Charges for Services (9%)
■ Penalties, Fines & Forfeitures (5%)
■ Road Funds (5%)
■ Licenses & Permits (4%)

General Fund Expenditures

■ Police (34%)
■ Public Services (18%)
■ Fire (13%)
■ Non-departmental (9%)
■ Management Services (8%)
■ Community & Economic Dev. (7%)
■ Debt Service (4%)
■ Attorney (2%)
■ City Council (2%)
■ Transfers to Other Funds (2%)
■ Mayor (1%)

City Employees

The approved budget provides for the City to staff 581 full-time positions. All positions have been benchmarked with other cities for the fifth consecutive year.

Full-time employees will receive a 1% Cost of Living Adjustment (COLA) in addition to up to a 3% increase based on merit. This will help to ensure the retention of highly-skilled employees and allow the City to maintain the high level of services provided to our residents.

Three new full-time positions have been approved in the budget. The first new position will focus on providing marketing and communication services for the

Administration. The second will focus on water conservation and provide information regarding water-wise landscaping and other options to help mitigate water and sewer utility costs. The third will serve as a police sergeant.

"We appreciate the diligent efforts of City employees to provide such a high-level of services to our residents. I am thrilled that we now have a new resource for residents to learn about sustainable uses of our water resources."

*Council Vice Chair
Caitlin K. Gochnour*

General Operations and Services

Each year the Council reviews service levels and programs. Fiscal prudence and economic growth have allowed for most services to be maintained at existing levels.

Planning fees for the review of land use applications have been increased to better reflect service costs and to align with benchmark comparisons.

Council Initiatives

The budget includes funding for visioning, brand identification and website development. These initiatives will allow the City to establish a strategic communications and branding plan and to streamline messaging to more effectively communicate with residents, businesses, community partners and visitors.

The Council desires to receive input regarding issues that matter most to residents. A city-wide survey will be completed to gather input about how to better serve the needs of residents.

This data will be used to gather topics for benchmarking and the development of comprehensive City goals.

"Conducting a resident survey will provide the necessary metrics to help us to establish long-term objectives that consider and address the needs of our residents."

*Council Member
Marcia L. White*

Council FY2015

Legislative Projects

In an effort to set direction we have identified legislative projects for the upcoming fiscal year (FY2015). We look forward to significant progress as we focus on these specific actions.

- Adopt a "smoking in public spaces" policy
- Complete the recreation master plan
- Continue the development of a transit system plan
- Continue the "College Town" initiative
- Create an open space lands and hillside protection program
- Develop policy regarding free speech and pan-handling
- Establish sustainability goals
- Conduct a City-wide citizen survey
- Develop policy to address predatory towing

Public Safety

The safety of our residents continues to be an important priority for the Council. Our firefighters and police officers spend countless hours each year working to protect residents and increase public safety.

Funding has been provided to allow for the much needed replacement of Fire Station 3. In addition, the budget provides resources to the Police Department for continued crime reduction efforts.

“The safety of our residents is always an utmost concern. It is vital that we maintain our equipment and facilities to ensure that we are able to provide timely and appropriate responses in emergency situations.”

Council Member Neil K. Garner

Recreation

Funding has been provided for the continuation of existing recreation programs. New restrooms will be added at El Monte Golf Course, a pump station will be replaced at Mt. Ogden Golf Course and improvements will be made at Liberty Park.

The Council will also continue to work with Public Services, Weber State University, Weber County, Ogden School District, and surrounding cities to develop a countywide recreation master plan.

City Facilities

An assessment of all city-owned facilities has been completed in order to identify maintenance and improvement needs. The identified improvements will incrementally be addressed as resources become available. The City is now working with Union Station Foundation to address the renovation of Union Station.

“I am very encouraged that we are pursuing options to restore Union Station. This irreplaceable structure showcases Ogden’s rich history in the heart of our downtown. It is essential that this landmark be preserved.”

Council Member Amy L. Wicks

Sidewalks, Roadways and Bikeways

There are many road and sidewalk improvements planned for completion over the next year.

The Grant Avenue Promenade project is now underway to allow our community to enjoy a pedestrian and bicycle friendly corridor in the downtown. This project provides a link from Historic 25th Street to the Ogden River.

Efforts are also underway to complete a bicycle master plan. This will include the consideration of additional bike lanes and options to improve

the overall safety of cyclists throughout the city.

“It is critical that we provide safe access for pedestrian, bicycle, and street travel. The efforts to make improvements throughout the community are appreciated, especially as we continue to focus on sidewalks near our schools.”

Council Member Bart E. Blair

Economic Development

The Council will continue to focus on the development and redevelopment of our City to help maintain economic stability.

Economic development is an ongoing effort. The challenge is and will continue to be selecting the best way to allocate scarce City resources to accomplish the most good.

The City is continuing its work with Utah Transit Authority (UTA) and other stakeholders on an Ogden transit project study. An extensive public process has been planned to engage our residents.

The City has been proactive in its continued partnership with Weber State University. A joint charter was adopted on October 1, 2013, to solidify this partnership and coordinated efforts.

“Weber State is an incredible asset in our community. I am grateful for this continued partnership and look forward to working with the university to engage residents in our joint efforts.”

Council Member Doug Stephens

Budget Guidelines

Fiscal Year 2015—Adopted June 17, 2014

Each year the City Council establishes “budget guidelines” to assist in the development, review and approval of the budget. These guidelines provide direction and are policy of the City in these specific areas.

1. Arts. The City Council supports the arts through grants. The Ogden Arts Advisory Committee receives and reviews written proposals, recommends the distribution of funds, and follows up on how these funds were used. Recipients of the grants are encouraged to have matching funds from other sources, e.g., Utah Arts Council.

2. Budget Development. All ordinances, resolutions, fee studies, other studies, and supporting documentation will accompany the proposed budget for consideration during the budget process. The budget is submitted by the Mayor each year on the first Tuesday of May. The quantity of documentation, explanation and detail will be commensurate with the size, scope or complexity of each proposal.

3. Budget Transfers from Salaries and Benefits. In keeping with the intent of the pay-for performance system, the Council desires that all salaries and benefits are spent for this purpose and to receive notice of all budget transfers from salaries and benefits within 15 days of the actual transfer of funds. The notice is to include the dollar amount being transferred, where it is being transferred to, and for what purpose.

4. Business Depot Ogden. An annual report will be provided by February 15th which includes an overview of the Business Depot Ogden (BDO) projects, activities and overall direction. An addendum to the Capital Improvements Project Quarterly Report will be provided that reflects the activity of the funds budgeted for capital improvements at BDO. The proposed list of projects is to accompany the budget annually.

5. Capital Improvement Plan. The Capital Improvement Plan (CIP) is to be submitted for Council review no later than November 1 of each year. The Mayor's priorities are to be submitted by November 1 as well. The Planning Commission's recommendations are to be provided to the Council within 45 days (December 15th) after the CIP is submitted to the Council. The Council expects to adopt the CIP by March 31 each year.

6. Sidewalk Replacement Program. New school sidewalks are the focus for project funding. Repairs of existing sidewalk are also a priority. Recommendations for projects are to be submitted to the Council on an annual basis with the proposed budget.

7. Consolidated Plan and Annual Action Plan. The consolidated plan will be reviewed and adopted every five years and the action plans annually. Specific annual action plan elements may be identified as requiring Council review and approval prior to the expenditure of funds. The next consolidated plan will be developed in 2015.

The Council supports the efforts of the Business Information Center (BIC) in encouraging entrepreneurial efforts. Reports will be provided with the budget annually regarding not only the BIC's efforts, but also the efforts of non-profit organizations providing financial assistance to small businesses in the City.

8. Cops in Schools. The City Council supports the partnership with the Ogden School District with the Cops in School program. The designated officers will help teachers, parents, students, and the community as resource officers. The City has committed to funding a significant portion of these positions.

9. Council Notification. All significant changes to City programs and services that impact City employees, citizens or businesses (e.g., new programs, changes in level of service to existing programs or services, City events, contracting out of City Services, reorganizations, layoffs, reductions in force, etc.) will be communicated to the Council via Council Leadership or the Council Executive Director at least ninety (90) days prior to implementation or amendment to allow for adequate time for the Council's review and public process.

10. Crime Reduction Initiative. A report regarding the efforts of the Crime Reduction Unit is to be provided annually as part of the budget process.

11. Emergency Preparedness. The Fire Department annually provides the Council with updated information regarding the Emergency Preparedness Plan in October.

12. Enterprise and Special Revenue Funds. Enterprise funds will pay their own way. Any enterprise fund that does not pay its own way will be carefully reviewed and appropriate actions considered. Quarterly financial updates are to be provided to the Council on each enterprise and special revenue fund.

13. Fee Changes. Proposed fee changes are to be adopted as part of the budget review process. The City Financial Principles related to fees are to be followed. The Council recognizes that some fees are impacted by the calendar year, by seasonal activity, or by the calendars or scheduling constraints of other government agencies or businesses and that certain fees may need to be amended during the fiscal year and cannot be amended with the annual budget process. Mid-year fee increase requests are due October 1 accompanied by sufficient rationale and justification. Fees to be implemented in January (excluding utilities) will be considered at that time by the Council if all applicable information is received.

Utility Fees. The recommendations of the 2012 Utility Rate Study, also known as the Comprehensive Financial Sustainability Plan are to be followed. A review of the proposed changes included in the Utility Rate Study will be performed in a joint effort beginning in November each year. Fee changes that are submitted without a detailed analysis will not be considered by the Council.

Building Permit Fees. The City's building permit fees are to be evaluated on a biennial basis beginning with the FY2016 budget process.

14. Fleet Business Plan. The Fleet Division Business Plan will be reviewed annually. The updated Fleet business plan is to be provided at the beginning of the budget process each year.

15. Foundations. Contracts with the various Foundations operating City facilities will be monitored to ensure that management of the operations is consistent with the terms of the Agreement. The Council will meet with representatives of the Foundations annually to discuss short-term and long-term goals for the respective operations. The Foundations include Dinosaur Park, Union Station, Marshall White, Wildlife Rehabilitation Center, Ogden Pioneer Days and Get Out and Live (GOAL).

16. Grant Reporting and Monitoring. Grants are evaluated annually including grants received, the amount and source of City match if applicable, grants being applied that will require a City match, and the expected date of award. The "Annual Grants Report" is to be provided to the Council in January each year with a work session discussion to follow in February.

17. Policy Development. The City Council will consider major policy issues during the fiscal year rather than during the budgetary process. This allows time to explore the details of the policy recommendations and options, and estimate the impacts of the proposed decision(s).

18. RAMP Tax Projects. All proposed Ogden City Projects to be submitted by application for RAMP funding are prioritized via resolution by the City Council in December of each year prior to submission to Weber County in January. Early Council involvement in the City's process is important and provides the opportunity for input on potential RAMP projects. The Council will provide input to the Administration each year in August and prior to submission of the applications as appropriate.

19. Revenue Forecasts. Revenue forecasts are to include the rationale and assumptions made for each of the significant revenue sources forecast in each proposed budget.

20. Recycling Education Program. The effectiveness of the City's recycling education program will be reviewed annually. An annual report will be provided to the Council as part of the budget process detailing the program, information showing the impact of the program, and the use of the funds appropriated for this purpose.

21. Roadway Reconstruction Projects. Roadway reconstruction projects that are B&C fund eligible are reviewed and approved annually. Recommendations for eligible projects are to be submitted to the Council with the proposed budget annually.

22. Tourism and Marketing. Transient Room Tax (Hotel Tax). Tax revenues collected from the Transient Room Tax will be restricted to a special revenue fund known as "Tourism and Marketing Fund." Expenditures from the fund are limited to 'return to retained earnings' unless otherwise approved by the City Council.

The Council will monitor the Ogden Weber Convention and Visitors Bureau contract to ensure compliance with the Agreement authorized by the Council on June 7, 2011, which provides the CVB with 30% of the Transient Room Tax to promote Ogden City as a destination.

23. Utility Fee Indexing. The calendar 4th quarter consumer price index from Wells Fargo Bank will be used to determine annual increases in utility rates. The measure to be used will be the percentage increase of the index for January in the year in which the budget is prepared over the index for January of the prior year or the most recent available. The Council must review and approve or deny the ordinance that increases the fees associated with this indexing.

24. Water Conservation Education Program. Pursuant to Joint Resolution 2012-3, educational or other programs designed to encourage the conservation and reasonable use of culinary water without waste will be pursued. An annual report will be provided to the Council as part of the budget process detailing such programs and the use of the funds appropriated for this purpose.

Redevelopment Agency Board (RDA)

Budget Guidelines

Reports. Quarterly, annual, and periodic reports are to be provided as defined by the Board. The reports shall cover the following:

- Periodic Reports
 - Information on Projects of specific interest to the Board
- Quarterly Reports
 - Major projects
 - Status and progress for all projects
 - Financial position of each Project Area
- Annual Report
 - Accomplishments
 - Financial position of each Project Area (audited)
 - Budget to actual comparisons for each Project Area

Periodic Reports: The details of the periodic reports, as well will depend on the complexity of the specific project. The details and reporting frequency will be determined by the Board, with input from the Administration.

Quarterly Reports: The quarterly reports regarding the status and progress for all open RDA projects are to include only information that update the Board regarding progress or challenges for the past quarter. The first time a project appears in the report, additional background information should be provided pertaining to the steps leading up to the establishment of the project.

Annual Report: The Annual Report shall cover information for the prior fiscal year and shall include audited financial information. The annual report shall be presented at the Annual Meeting held in January.

Financial Tracking of RDA Areas and Projects. The financial progress of each major RDA project within each RDA Area will be monitored. Summary reports will be submitted every April 1 and October 1. The Administration will provide information regarding all new projects as such projects are proposed.

All reports should include the approved sources and proposed uses of funds to be expended (RDA and City).

Budget Goals

Fiscal Year 2015—Adopted June 17, 2014

Budget goals are established annually by the City Council. Implementation of the adopted budget is contingent upon accomplishing these goals. For FY2015 it is the intent of the Council to accomplish the following budget goals.

1. Transit Project. To determine the feasibility of running a transit system from the Intermodal Hub to Weber State University and McKay Dee Hospital as approved in Joint Resolution 2013-10.

2. Clean Air Initiative. To continue "Idle Free Week" in January as part of the City's efforts to promote public awareness of the impacts of unnecessary vehicle emissions on air quality. Opportunities to expand the City's Clean Air Initiative will be considered throughout the year.

3. Dinosaur Park Fees. To review a proposal to amend the fee structure for the George S. Eccles Dinosaur Park with the FY2015 mid-year fee amendments in an effort to address revenue shortfalls.

4. Fleet Management. To support the Administration's ongoing efforts to improve the City's fleet. The Council also continues to encourage the transition to more fuel efficient vehicles where practical and cost-effective.

5. Curbside Green Waste Recycling. To continue to explore the possibility of providing curbside green waste recycling services to citizens in FY2015.

6. Youth Recreation. To subsidize youth recreation programs in order to keep these programs affordable to Ogden's youth. All children should be encouraged to participate in youth sports and other recreational activities that promote a healthy lifestyle.

7. Walkability/Sidewalk Replacement Program. To promote healthy lifestyles and safe, convenient

access to recreation and services. The Council encourages citizens to take advantage of the 50/50 sidewalk replacement program and will explore options for significantly increasing funding for the Sidewalk Replacement Program to address issues with the City's aging concrete infrastructure.

8. Infrastructure. To continue to address the infrastructure needs of the City through infrastructure master plans and funding to address general needs and ongoing maintenance. The Council will review master plans that are developed on a citywide basis in the future for sanitary sewer, storm sewer (condition), transportation/streets, street lighting/streetscape and curb/gutter/sidewalk.

9. Recreation Master Plans. To complete the City's recreation master plan to help improve, strengthen and enhance the City's broad range of recreation programs and facilities. This supports a countywide collaboration to develop a regional recreation master plan that identifies all available recreational resources and ways residents may benefit from them.

10. Open Space Preservation. To establish policies for the preservation of open space and to explore options for identifying a funding source for the acquisition and maintenance of open space.

11. Grant Avenue Promenade. To support expansion and completion of the Grant Promenade CIP Project from the River to 25th Street. This project will provide a critical link from Historic 25th Street to the Ogden River.

12. Union Station: To support the Union Station Foundations' efforts to raise private funds to renovate Union Station and surrounding properties to create a world-class home for the Railroad, Browning, and Cowboy museums.

13. Visioning and Rebranding Efforts: To complete the rebranding efforts to create a unified City vision, logo, and website, etc., that reflects the goals, objectives and vision of the City.

14. Code Enforcement: To support the Administration's efforts to increase the efficiency and effectiveness of collections on code enforcement violations. The Administration is implementing improvements to billing and will provide a progress report to the Council in March 2015.

15. Percent for Arts Program: To adopt amendments to the Percent for Arts Program that refocuses the efforts of the Arts Capital Improvement Program. The amendments will align with the updated arts master plan and the ongoing efforts to increase Ogden's statewide, national, and international stature. A joint visioning process will also take place in conjunction with updates to the arts master plan.

Funding Highlights

Fiscal Year 2015—Adopted June 17, 2014

Redevelopment

The RDA Board has appropriated \$18.7 million in redevelopment projects distributed throughout the 22 districts. This is a \$3.8 million reduction due to changes in accounting practices.

Economic Development

A total of \$12.4 million has been appropriated for economic development purposes which includes planning, community development, building services, business development, arts and events, the airport, and the majority of Federal and State funds received by the City.

Police, Fire and Medical Services

The City Council has appropriated \$35.3 million for all of the services provided by our Police and Fire Departments. This is a \$2.8 million increase primarily due to the \$2.6 million for the construction of Fire Station #3.

Public Services

Public Services includes a number of services including the water, sewer and refuse utilities, parks, golf, recreation, street maintenance, and engineering. The total budget is \$58.5 million which is a 12% decrease due to several water construction projects were completed.

Capital Improvement Projects

A total of \$18 million is appropriated for capital improvement projects in the following funds: Water Utility, Sewer Utility, Airport, Business Depot Ogden and general capital which includes roads and parks.

RESOLUTION NO. 2014-15

RESOLUTION OF THE OGDEN CITY COUNCIL DETERMINING THE GENERAL CITY CERTIFIED TAX RATE FOR FISCAL YEAR 2014-2015.

IT IS HEREBY RESOLVED by the Council of Ogden City, pursuant to the provisions of Section 59-2-912 and 59-2-913, Utah Code Annotated 1952, as amended, and the FY 2014-2015 Ogden City Budget adopted thereunder, as follows:

- A. That the certified tax rate for the fiscal year 2014-2015 is hereby determined, and the said taxes are levied for general operation purposes at 0.002618, for debt service at 0.000749 for a total levy of 0.003367; and
- B. That the Finance Manager of Ogden City be authorized and directed forthwith to certify the rate and levy of taxes for Ogden City purposes, as aforesaid, to the County Auditor of Weber County, Utah.

PASSED AND ADOPTED by the Council of Ogden City this 1st day of July, 2014.

CHAIR

ATTEST:

City Recorder

APPROVED AS TO FORM: MAB 6/13/14
LEGAL DATE

CERTIFICATION

I, Tracy Hansen, the duly appointed and acting City Recorder, in and for the City of Ogden, Weber County, State of Utah, do hereby certify that the foregoing document, namely:

Resolution # 2014-15 - Resolution of the Ogden City Council determining General City Certified Tax Rate for the Fiscal Year 2014-2015.

is a copy of the original on file in the office of the Ogden City Recorder.

IN WITNESS WHEREOF, I have hereunto set my hand and the official seal of Ogden City, this 1st day of July, 2014.

TRACY HANSEN, CITY RECORDER

May 1, 2014

Members of the Ogden City Council

RE: Proposed FY 2014-2015 Budget

Please accept for review and discussion the Mayor's recommended FY 2014-2015 budget. This budget has been prepared through the cooperative efforts of City Administration, Department Directors, and Staff. It takes countless hours to collect, analyze and prepare the information required for such a document and I am pleased with the results.

While economic experts remain cautious, there is also optimism in looking toward the economic outlook of the next fiscal year. James E. Glassman of J.P. Morgan believes "the general feeling is that the US economy is in good shape and the outlook for 2014 is decent." (Feb 10, 2014, 10:31 AM IST | Source: CNBC-TV18). Mark Zandi also supports this optimism from comments made in March of this year stating, "preconditions are in place for a much stronger U.S. economy in 2014."

Locally, however, the City of Ogden continues to struggle with unemployment, poverty, and limited revenue generating opportunities. While it takes time to overcome these types of challenges, Ogden City is making progress as demonstrated with the designation by Forbes of 16th in the U.S. for business and careers and 8th in the nation for best city to raise a family. Forbes also ranked Ogden as one of the 20 fastest growing cities in America for the 3rd consecutive year. We are proud of these accomplishments!

The General Fund budget is projected to increase 1.87% to \$53,814,025 from the FY2014 Council adopted budget. Ogden City Corporation's overall budget is projected to increase 1.04% from \$178,207,075 to \$180,056,325.

Budget Comparison

	FY 2014 Council Adopted	FY 2015 Mayor/CAO Rec	\$ Change	% Change
General Fund	\$ 52,825,700	\$ 53,814,025	\$ 988,325	1.87%
Ogden City Corp Total	155,124,925	160,768,075	5,643,150	3.64%
Redevelopment Agency	22,537,350	18,743,500	(3,793,850)	-16.83%
Building Authority	544,800	544,750	(50)	-0.01%
Total Municipal Budget	\$ 178,207,075	\$ 180,056,325	\$ 1,849,250	1.04%

The Redevelopment Agency is projected to decrease 16.83% to \$18,743,500. This decrease is due to a more conservative budgeting philosophy based on historical information. The projected budget for the Municipal Building Authority will decrease by .01% to \$544,750.

BUDGET PRIORITIES

Employee Compensation

A top priority of the fiscal year 2014-2015 budget is to fund compensation increases for City employees. We genuinely appreciate the important contributions employees make to the City. With that in mind, the proposed budget includes a 1% pay adjustment for all employees and 3% to be distributed based on merit. The budget also includes Utah Retirement System mandated increases and increased medical benefit costs of 3.7%.

Capital Improvements

Improving the infrastructure of any community is always a top priority and Ogden City is no different. While there is never enough funding to complete every needed capital improvement project, the Administration has worked very hard to propose the most efficient use of capital improvement dollars. A few projects included for consideration are: intersection improvements at 2nd and Harrison, replacement of Fire Station #3, and the repair of Valley Slide Drive. A complete list of proposed projects is included in the budget document.

REVENUE

General Philosophy

Revenue growth is vital in an effort to maintain current service levels offered to our citizens now and in the future. Economic development and revenue growth starts with a plan and is a process that can take many years before the fruits of the effort can be seen, and sometimes even longer to have an effect on the funds available for general purposes. As in the past and going forward, it is our goal to invest one-time funds into projects that will provide long-term on-going revenue streams to the City with the shortest payback period possible.

	FY 2014	FY 2015		
	<u>Council Adopted</u>	<u>Mayor/CAO Rec</u>	<u>\$ Change</u>	<u>% Change</u>
Property Tax	\$ 8,005,000	\$ 8,429,175	\$ 424,175	5.30%
Sales Tax	\$ 14,405,300	\$ 14,909,475	\$ 504,175	3.50%
Franchise Tax	\$ 6,521,375	\$ 6,847,450	\$ 326,075	5.00%
Telecommunications	\$ 1,450,000	\$ 1,350,000	\$ (100,000)	-6.90%
Licenses and Permits	\$ 1,975,775	\$ 2,173,500	\$ 197,725	10.01%
Court Fines and Forfeitures	\$ 2,200,000	\$ 2,000,000	\$ (200,000)	-9.09%

The City continues to advocate the viewpoint of requiring, where possible, users of city services to pay for those services. To that end, the revenue enhancements proposed in the FY 2014-2015 budget are focused on maintaining general tax rates and requiring users to pay the cost of new services or disproportionate use of city services.

Taxes

City Administration recommends no increase to the Certified Tax Rate. This tax rate has not been increased by Ogden City for fifteen years. The budget does however project an increase of approximately 5.30% additional property tax revenue based on new growth in property and personal property collections. While it is important to not over burden tax payers, it is also difficult to continue to provide City services, such as police and fire without additional property tax revenue.

The City is projecting a conservative 3.5% increase in sales tax growth. This rate of growth is based on previous year collections and a slowly improving economic outlook.

Grant Revenue

Due to the volatility of grants, especially those received by the police department, very little miscellaneous grant funding was projected in the tentative budget. Any grant funding received during fiscal year 2014-2015 will be brought before the council through the budget opening process to be officially recognized.

EXPENDITURES

General Philosophy

In developing the FY 2014-2015 budget, the FY2014 budget was used as the foundation. The majority of proposed expense increases were directed to employee compensation and benefits. The City Revenue Committee continues to meet monthly and will recommend any changes based on ongoing revenue collection information.

Staffing Changes

There are no new full-time positions proposed in the fiscal year 2014-2015 budget, however a police sergeant position has been added while a police officer position has been eliminated. Also proposed are ten position reclassifications, three title changes, and one position was benchmarked to a higher range. Additionally the Fiscal Operations Manager position is proposed to be eliminated.

Fee Increases

The FY2014-2015 budget includes CPI based fee adjustments for Water, Sanitary Sewer, Storm Sewer, and Refuse. Of a more significant nature, water fees will also be increased by 3.5% in accordance with the rate study to ensure needed infrastructure improvements can be made. Also, basic development fees will be increased to cover costs of providing services.

SUMMARY

This letter is intended to emphasize the notable highlights of the proposed fiscal year 2014-2015 budget. The budget document also includes a schedule that identifies significant changes from the previous fiscal year. It is our goal that all submitted budget materials will assist the City Council as they review, deliberate and make important budget related decisions.

Please know this budget is a product of the diligent efforts of Ogden City employees and management team. I sincerely appreciate the services these individuals provide to the residents of our fine City.

I and the City administration look forward to working together with the Council on this tentative budget.

Respectfully,

Mike Caldwell

**FISCAL YEAR 2014-2015
ADOPTED BUDGET**

SIGNIFICANT CHANGES IN OPERATIONS OR PERSONNEL

The discussion of items below is limited to those for which there is a proposed change in programs or processes. Any changes resulting from increased activity or level of performance are not commented on in this narrative.

GENERAL CITY

EMPLOYEE COMPENSATION & BENEFITS

Compensation

The FY 2014-2015 budget includes a 1% COLA for all employees and 3% to be distributed based on merit. The total cost is \$1,164,504. Benchmarking was completed again this year, but there were only minor changes which resulted in an overall cost of \$1,229.

Benefits

Retirement costs increased by \$327,925 city-wide, as determined by the Utah State Retirement office. The City covers all additional retirement costs for employees, except as outlined by an agreement with the City's Fire Department. The agreement calls for payments into a separate retirement program for firefighters if there is a differential between the capped percentage over the State contribution rate. This year the State contribution rate was higher than the capped percentage for Tier I Firefighters, but still less for Tier II Firefighters.

The City's health insurance provider continues to be Select-Health and insurance costs are expected to increase overall by 3.7%. Small increases incurred by the Health Savings Account (HSA) Plans will be covered by the City, however increased costs of the more expensive traditional plan will be paid by employees through higher premiums.

GENERAL FUND

REVENUE

Taxes

The City is not planning to increase property taxes, however it is anticipated that new growth will generate approximately \$425,000 additional revenue.

Sales tax revenue is funded by a 1% tax on goods sold within the community. The tax is collected by the Utah State Tax Commission and distributed to local entities according to a formula. The current distribution formula allows for 50% of locally collected tax to be remitted to the entity in which it is collected and the other 50% is distributed based on population of the entity. The fiscal year 2014-2015 budget projects a 3.5% increase in sales tax revenue.

Franchise tax revenue is expected to increase by 5% while the Telecommunications tax is expected to decrease by 6.9%.

The allocations to Municipal Operations and the Enterprise Administrative Share under Charges for Services are projected to increase 5.93% and 16.35% respectively. Growth is due to CPI and rate adjustments to revenue rates of the applicable funds.

Licenses and Permits

Building Permit collections are expected to increase by 28.57% due to expected growth. Other license fees are not expected to change significantly.

Intergovernmental

This revenue category includes Class B & C Road funds, various public safety type grants and programs as well as county provided service revenue. Police Federal Grants will decrease by 100% over the last fiscal year due to the expiration of a grant. The Narcotics Strike Force funding is anticipated to increase by \$25,000 and funding for Police Overtime Reimbursement is expected to increase by \$50,000 based on historical data. Other grants and County revenue funding will fluctuate slightly or remain flat and will be adjusted during the fiscal year as needed. Class B & C Road funds anticipate a 4% increase.

Charges for Services

Major adjustments within administrative related charges include a \$50,000 increase in New Development fees based on an updated fee schedule and growth. Promotion Assistance funding of \$100,000 has been discontinued. Other changes within this category are minor and reflect updates based on actual collection history.

Recreation related revenue accounts have been adjusted to reflect amounts historically collected. The adjustments collectively total a \$6,250 decrease.

Miscellaneous charges remained consistent with projections in the FY 2013-2014 budget.

Court Fines and Forfeitures

This particular budget was reduced by \$200,000 due to an analysis of the collection history and realistic revenue projections.

Parking citation revenue and civil citation revenue are expected to decrease by \$50,000 and \$35,000 respectively. These changes are based on historical data.

Miscellaneous Revenue

Revenue relative to the Downtown Ogden Stadium has been reduced by \$25,000 due to actual collections, while Cell Tower Revenue should increase by \$20,000.

Administrative Revenue from the RDA remains neutral for this budget cycle, and will be reduced as required in the future.

Transfers and Beginning Fund Balance were adjusted to reflect recommended budget changes.

EXPENDITURES

General Expenditure Information

The 1% pay adjustment and the 3% merit for compensation funding are included in each department budget.

Benchmarking changes as well as retirement rate changes and insurance cost changes have been included in compensation and benefit accounts.

Cell phone stipend funding has been moved from departmental wireless accounts to a benefit line item to allow for improved future budgeting and tracking.

All General Fund IT data processing and GIS charges have been moved from departmental accounts to the Non-Departmental account at the recommendation of the IT Management Study performed in the current year.

Mayor

The net change of the Mayor's fiscal year 2014-2015 budget is an increase of \$925. This difference is due to the compensation adjustments mentioned above, offset by the elimination of IT charges.

City Council

The net change of the Council's fiscal year 2014-2015 budget is an increase of \$84,250. This increase is due in large measure to the "Council Planning Funding" of \$60,000 being included in their line item budget and an additional \$25,000 for a citizen survey. Other changes are due to compensation adjustments and the elimination of IT charges.

Management Services

The net change of the Management Services fiscal year 2014-2015 budget is a decrease of \$202,425. This difference is the net of compensation adjustments, the elimination of IT charges, and the consolidation of the Fiscal Operations and Finance Manager positions as a result of the retirement of the Fiscal Operations Manager.

City Attorney

The net change of the City Attorney fiscal year 2014-2015 budget is an increase of \$13,325. This budget increase is due to compensation adjustments and additional funding for supplies, partially offset by the elimination of IT charges.

Non-Departmental

The net change of the City Non-Departmental budget, which is comprised of general City expenditures not reflected in other General Fund budgets, is an increase of \$1,518,150.

Specific adjustments include an increase in the amount of the transfer to the Airport and a decrease in the amount of the transfer to the Golf Funds which are representative of the agreement to cover anticipated current year's deficits as well as any cash shortages from the two years prior. These two amounts will fluctuate yearly depending on prior operating and cash situations.

The net increase in transfers to the Road Funds is to assist in use of B & C Road funds for CIP projects.

This account also includes a \$10,000 contribution to the YMCA, an additional \$5,000 for arts program support, \$5,000 to fund planters for the downtown, as well as a \$20,000 contribution to IT Channel 17. There is also an increased Chamber Membership of \$1,000 for the city council's seat on the Chamber Board of Governors. Additionally, the contingency account was reduced by \$50,000 and \$22,950 has been included in the return to fund balance line item.

IT data processing and GIS charges have been moved from departmental accounts to Non-Departmental as explained previously.

Debt Service accounts will be adjusted to meet the upcoming year's payment schedules.

Police

The net change of the Police Department fiscal year 2014-2015 budget is an increase of \$129,775.

The increase includes \$45,000 for a camera monitoring system, consolidated SWAT contribution of \$35,000 and additional ODP training of \$15,000. The remainder is due to the compensation adjustments mentioned above, partially offset by the elimination of data processing and GIS charges.

Fire

The net change of the Fire Department fiscal year 2014-2015 budget is an increase \$43,325. This increase includes \$10,000 funding for emergency management equipment. The remainder is due to compensation adjustments, partially offset by the elimination of data processing and GIS charges.

Community & Economic Development (CED)

The net change of the CED fiscal year 2014-2015 budget is a decrease of \$139,525. Significant changes include a \$30,000 increase in funding for downtown promotion. The overall decrease is due to the elimination of IT data processing and GIS charges, partially offset by compensation adjustments and fleet vehicle lease increases.

Public Services

The net change of the Public Services fiscal year 2014-2015 budget is a decrease of \$285,475. Significant changes include an increased Amphitheater line of \$21,400 to match the amount of the contract and additional street light funding of \$25,000. There is a decrease of \$200,000 in B & C road funds—which is due to the increased transfer from Road Funds to CIP. The remaining decrease is due to the elimination of IT charges, partially offset by compensation adjustments and fleet vehicle lease increases.

SPECIAL ASSESSMENT FUNDS

REVENUE

The largest revenue source within this category is \$100,000 from Hotel Tax. This is a decrease of \$10,000 due to expected lower collections.

The Downtown Ogden Assessment was increased from \$106,250 to \$112,500 based on expected collections in the upcoming fiscal year.

Transfers to this account remained the same as last year, however they were consolidated into one account – City Contribution from General Fund.

EXPENDITURES

The expenditure of special assessment funds is for development costs that were fronted by the City through bonding. The debt has been paid off and the revenue now goes to reduce the City's expenditures in the districts.

The allocation of Hotel Tax revenue is to fund community promotion programs. The majority of this appropriation is on a contract basis with extended community program groups. Present allocations are \$30,000 for the GOAL Foundation, \$39,000 for the CVB Transportation Fund, \$70,000 for the Tourist Transportation Program, \$5,000 for the Ogden Pioneer Heritage Fireworks, and \$5,000 sponsorship for the Pioneer Days Cowboy hospitality. The balance is estimated to be provided to the CVB as a 30% distribution of TRT collected, which under the budgeted amount would be \$30,000.

There is no return to fund balance projected.

CAPITAL IMPROVEMENTS FUND

REVENUE

The City has been notified of the receipt of RAMP (Restaurants, Arts, Museum, Parks) grants in the amount of \$304,850. This is \$455,925 lower than initially projected in FY 2013-2014. Additional CIP funding includes \$185,000 from the Utah Department of Transportation (UDOT), \$2,000,000 from the Weber Area Council of Governments (WACOG), \$2,636,100 from the Medical Services Fund for Fire Station #3, \$482,300 from BDO lease revenue and \$400,000 from Class B & C Road Funds. The decrease in BDO lease revenue is due to the use of BDO lease revenue to fund the Grant Avenue Promenade project through a budget opening in FY 2014.

There is no anticipated transfer from the Nicholas Trust or the RDA this budget year.

EXPENDITURES

RAMP funded projects included in the fiscal year 2014-2015 Tentative Budget include enhanced seating at the 4th Street Complex, Pickleball Courts at Monroe Park, the High Adventure Park Pavilion, and enhancements at the 4th Street sand volleyball courts.

Projects funded or partially funded with BDO and B & C Road funds include a parking project on Kiesel between 24th and 25th streets; street reconstruction on 100 Doxey Street; road and infrastructure improvements on Gibson Grove Avenue for the Gibson Grove residential project; curb, gutter, and sidewalk replacement; the repair of Valley Drive; paving of Pacific Boulevard; intersection improvements at 2nd Street & Harrison; general facility improvements; replacement of the pump station at the Mt. Ogden Golf Course; funding for a study to replace the City's financial software; and improvements at Liberty Park.

ENTERPRISE FUNDS

All Utility Funds include wage and benefit adjustments.

WATER UTILITY FUND

REVENUE

Revenue from Operations

The anticipated revenue from water operations is increased by a 1.6% CPI increase, as well as a 3.5% rate increase as outlined by the rate study.

There is an additional use of \$3 million dollars of Retained Earnings to pay for capital projects and operations.

Bond Proceeds

There are no projected proceeds from bonds included in the fiscal year 2014-2015 budget.

EXPENDITURES

The net change of the Water Utility Fund for the fiscal year 2014-2015 budget is a decrease of \$8,889,300.

The Water Division made insignificant changes to various accounts to better match their operations.

A major change in this fund is the Distribution System line item which increased by \$3,038,350 based on the CIP projects proposed in the rate study for FY15 and the decrease in the Treatment System line item of \$13,825,000 for the one-time bond received in FY14.

Budgets for Overhead and In Lieu of Taxes have increased relative to anticipated operational revenue. Depreciation was also increased accordingly.

SEWER UTILITY FUND

REVENUE

Storm Sewer Fees

The anticipated revenue from storm sewer fees is increased by a 1.6% CPI increase.

Sanitary Sewer Fees

The anticipated revenue from sanitary sewer fees is increased by a 1.6% CPI increase.

EXPENDITURES

The net change of the Sewer Utility Fund for the fiscal year 2014-2015 budget is an increase of \$1,100,300.

Storm Sewer

The Public Services Director requested that the Cartegraph expenses be split equally between Water, Sanitary, Storm, and Refuse rather than Water paying the full amount. This resulted in an increase to Sanitary, Storm, and Refuse of \$31,700 annually.

The budgets for Overhead and In Lieu of Taxes increased relative to anticipated operational revenue and the return to retained earnings was increased by \$832,750.

Sanitary Sewer

The main changes in the Sewer Fund relate to CIP and repairs.

The Sanitary Sewer System Repairs operational line item increased by \$66,275 to \$150,000 to match their operational needs. CIP projects in the amount of \$887,600 are proposed in FY15 and the return to retained earnings projection is reduced. No CIP projects for Sewer were included in FY 2014 as the department was working on a capital improvement study.

The Public Services Director requested that the Cartegraph expenses be split equally between Water, Sanitary, Storm, and Refuse rather than Water paying the full amount. This resulted in an increase to Sanitary, Storm, and Refuse of \$31,700 annually.

Budgets for Overhead and In Lieu of Taxes increased relative to anticipated operational revenue. Contract maintenance increased slightly and sewer district charges increased in the amount of \$26,375.

Return to Retained Earnings indicates revenue above operating costs to be accumulated for future capital expenditures.

There are no loans to other funds.

REFUSE FUND

REVENUE

Revenue from Operations

The anticipated revenue from refuse operations is increased by a 1.6% CPI increase.

EXPENDITURES

The net change of the Refuse Utility Fund for the fiscal year 2014-2015 budget is an increase of \$133,500.

The Refuse Fund added \$15,000 to the budget to pay for a rate study and increased their return to retained earnings and data processing line items. The Public Services Director requested that the Cartegraph expenses be split equally between Water, Sanitary, Storm, and Refuse rather than Water paying the full amount. This resulted in an increase to Sanitary, Storm, and Refuse of \$31,700 annually.

The budgets for Overhead and In Lieu of Taxes have increased relative to anticipated operational revenue.

The return to Retained Earnings is the budgeted method of indicating profit from operations.

HINCKLEY AIRPORT FUND

REVENUE

Grant Revenue

Grant revenue has been adjusted to reflect anticipated grant receipts. Any required adjustments will be made throughout the fiscal year through the budget opening process.

Operations Revenue

Tie-down fees are projected to increase by \$1,000, land rental is projected to increase by \$10,000, fuel flowage is expected to increase by \$10,000, security badge fees are expected to increase by \$4,000, while there is no revenue expected from parking. These changes were based on new management recommendations and historical data.

Other Revenue

The use of Retained Earnings and Contribution from the General Fund for Operations accounts represent the agreement to fund current and past negative cash balances.

EXPENDITURES

The net change of the Airport Fund for the fiscal year 2014-2015 budget is an increase of \$432,275.

The Airport accounts were adjusted based on actuals for prior years and necessary operational maintenance and security upgrades.

The Airport has also requested to reclassify several employees, increase the overtime budget, and establish a Public Safety overtime reimbursement.

The largest increase to this fund was an increase of \$310,000 for depreciation based on their fixed assets. These increases to Airport were offset by an increased contribution from General Fund in FY15.

GOLF COURSES FUND

REVENUE

Operations Revenue

Merchandise Sales revenue accounts were reduced based on historical data and management. Tournament fees will be accounted for in line item accounts.

Other Revenue

The Contribution from the General Fund for Operations account represents the agreement to fund current and past negative cash balances.

The golf course fund is also expected to receive \$83,300 from the Municipal RAMP Grant to fund new restrooms at El Monte and \$227,250 for the pump station replacement.

EXPENDITURES

The net change of the Golf Courses Fund for the fiscal year 2014-2015 budget is an increase of \$99,350.

The increases to the Golf Fund are the \$83,300 Municipal RAMP Grant funding for new restrooms at El Monte, and a transfer from the BDO fund to cover the Mt Ogden Irrigation Pump Station Replacement CIP project.

There is also a reduction in the return to retained earnings due to a decreased contribution from the General Fund.

RECREATION ENTERPRISE FUND

REVENUE

Operations Revenue

Operational revenue was adjusted collectively in the amount of a \$125 increase to reflect actual expected collections.

Other Financing Sources

This fund has a Use of Retained Earnings to balance revenue with expenditures. There is sufficient Retained Earnings to cover this budgeted allocation. Generally the fund operates positively so that even in years when there is a budgeted use of Retained Earnings it is usually not needed.

EXPENDITURES

The net change of the Recreation Enterprise Fund for the fiscal year 2014-2015 budget is an increase of \$125.

BDO REUSE FUND

REVENUE

The construction transfer from RDA will increase by \$1.8 million due to the payoff of the RDA bond.

EXPENDITURES

The net change of the BDO Fund for the fiscal year 2014-2015 budget is an increase of \$468,825.

The BDO RDA bond was paid off in FY14 resulting in an increase to the FY15 Construction Transfer from RDA of \$1.8 Million. The retained earnings for FY15 was reduced by \$1,320,000 for the accelerated funding of Grant Ave Promenade in FY14.

The entire funding available from prior years is appropriated to the RDA, General Fund for non-capital projects or to the CIP Fund for capital projects. Adjustments in Transfers to Other Funds reflect proposed CIP projects, funding for Police Overtime associated with special events and fleet.

The Return to Retained Earnings budget represents the anticipated Lease Revenue less any operating expenses retained for allocation in future years.

MEDICAL FUND

REVENUE

Operations Revenue

Paramedic funding from the County and Ambulance revenue amounts are usually adjusted near the beginning of the calendar year. The budgeted amounts for this fiscal year reflect the anticipated revenue.

There is new line item this year in the amount of \$102,250 to account for a new program called Wildland Medical. The fund shows an increased CIP transfer of \$2.6 million to fund the replacement of Fire Station #3.

EXPENDITURES

The net change of the Medical Services Enterprise Fund for the fiscal year 2014-2015 budget is an increase of \$2,738,350, mostly due to a transfer to the CIP fund of \$2,636,100 for the replacement of Fire Station #3.

Medical Services also established a new program called Wildland Medical budgeted at \$102,250.

There is an anticipated operating income again this year and that is budgeted to be returned to Retained Earnings.

INTERNAL SERVICE FUNDS

All Internal Service Funds include wage and benefit adjustments.

FACILITIES/FLEET/STORES FUND

REVENUE

Ongoing revenue accounts have been adjusted to more accurately reflect collections as associated with expenses for each area. These changes include a new methodology for facility funding which is based on an established rate schedule for each facility. Rates are built around historical costs and will be adjusted on an annual basis.

There is a reduction of \$550,000 transferred from BDO to purchase fleet vehicles.

EXPENDITURES

The net change of the Fleet/Facilities/ Stores Fund for the fiscal year 2014-2015 budget is a decrease of \$378,525.

Fleet/Facilities Operations

As an internal services fund the expenditures are representative of the services provided.

Depreciation, fuel and vehicle lease budgets have been adjusted to more accurately reflect required expenditures.

Various line items in Fleet and Facilities were adjusted to match the projected revenue to be received for each area of Fleet and Facilities. These adjustments and the change to allocated facilities billing will result in a \$378,525 decrease in the Fleet and Facilities budget.

Stores

Operational budgets have been adjusted to more accurately reflect spending trends.

INFORMATION TECHNOLOGY FUND

REVENUE

Various line items were changed to better account for budgeted numbers which resulted in a decrease of \$167,335.

EXPENDITURES

The net change of the Information Technology Fund for the fiscal year 2014-2015 budget is a decrease of \$167,225.

Various line items in the IT fund have been adjusted based on an effort to match expenses to revenues. These adjustments result in a net decrease of \$167,225 to the IT budget.

RISK MANAGEMENT FUND

REVENUE

Revenue from Operations

Adjustments to revenue accounts were made to account for additional Worker's Compensation costs.

EXPENDITURES

The net change of the Risk Management Fund for the fiscal year 2014-2015 budget is an increase of \$2,050.

Adjustments to current claims accounts for fund activity, such as unemployment and worker's comp, have been adjusted to reflect current activity. An additional \$51,125 is being returned to retained earnings, which further decreases the fund's negative fund balance.

TRUST FUNDS

Gomer-Nicolas Non-Expendable Trust

No change anticipated from FY 2013-2014.

Cemetery Perpetual Care

No change anticipated from FY 2013-2014.

MISCELLANEOUS GRANTS FUND

Revenue in General

Due to the volatility of grants, no miscellaneous grant funding was projected. Any grant funding received during fiscal year 2014-2015 will be brought before the council through the budget opening process to be officially recognized. The only exception to this philosophy was the recognition of \$6,000 from the Gang Conference Scholarship which is received on a yearly basis.

MAJOR GRANTS FUND

Revenue

This fund is primarily activity associated with Federal programs. The detail of this budget is in line with the Annual Action Plan presented and adopted as a separate Council action. The

general reduction changes in Federal allotment amounts are reflected in the anticipated revenue and related expenditures.

There are two exceptions to this budget matching the Annual Action Plan. The Asset Control Area revenue is a revolving fund and is not included in the Plan. It is a self-funded program.

The other non-Plan revenue is BIC Servicing Revenue. This is revenue generated by the BIC operation to help fund their operation. \$55,000 of this operation is funded by Plan revenue.

The Major Grants Fund increase is primarily due to a new CDBG HUD Section 108 Loan of \$3,215,925. This combined with an overall decrease of grant revenue resulted in a net increase to this fund of \$2,601,125.

FISCAL YEAR 2015 BUDGET SIGNIFICANT CHANGES IN PERSONNEL

NEW, ELIMINATED AND RECLASSIFIED POSITIONS FOR FY 2015

GENERAL FUND

City Council – Policy Analyst reclassified to Deputy Director

Management Services – Sr. Accountant reclassified to Sr. Analyst

Management Services – Fiscal Operations Manager position eliminated

Management Services – Payroll Technician reclassified to new pay range

Management Services – Marketing and Communications Administrator position added

Police – Sergeant position added

Police – Officer position eliminated

Public Services – Engineer reclassified to Principal Engineer

ENTERPRISE FUNDS

Airport Fund – Sr. Office Assistant reclassified to Airport Office Technician

Airport Fund – Maintenance Supervisor reclassified to Airport Maintenance Supervisor

Airport Fund – Maintenance Crew Leader reclassified to Airport Maintenance Crew Leader

Airport Fund – Maintenance Technician reclassified to Airport Maintenance Technician

Water Fund – Sr. Office Assistant reclassified to Administrative Technician

Water Fund – Customer Service Rep. reclassified to Project Technician

Water Fund – Water Conservation Project Coordinator position added

In addition to the above, one position was benchmarked to a new range and there were four title changes.

OGDEN CITY'S BUDGET PROCESS

Ogden City budgets on the modified accrual basis for the Governmental Fund types and Expendable Fiduciary Fund types with the accrual basis for Proprietary and Non-Expendable Fiduciary fund types. The City funds included in each category are presented in the Combined Budget Summary in the Summary Information section of this budget. The process for the Fiscal Year 2014-2015 began in January 2014 with the City's Revenue Committee meeting to determine initial revenue projections for Fiscal Year 2015.

Once initial revenue projections were developed a budget retreat was scheduled in January 2014 with the Mayor and Department Directors to outline the City's goals for the upcoming budget. During the first weeks of February after the budget retreat, the Comptroller's Office continued to meet with the Department Directors and Division Managers to adjust and refine the preliminary budget.

During the months of March and April, the Administration worked on the preliminary budget to establish a balanced budget referred to as the Tentative Budget. At the first part of April, the Mayor supplied the Department of Management Services with final recommended budget adjustments. The Tentative Fiscal Year 2014-2015 Budget is presented to the City Council no later than their first regularly scheduled meeting in May.

The process continues through May 6, 2014 with the presentation of the Mayor's Fiscal Year 2014-2015 Tentative Budget to the City Council. The City Council accepts the Tentative Budget, sets a date for the public hearing, and holds Budget Work Sessions to study the Tentative Budget. At the time the Tentative Budget is presented to the City Council, copies are made available to the general public at various locations throughout the City. Final adoption of the City's Fiscal Year 2014-2015 Budget must be accomplished by June 22, 2014 according to State law.

In addition to a public hearing on the City's budget, the City Council holds Budget Work Sessions to study the Tentative Budget as submitted by the Mayor. During these Budget Work Sessions, held during May, the City Council may request additional information from the Mayor and staff.

The Truth in Taxation law in the State of Utah requires that the County Auditor review any budget that increases the Certified Tax Rate for any entity. Any entity increasing the Certified Tax Rate above the rate calculated by the County must hold a Public Hearing on the matter prior to August 15, 2014. Legal opinions are that this hearing is not directly budget related and that the budget is to be adopted, per State law, by June 22, 2014.

During the year, by State Code, amendments to the City's budget that increase revenues or expenditures must follow the same public hearing and adoption process as the original budget. In line with this regulation, the amendment process is as follows:

Request for amendments to the budget are submitted by the responsible Department Director and/or Division Manager. These requests are submitted on a form provided by the Department of Management Services for that purpose. The requests are evaluated by personnel in the Comptroller Division for accuracy. After verification of data, the Comptroller reviews the requests for compliance with City and legal requirements. Prior to amending the budget, the following approvals are required at the levels indicated:

Director of Management Services—all requests

Mayor or CAO—all requests involving transfers between departments and additions or reductions in fund allocations

City Council—all requests involving transfers between departments and additions or reductions to fund allocations. The City Council takes action to hold public hearings if required.

PRESENTED TO

**Ogden City Corporation
Utah**

For the Fiscal Year Beginning

July 1, 2013

Executive Director

BUDGET FORMAT

INTRODUCTION

Ogden City's Budget is composed of nine major sections. The introductory section contains the Mayor's letter of budget transmittal to the City Council with his "Budget Highlights." These "Budget Highlights" contain a narrative summary of the most important service level/financial condition information regarding the City's various funds and activities.

City Council budget information is provided here as well as ordinances associated with the budget.

This introductory section also includes summary charts depicting the proposed sources and application of City funds for the fiscal year.

SUMMARY INFORMATION

Much of the data presented in the body and fund sections of the budget require summarization on a City-wide basis. Included here are financial schedules dealing with fund balances, revenues, expenditures, and programmatic expenditures.

GENERAL FUND

This section presents information on the accounts of the General Fund. Information concerning anticipated General Fund revenues is provided first. Then expenditure totals are shown with a funding source indicated for each department. Following this summary, the expenditures are shown on a department and division basis. Funding sources and personnel information are included also.

DEBT SERVICE FUNDS

Several improvement districts have been established within the City, which were funded in advance. The funding is to be paid by property taxes assessed on property within the district.

C.I.P. (Capital Improvement Program)

The Capital Improvement Program section, entitled "C.I.P.", contains the City's Capital Improvement Program for the fiscal year. Capital Improvement Projects are general major expenditures of City funds for significant improvements to our City's infrastructure. This section of the budget displays proposed capital improvement projects in four (4) departments:

1. Administration Projects
2. Construction Projects
3. Services Projects
4. Development Projects

BUDGET FORMAT (continued)

ENTERPRISE FUNDS

Enterprise funds are a governmental accounting system in which services provided are financed and operated similar to a private business. The budget presentation groups these individual funds by area of departmental responsibility. As indicated by the detailed presentation, these funds are under the supervision of Public Services, Community and Economic Development or Fire.

INTERNAL SERVICE FUNDS

Internal service funds are used to account for the financing of goods or services provided by one department to other departments on a breakeven or cost reimbursement basis. These funds are also presented by area of responsibility under Management Services.

TRUST FUNDS

Trust funds are used to account for funds provided to the City when use is restricted. One of these funds is used to account for donations and grants that are to be used for specific purposes. Another, the Perpetual Care Fund, provides partial funding for Cemetery operations from a portion of Cemetery lot sales. Also in this category is the expenditure of funds generated from the investment of the Gomer Nicholas Parks Endowment. Expenditure of these funds must meet the guidelines established by the endowment fund.

SCHEDULES

This section includes personnel and staffing schedules. This section also contains salary schedules that relate to the salary costs projection in the budget. These schedules are adopted by separate ordinance.

GENERAL INFORMATION

A glossary is included in this section.

OGDEN CITY FINANCIAL STRUCTURE

FUND ACCOUNTS

The Financial transactions of the City are recorded in individual funds. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is used to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

The City's budget is presented and approved as funds. Fund accounting is the methodology used as the standard for governmental entities. There are two fund types in the Ogden City budget, governmental funds and proprietary funds. Within these two types are classification as shown below, with the name of the budgeted funds within those classifications also noted.

Governmental Fund Types	Governmental funds are defined as those funds that are used to account for tax supported activities	Proprietary funds focus on the determination of operating income, changes in net assets, financial position, and cash flow
	General Fund* Debt Service Funds Downtown Ogden Special Assessment Fund Special Revenue Funds Tourism and Marketing Fund Redevelopment Agency* Municipal Building Authority Fund Capital Projects Funds Capital Improvement Projects Fund Trust Funds Cemetery Perpetual Care Expendable Trust Gomer Nicholas Non-Expendable Trust Misc. Grants & Donations Expendable Trust* Major Grants Expendable Trust*	
Proprietary Fund Types	Enterprise Funds Water Utility* Sewer Utility* Refuse Utility* Airport Golf Courses Recreation Property Management* (BDO Infrastructure) Medical Services*	Internal Service Funds Fleet and Facilities Information Technology Risk Management

*Major Fund

OGDEN CITY FINANCIAL STRUCTURE

BASIS OF BUDGETING

Ogden City budgets on the modified accrual basis for the Governmental Funds. Modified accrual basis accounting focuses on current financial resources so revenues are recognized in the period in which they become available and measurable. Under the modified accrual basis of accounting, expenditures are recognized on a near-cash basis. Ogden City's policy is that accruals in expenditures are made for 45 days after year end. For Proprietary and non-Expendable funds Ogden City budgets on the accrual basis of accounting so revenues are recognized when earned and expenses when incurred, regardless of when cash is received. Ogden City's basis of budgeting and basis of accounting are the same.

DESCRIPTION OF FUNDS

GOVERNMENT FUNDS

THE GENERAL FUND

To account for resources traditionally associated with governments which are not required to be accounted for in another fund.

DOWNTOWN OGDEN SPECIAL ASSESSMENT FUND

A special revenue fund used to account for the special assessment of revenues that are legally restricted to expenditures for the City's promotion of downtown business activities.

TOURISM AND MARKETING FUND

A special revenue fund used to account for the special assessment of revenues that are legally restricted to expenditures for the City's promotion of downtown business activities.

CAPITAL IMPROVEMENT PROJECTS FUND

The Capital Improvement Projects Fund is used to account for financial resources to be used for the construction of major facilities (other than those financed by Proprietary Funds and Trust Funds).

CEMETERY PERPETUAL CARE EXPENDABLE TRUST

To account for monies received on the sale of grave plots which will provide for perpetual upkeep of the graves.

GOMER NICHOLAS NON-EXPENDABLE TRUST

A permanent Fund to account for the interest earnings of this fund and the transfer of these earnings to the Capital Improvement Projects Fund for use in parks development.

MISC. GRANTS & DONATIONS EXPENDABLE TRUST

To account for monies received through grants and donations for a designated purpose.

FINANCIAL STRUCTURE (continued...)

MAJOR GRANTS EXPENDABLE TRUST

To account for the operations associated with the Community Development Block Grant and the Business Income Center (BIC).

REDEVELOPMENT AGENCY

A special revenue fund used to account for the specific revenues that are legally restricted to expenditures for the City's redevelopment activities, including payment of redevelopment agency debt. The budget for the RDA is presented in a separate budget document.

MUNICIPAL BUILDING AUTHORITY FUND

A special revenue fund used to account for the lease revenues that are legally restricted to expenditures for the City's development associated with Municipal Building Authority. The Budget for the MBA is presented in a separate budget document.

PROPRIETARY FUNDS

ENTERPRISE FUNDS

WATER UTILITY

To account for the provision of water to City residents and some residents of Weber County. All activities necessary to provide such services are accounted for in this fund including, but not limited to: operations, maintenance, financing, billing, and collecting.

SEWER UTILITY

To account for the provision of sewer services to City residents and some residents of Weber County. All activities necessary to provide such services are accounted for in this fund including, but not limited to: operations, maintenance, financing, billing, and collecting.

REFUSE UTILITY

To account for the provision of refuse collection and disposal to City residents and some residents of Weber County. All activities necessary to provide such services are accounted for in this fund including, but not limited to: operations, maintenance, financing, billing, and collecting.

AIRPORT

To account for administration, operation and maintenance of the Ogden Hinckley Airport.

GOLF COURSES

To account for the provision of two recreational golf facilities to Ogden City residents and residents of the surrounding areas.

RECREATION

To account for adult and youth recreational programs administered by Ogden City.

FINANCIAL STRUCTURE (continued...)

PROPERTY MANAGEMENT (BDO Infrastructure)

To account for revenues and expenditures related to the development of the Business Depot Ogden business park formally known as the Defense Depot of Ogden.

MEDICAL SERVICES

To account for ambulance and paramedic services provided by the City.

INTERNAL SERVICE FUNDS

FLEET AND FACILITIES

To account for the costs of operating a maintenance facility for automotive, mechanical, and electrical equipment used by other departments. Such costs are billed to the other departments at actual cost, which includes depreciation on the garage building and improvements and the machinery and equipment used to provide the service. This fund also accounts for the City's physical facilities maintenance activities.

INFORMATION TECHNOLOGY

Provides information system services to other departments, all of which are integrated into the City's network and computers, and accounts for the costs of these services. Costs are charged to the departments on an estimated usage basis.

RISK MANAGEMENT

Accounts for the risk management activities of the City which include monitoring and administering liability and workman's compensation claims against the City, determining the City's insurance needs and implementing safety programs. Costs are charged to departments on percentage basis according to type of employees and total payroll.

OGDEN CITY'S FINANCIAL PRINCIPLES

General Principles

1. The City will project its annual revenue through an analytical process and will adopt its annual budget using conservative estimates.
2. The annual budgets for all City funds will be structurally balanced throughout the budget process. Recurring revenues will equal or exceed recurring expenditures in both the proposed and adopted budgets. If a structural imbalance occurs, a plan will be developed and implemented to bring the budget back into structural balance.
3. The Administration will include in the narrative transmitting the proposed budget a concise discussion on how the proposed budget is balanced. If the structural balance changes between the proposed and adopted budgets, the Administration will clearly delineate the changes and the proposed results.
4. The City will pay for all current expenditures with current revenues. The City will avoid budgetary procedures which balance current expenditures at the expense of meeting future years' expenses, such as postponing expenditures, accruing future years' revenues, or rolling over short-term debt.
5. Once the General Fund budget is brought into structural balance, one-time resources such as proceeds from asset sales, debt refinancing, one-time grants, revenue windfalls, budget savings and similar nonrecurring revenues shall not be used for current or new ongoing operating expenses. Appropriate uses of one-time resources include establishing and rebuilding reserves, early retirement of debt, capital expenditures and other non-recurring expenditures. The City should not use one-time revenue to fund programs incurring ongoing costs.
6. To the extent the City's tax base is insufficient to fund current services, the City will:
 - a. Continue to look for ways to reduce the cost of government services;
 - b. Consider reducing the level of government services; and
 - c. Consider new user fees or increases in existing fees.d. Should these three alternatives fail to offer a suitable solution, the City will increase the property tax rate as a last resort.
7. The annual budget will provide for adequate maintenance of capital plant and equipment, and for their orderly replacement. The City will project its equipment replacement and maintenance needs for at least three years and will update this projection each year. From this projection, a maintenance and replacement schedule will be developed and followed.
8. The Administration will provide quarterly budget reports to the Council within 45 days after the end of each quarter which compare actual revenues and expenditures to budgeted amounts.
9. The Administration will provide quarterly financial reports to the City Council within 45 days after the end of each quarter that include the following financial reports:
 - a. Balance sheet for governmental funds
 - b. Fund balance analysis for governmental funds
 - c. Cash balance analysis for proprietary funds

These reports are not required to contain notes to the financial statements. Estimates can be included as appropriate.
10. The City will establish and maintain a high standard of accounting systems and practices which will maintain records on a basis consistent with accepted standards for local government accounting.
11. Each year the Administration will include in the Mayor's budget message a list of issues that may and/or will have future financial impacts that need to be considered or planned for. The list of issues should cover all City funds as well as the Redevelopment Agency and Municipal Building Authority.

FINANCIAL PRINCIPLES (continued)

User Fees

1. The City will review the annual budget for those programs which can be reasonably funded by user fees. This review will result in a policy which defines cost and specifies a percentage of that cost to be offset by a fee and establishes a rationale of the percentage. When establishing these percentages, the City will consider:
 - a. Rates charged by other public and private providers,
 - b. Costs required to change the rate,
 - c. The ability of the users to pay, and
 - d. Other policy considerations, e.g., set a fine at a higher price than is needed to cover costs of a program in order to serve as a deterrent.
2. The City will adjust user fee rates annually based on an analysis of the criteria listed above.

Capital Improvement Program & Fund

1. The City will make all capital improvements in accordance with an adopted capital improvements plan.
2. The City will develop a multi-year plan for capital improvements and update it annually.
3. The City will maintain all its capital assets at a level adequate to protect the City's capital investment, and to minimize future maintenance and replacement costs.
4. The City Administration will identify the estimated costs and potential funding sources for each capital project proposal before it is submitted to the City Council for approval.

City Debt

1. State law limits general obligation bonded debt used for general purposes to 4% of the reasonable fair cash value of the City's taxable property.
2. State law also limits general obligation bonded debt for water and sewer purposes to 4% of the reasonable fair cash value of the property plus any unused portion of the amount available for general purposes.
3. The City combines a pay-as-you-go strategy with long-term financing to keep the debt burden sufficiently low to allow debt capacity for as many future years' projects as possible.
4. The City will monitor the economic and population indicators which directly impact bond rating and do as much as it can to assure the highest rating possible.
5. The City limits debt to projects which cannot be reasonably funded over a few years and to terms which are consistent with the useful life of the project being undertaken.
6. The City seeks the least costly financing available. All debt commitments are reviewed centrally by the City Treasurer who looks for opportunities to combine issues, or for alternative methods which will achieve the lowest possible interest rates and issuance costs.
7. The City will explore all options for bonding such as special assessment, revenue, other self-supporting bonds, and general obligation bonds.
8. The City will maintain good communication with bond rating agencies about its financial condition. The City will follow a policy of full disclosure on every financial report and bond prospectus.
9. In order to establish appropriate accountability and accounting consistency, all "due to and due from transfers" are to be approved by the City Council. The Finance Manager will recommend appropriate transfers to the City Council annually in conjunction with the financial audit.

FINANCIAL PRINCIPLES (continued)

10. Balances in overdraft must be addressed within 90 days from the end of the fiscal year. If any overdraft cannot be cleared within 90 days from the end of each fiscal year then the City Council will be notified prior to the completion of the 90 day period. The plan to address any overdraft that cannot be cleared must be approved by the City Council.

City Investments

1. The City will make a cash-flow analysis of all funds on a regular basis. Disbursement, collection, and deposit of all funds will be scheduled to insure maximum cash availability.
2. The City will pool cash when possible from several different funds for investment purposes.
3. The City will invest City funds in accordance with the State Money Management Act and the Rules of the State Money Management Council.
4. The City will make arrangements with banks on a contractual basis for a specified period of time and with specified fees for each service rendered.

Reserve Policies

General Fund

1. The City will establish a General Fund contingency reserve fund on an annual basis to provide for unanticipated expenditures of a nonrecurring nature, or to meet unexpected small increases in service delivery costs. This reserve will be established at a level, not to exceed $\frac{1}{2}$ of one percent of the general operating fund.
2. The City will maintain an operating reserve in the General Fund of at least 5% of annual general fund revenue as required by Utah Code, Section 10-6-116(4). The minimum 5% and the maximum 25% include amounts reserved in the unassigned, committed, and assigned categories of General Fund fund balance.
3. The City will establish a committed fund balance within the General Fund for employee pay for performance increases with the intent to accumulate a sufficient balance such that funds are available to be appropriated in order to maintain a competitive compensation package in the event the City is unable to give pay for performance increases during one or more fiscal years.

Utility Enterprise Funds

4. Unrestricted net assets in the enterprise funds do not have State required minimum or maximum balances.
5. The City will establish and maintain the same minimum standards imposed on the General Fund for the utility enterprise funds (Water, Sewer, Storm Sewer and Refuse).
6. The minimum required level of unrestricted net assets is 5% of the individual enterprise activities budgeted revenue of the upcoming fiscal year.
7. The City will allow unrestricted net assets to accumulate to a level greater than 5% to allow for continual improvement and replacement of the existing systems according to a reasonable schedule as needed.

Enterprise Funds

8. In any year in which the City Council appropriates General Fund revenue into a committed fund balance established for pay for performance increases, a proportionate amount of enterprise fund revenue will also be appropriated into such account for pay for performance increase for employees compensated out of enterprise funds.

Adopted by Joint Resolution of the Ogden City Council & Mayor on May 2, 1995.

Ogden City Corporation
Fiscal Year 2015 Budget
General Information

Economic growth of the local economy appears to be stable and ongoing at the end of fiscal year 2014. Development projects planned for and started in prior years will continue to show results in FY2015. Three new redevelopment areas were created and will start receiving tax increment revenue during FY2015. This was done in an effort to continue redevelopment efforts in the City as other redevelopment projects are completed.

Improvement of the City's Water and Sewer systems continues to be a major focus for the City with the Ogden Canyon pipeline replacement project completed during FY2014. The City started on constructing a new filter plant at the base of Pine View Reservoir, which is well underway at the end of FY2014.

It is difficult to determine what economic conditions will be during the next fiscal year. In budgeting revenue for FY2015, the City took a conservative approach, with minimal growth projected.

Debt Information:

General Obligation debt payments are funded by voter approved specific property tax levies. As such, the future payment obligations are provided for. The Building Authority bond payments are funded from lease payments by the City on the municipal building and stadium. Payment by the City is a general fund allocation each year. Payment on the revenue bonds is provided in the rate structure for the utility operations, which is analyzed annually. Full amortization schedules of City debt are included in the City's Comprehensive Annual Financial Report.

The City's debt limit based on calculations using property values is \$3,644,453,895. The City's bonded debt is as follows:

<u>Description</u>	<u>Matures</u>	<u>Original Issue</u>	<u>Outstanding June 30, 2013</u>	<u>FY2014 Total Pmts Principal</u>	<u>FY2014 Total Pmts Interest</u>

State Water Bond	10-17-2012	4,000,000	4,000,000	160,000	90,400
State Water Bond	03-06-2013	5,339,000	5,339,000	211,000	127,602
Total			<u>73,480,000</u>	<u>4,404,000</u>	<u>3,103,337</u>

Capital Expenditures:

Capital acquisition and construction are budgeted as expenditures in the funds. All capital expenditures must exceed an initial individual cost of more than \$5,000 to meet the capitalization threshold.

Depreciation of all exhaustible capital assets is charged as an expense in the related program. The estimated useful lives of depreciable assets are as follows:

Buildings	25-50 Years
Improvements	10-25 Years
Equipment	3-10 Years
Vehicles	3-10 Years

Demographic Information

OGDEN CITY COMMUNITY PROFILE

The Largest City in Weber County and the County Seat

Ogden is located 35 miles north of Salt Lake City and is a 40 minute drive from the Salt Lake City International Airport. Ogden's proximity to world-class mountain sports and its related quality of life was discovered during the 2002 Winter Olympic Games when it hosted the downhill, Super-G and combined alpine events at Snowbasin and the curling events at the Weber County Ice Sheet. Since then, the City has attracted some of the most high-profiled brands in the outdoor sporting goods industry to make Ogden their headquarters. Such relocations and expansions include, Salomon, Suunto, Atomic, Descente, Nidecker Snowboards, Goode Technologies, Rossignol, Scott, and Quality Bicycle. The Wall Street Journal recently named Ogden "the center of outdoor sports gear in the U.S." Virtually no other metropolitan area can boast immediate access to 230 miles of maintained trails, an excess of 13,000 acres of fresh water and over 170,000 acres of National Forest land. Translation: Descend from a 10,000 foot peak through epic powder or on a plush mountain bike trail and refuel with fresh sushi and microbrews, take in an NBA game or perhaps a night of fine art or live music at Peery's Egyptian Theatre.

Within minutes of Ogden's independent, eclectic and historic downtown area, you will find virtually every national retail and restaurant chain. Ogden is home to Weber State University, with an on-campus enrollment of over 25,000 students. Weber State University offers over 215 certificate and degree programs (the largest undergraduate offering in the state), hundreds of online classes, and many other educational opportunities. With several key event centers, Weber State University is a major cultural center for the area. This unique mix of rugged mountains, historic districts and modern, upscale development makes Ogden one of the most unique places anywhere to work and live.

¹ General Obligation Bonds, Justice Court Building.

² Revenue Bonds.

³ Repayments to other funds.

⁴ General Fund Balance at 6/30/13 includes the Misc Grants and Major Grants Funds, any projected changes as of 6/30/14 and 6/30/15 are shown separately.

⁵ The Tourism & Marketing Fund change is due to commitments related to the Ski Bus and new Cowboy Hospitality Sponsorship at the annual Ogden Pioneer Days Rodeo.

⁶ The Water Fund change is due to Capital Improvement Projects (CIP) as recommended by the Water Rate Study and Master Plan.

⁷ The Medical Services Fund change is to replace Fire Station #3 as approved in the CIP plan.

⁸ The Information Technology Fund change is due to cost-saving measures recommended by the IT Management Audit.

⁹ The Risk Management Fund change is due to more efficient management and consolidation of the HR and Risk Management Divisions, resulting in a positive Fund Balance.

	1,478,275	125,000	340,250	30,000

OGDEN CITY
2014-2015 BUDGET

**FISCAL YEAR REVENUE BUDGET
GENERAL FUND**

	2013 ACTUAL	2014 7-MO ACTUAL	2014 ADOPTED	2015 BUDGET
TAXES				
CITY IN LIEU OF TAXES	699,113	345,691	700,000	700,000
<i>Fees in Lieu of Taxes charged on such items as vehicles, trailers, and boats are recorded as revenue in this section. Because of the nature of the assessment, \$100,000 of the Fees in Lieu of Taxes are earmarked for payments on the General Obligation Bonds.</i>				
FRANCHISE TAXES	8,057,296	3,885,857	7,971,375	8,197,450
<i>Franchise Taxes are collected from the utility companies, telephone companies and cable television companies based on revenue of the various entities. The revenue is fairly constant from year to year and projections are based on that premise.</i>				
PROPERTY TAXES	10,434,603	8,617,706	10,596,750	11,039,725
<i>Property Taxes are estimated based on calculations from the County Auditor using the Certified Tax Rate formula enacted by the State Legislature. The payment of \$2,125,550 on voter approved bonds is paid from Property Taxes but is not considered in the computation of the Certified Tax Rate in determining if there is an increase in the rate. Because of the Certified Tax Rate, property tax revenue is relatively flat from year to year and is expected to remain that way.</i>				
SALES TAXES	14,040,376	7,200,914	14,755,300	15,259,475
<i>Sales Taxes are based on projections taking into account the State's distribution formula. The City's portion of sales tax is one percent. Of that amount, 50% is allocated to the City as the point of collection. The remaining 50% goes to a State pool to be distributed back on a population basis.</i>				
SPECIAL ASSESSMENTS	4,213,725	2,583,850	4,428,700	4,691,425
<i>Allocation to Municipal Operations are charges to City-operated utilities based on anticipated utility revenue in the same manner as the utility companies mentioned under Franchise Taxes above. The rate is based on revenue so anticipated changes are the result of rate increases and usage.</i>				
	<u>37,445,113</u>	<u>22,634,017</u>	<u>38,452,125</u>	<u>39,888,075</u>

COMMUNITY AND ECONOMIC DEVELOPMENT DEPARTMENT

Organizational Structure

Non-general operations indicated by underlined text.

FUNCTIONS

The Department works with our community to enhance the quality of life in Ogden by planning for Ogden's future while preserving its heritage. CED is dedicated to effectively implementing community standards which promote desirable residential and business neighborhoods and safe, habitable buildings. Additionally, it is proposed that the Business Licenses division will now report to this Department for all administrative and day-to-day operations.

2014-2015 BUDGET
PUBLIC SERVICES

OBJECTIVES

The Public Services Department is one of the largest and most publicly visible departments within the Ogden City Corporation. With a variety of divisions making up the department, we cover a broad range of services and duties ranging from the maintenance of the streets you drive on to the water that you drink. We are also involved in, and responsible for a variety of fun and interesting events and venues within the city such as El Monte and Mt. Ogden Golf Courses, River Parkway, Christmas Village, Winterfest, and the Pioneer Days Celebration each July.

Another aspect of our department is to build working relationships with the community through coordinating volunteer projects and community services. We believe that making a contribution of your time helps to bring a sense of pride and satisfaction back into our community. The ability for residents, businesses, religious groups and service groups to work together truly make Ogden City a great place to live.

FY 2014 ACHIEVEMENTS

Began construction on \$13 Million Water Filter Plant to replace existing, outdated Filter Plant
 Upgraded downtown water lines and made improvements to the water pressure in Ogden Canyon
 Implemented Equal Pay option for Ogden City Utility customers
 Developed a Water Conservation Garden at MTC Park in conjunction with Utah State University
 El Monte Golf Course improvements included cart path paving, driving range renovation complete with artificial mats and new yardage poles, renovation of hole #9 pond, improvements to drainage on #9 fairway, replaced sections of driving range fence, and tree work on hole #5
 Reconstruction started on the first phase of Grant Avenue Promenade to enhance and improve the street and to promote bicycle and pedestrian access and safety through Ogden City
 "100 Days of Service" projects to beautify Ogden City involving citizens, neighborhoods, and community groups

DEBT SERVICE FUNDS

DEBT SERVICE FUNDS

FUNCTIONS

Debt Service funds are used to account for the accumulation of resources for, and the payment of, general long-term debt principal, interest, and related costs. Several improvement districts have been established within the City, which were funded in advance. The funding is to be paid by property taxes assessed on properties within the district.

DOWNTOWN OGDEN SPECIAL ASSESSMENT

Downtown Ogden Special Assessment

Special Assessment Funds

FUNCTIONS

Special Assessment funds are a compulsory tax levy on certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties or their owners. The Ogden City Council has created a special assessment district within Ogden's Central Business Improvement District No. 2 for economic promotion activities for the period of 2012-2015. This special revenue fund is used to account for the special assessment of revenues that are legally restricted to expenditures for the City's promotion of downtown business activities.

Capital Improvement Projects Fund

Capital Improvement Projects

FUNCTIONS

The Capital Improvement Projects Fund is used to account for financial resources set aside for the acquisition, construction, or improvement of major capital facilities (other than those financed by Proprietary Funds and Trust Funds). The budgeted projects are included in the 5-year CIP Plan adopted by the Ogden City Council.

CAPITAL IMPROVEMENT PROJECTS

OGDEN CITY
2014-2015 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
CAPITAL IMPROVEMENT FUND

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

	FY 2014-2015 BUDGET	OPERATING BUDGET IMPACT
NON-DEPARTMENTAL		
BUILDINGS		
CD097 - Kiesel Parking between 24th and 25th <i>Funding will acquire property, remove existing buildings, and develop a multi-story parking structure to service tenants of the Federal Building, the businesses on Kiesel Avenue, and the tenants of the Kiesel Building. This project will be a joint effort with Weber County.</i>	\$ 650,000	Expected annual maintenance increase of \$6,000 the first 3 years after completion.
FL007 - General Facilities Improvements <i>The City has recently completed a Facilities Assessment on all major City-owned buildings. The recommendations of this assessment will determine which facilities need improvements immediately and outline the order in which improvements are to be completed. This project is intended as a multi-year project to continue funding facility improvements.</i>	\$ 150,000	No Additional Operating Budget Impact Expected
MISCELLANEOUS		
IT006 - ERP Replacement Study <i>This project provides funding to hire an outside consultant to evaluate the City's software needs for accounting, human resources, permitting, customer relationship management, and other business functions and provide recommendations for ERP replacement, including potential costs and time frames.</i>	\$ 30,300	No Additional Operating Budget Impact Expected
GC025 - Critical Project Contingency <i>Funds will be used to replenish the Critical Project Contingency fund back to the \$100,000 level. This fund eliminates the necessity of trying to budget in advance for possible or probable replacement situations, emergency repairs, or critical need projects without the normal extensive review and approval process. These funds would be used for projects that do not require Planning Commission review to fit zoning or code requirements.</i>	\$ 54,300	No Additional Operating Budget Impact Expected
CD110 - Gibson Grove/Expansion of Gibson Avenue <i>This project will provide funding to extend the 17th and Gibson Avenue improvements and utilities to 18th and Gibson Avenue for the Gibson Grove residential project.</i>	\$ 100,000	Expected annual maintenance increase of \$2,500 the first 3 years after completion.
NON-DEPARTMENTAL TOTAL	\$ 984,600	

OGDEN CITY
2014-2015 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
CAPITAL IMPROVEMENT FUND

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

	FY 2014-2015 BUDGET	OPERATING BUDGET IMPACT
FIRE		
ADMINISTRATION		
FI016 - Replace Fire Station #3 <i>Land has been purchased for the relocation of a new Fire Station #3. This project will fund the design and construction of a new fire station. Station #3 is the oldest fire station in the City and is not seismically secure. This new station location will decrease response times to the northern portion of the City. Funding was transferred from the Medical Services Fund retained earnings.</i>	\$ 2,636,100	No Additional Operating Budget Impact Expected
FIRE TOTAL	\$ 2,636,100	
PUBLIC SERVICES		
PARKS AND RECREATION		
RM025 - High Adventure Park Pavilion <i>RAMP funding has been awarded to construct and install a much-needed pavilion at the High Adventure Park. This will be the last piece to complete the High Adventure Park - East.</i>	\$ 65,000	No Additional Operating Budget Impact Expected
PK138 - 2100 Madison & Liberty Park Improvements <i>This project is in conjunction with the new Ogden School District Dee Elementary School. Funding includes the reconstruction of 2100 Madison Avenue, park improvements, basketball court, playground equipment, restroom, pavilion, and a sportsfield. Facilitating the new school will also help to enhance the programming and use of Liberty Park.</i>	\$ 689,300	No Additional Operating Budget Impact Expected
RM024 - 4th Street Complex Seating Enhancement <i>4th Street ball park is the most utilized softball/baseball facility in Ogden City. Currently there are over 1,000 games played annually at 4th Street. This project will enhance all of the current seating and create new bleachers and seating areas for spectators.</i>	\$ 84,850	No Additional Operating Budget Impact Expected
RM027 - Pickleball Courts at Monroe Park <i>In conjunction with the existing courts at Mount Ogden Park, this project will create an additional eight-court cell at Monroe Park. These courts will be similar to the current courts at Mount Ogden Park. This will create the possibility of nationally sanctioned tournaments and promote health and fitness in the community.</i>	\$ 100,000	No Additional Operating Budget Impact Expected
RM026 - 4th Street Sand Volleyball Courts Enhancements <i>Sand volleyball courts are in high demand in Ogden City. The volleyball courts at 4th Street park are the most utilized courts in the City. These courts are in need of improvements and enhancements including new sand, lights, barriers, anchors for lines, and general enhancements around the courts.</i>	\$ 55,000	No Additional Operating Budget Impact Expected

OGDEN CITY
2014-2015 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
CAPITAL IMPROVEMENT FUND

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

	FY 2014-2015 BUDGET	OPERATING BUDGET IMPACT
PUBLIC SERVICES		
PARKS AND RECREATION (CONTINUED...)		
Gomer Nicholas Park Improvements <i>The Gomer A. Nicholas Park Endowment Fund is a permanent fund to account for the interest earnings and transfer these earnings to the CIP Fund. The interest only, not the principal, may be used for park development throughout Ogden City.</i>	\$ 150	No Additional Operating Budget Impact Expected
STREETS		
CD103 - 100 Doxey Street <i>Funding will reconstruct the west half of Doxey Street and construct a new street and improvements on the east half of the 100 block of Doxey Street to facilitate a new 3-acre housing development at 27th and Lincoln in partnership with Utah Nonprofit Housing Corporation. This project meets the goal of the Jefferson community plan to provide infill housing at this location. Federal HUD Award provides an additional \$186,000 for this project.</i>	\$ 151,500	No Additional Operating Budget Impact Expected
EN004 - Curb, Gutter, Sidewalks - General <i>Funding for an ongoing project to replace/upgrade curb, gutter, and sidewalks throughout the City. The intent of general funding is to correct concrete deficiencies that do not meet city engineering standards and pose potential safety hazards.</i>	\$ 180,000	No Additional Operating Budget Impact Expected
EN038 - Valley Drive Slide Repair <i>Years ago the roadway sloughed off along Valley Drive toward Harrison Blvd. Concrete barricades have been used to protect motorists and keep citizens away from the unstable road edge. The roadway is very narrow at this location and doesn't have sidewalks. UDOT has committed to participate with the city in addressing stabilization issues by providing funding of \$185,000. This project will repair this street to a traversable, safe condition for both pedestrians and vehicles.</i>	\$ 371,850	No Additional Operating Budget Impact Expected
EN045 - Pave Pacific Boulevard <i>This project is in conjunction with the opening of the new Lantern House homeless shelter. Funding includes excavation, grading, addition of roadbase, 4" asphalt pavement overlay, new curb and gutter on both sides of the street, underground storm drain pipes, and sidewalks on the east side of the road. This project will also provide road improvements along the frontage of the Lantern House. This is the primary access road to the railroad yard, metal recycling yard, and the cereal plant.</i>	\$ 388,900	No Additional Operating Budget Impact Expected

OGDEN CITY
2014-2015 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
CAPITAL IMPROVEMENT FUND

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

	FY 2014-2015 BUDGET	OPERATING BUDGET IMPACT
PUBLIC SERVICES		
STREETS (CONTINUED...)		
EN083 - 2nd & Harrison Street Intersection Improvements <i>The intersection at 2nd Street and Harrison Blvd needs improvements. The alignment of 2nd Street and Sheridan Drive is offset. This project will design and realign the intersection of 2nd Street and Harrison Blvd and install a stop light to improve safety. Improvements would also realign 2nd Street and Sheridan Drive to include a signal and address intersection confusion. Wasatch Front Regional Council is providing \$1,159,000 in funding with Ogden City contributing the 6.67% required match.</i>	\$ 1,243,150	No Additional Operating Budget Impact Expected
EN093 - Harrison Blvd. Widening 2nd Street North <i>Ogden City was previously awarded Statewide Transportation Improvement Program (STIP) funding for improvements on Harrison Blvd from 7th Street to 2nd Street (EN090). This project will coordinate with EN083 and expand the improvements North of 2nd Street. Harrison Blvd is currently narrow between St. James Catholic Church and 2nd Street and there is only one travel lane in each direction without a middle turn lane. The improvements would allow for a middle lane as well as on-street parking each direction. This entire project is funded with Weber Area Council of Governments (WACOG) funding.</i>	\$ 4,300,000	No Additional Operating Budget Impact Expected
PUBLIC SERVICES TOTAL	\$ 7,629,700	
CAPITAL IMPROVEMENT PROJECTS TOTAL	\$ 11,250,400

ENTERPRISE FUNDS

ENTERPRISE FUNDS

Organizational Structure

FUNCTIONS

An Enterprise Fund is a proprietary fund established to account for operations financed and operated in a manner similar to a private business. The budget groups these individual funds by area of departmental responsibility. As indicated by the detailed presentation, these funds are under supervision of Public Services, Community and Economic Development, or Fire.

WATER UTILITY

Organizational Structure

FUNCTIONS

The Water Utility Fund is a proprietary fund established to account for operations financed and operated in a manner similar to a private business. The Water Utility fund is used to account for the provision of water to City residents. The Water Division has started a Water Conservation Program to ensure the long-term viability of Ogden City's water sources. Rate increases were necessary to fund a broad range of improvements, upgrades and expansion of the distribution system due to the age of the current infrastructure. A substantial amount of infrastructure improvements are being completed with the use of bond funding.

SUMMARY OF CIP PROJECTS FUNDED
WATER UTILITY FUND

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

	FY 2014-2015 BUDGET	OPERATING BUDGET IMPACT
PUBLIC SERVICES		
WATER UTILITY		
WU015 - Distribution Fire Flow & Pressure	\$ 2,288,400	No Additional
<i>Ogden City's culinary water distribution system is one of the largest in the State of Utah and includes approximately 359 miles of water line. The 2011 Water Master Plan has identified areas that have insufficient size piping, areas that need looping and other upgrades to provide sufficient pressure and fire flow protection. The Ogden City Council adopted a policy to ensure 50 PSI of water pressure for Ogden residents. This project is planned to help bring us in compliance with that policy. All construction under this project will follow the priority list in the amended master plan. This is an ongoing project that is anticipated to be funded annually according to the rate study.</i>		Operating Budget Impact Expected
WU015 - Pipe Replacement	\$ 2,515,100	No Additional
<i>Ongoing project to replace deficient pipe throughout the City in accordance with the Water Master Plan. The 2011 master plan has identified the areas that need improvements or are in need of replacement. Pipes will be replaced according to known system deficiencies and as failures occur.</i>		Operating Budget Impact Expected
WATER UTILITY FUND TOTAL		\$ 4,803,500

**OGDEN CITY
2014-2015 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
SEWER UTILITY FUND**

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

	FY 2014-2015 BUDGET	OPERATING BUDGET IMPACT
PUBLIC SERVICES		
STORM SEWER UTILITY		
General Storm Sewer Improvements <i>Ongoing funding for the general repair & maintenance of the storm sewer system.</i>	\$ 30,300	No Additional Operating Budget Impact Expected
SU089 - Replacement of Storm Drain Inlets <i>This project will replace existing storm drain inlets that are deteriorating. This will help to prevent possible flooding due to storm drain inlet malfunctions. Regularly replacing inlets will help Ogden City to remain consistent with the MS4 permit and reduce safety risks to our residents, pedestrians, and vehicles. It is anticipated that this will be a multi-year project with annual allocations for inlet replacement.</i>	\$ 110,100	No Additional Operating Budget Impact Expected
SU095 - 9th Street Flooding <i>The City experiences periodic flooding at 9th Street and Grant Avenue and along 9th Street east of Wall Avenue. The model indicates that the 15" trunk line running down 9th Street is undersized. 9th Street between Washington Blvd and Wall Avenue does not currently have curb and gutter. This project will upsize the pipes from Washington Blvd to Mill Creek to alleviate the problems. Curb and gutter should also be installed in areas where it does not currently exist to collect storm water. FY2015 allocation is to fund design of this project. It is anticipated that additional funds to complete the project will be requested in the FY2016 budget.</i>	\$ 100,000	No Additional Operating Budget Impact Expected
SU096 - Downs and West Oaks Drive <i>This project area is located just north of 7th Street west of Wall Avenue and east of the railroad tracks, primarily along Downs Drive. This system is a series of small local pipes that collects the storm water, routes it through a detention basin and discharges it in to injection wells along Downs Drive where the water is injected into the ground. It does not appear that the injection wells have enough capacity to handle the flows. This project will provide an outfall line along Downs Drive to connect the existing trunk line in 7th Street. The injection wells could be left in the system with the new line serving as an overflow. There is not currently enough information available to determine if this proposed solution will work. The FY2015 funded amount will conduct a study to determine the feasibility of this project. It is anticipated that the design and site improvement costs will be requested in the FY2016 budget.</i>	\$ 21,000	No Additional Operating Budget Impact Expected

**2014-2015 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
SEWER UTILITY FUND**

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

PUBLIC SERVICES

SANITARY SEWER UTILITY

General Sanitary Sewer Improvements	\$	50,500	No Additional Operating Budget Impact Expected
<i>Ongoing funding for the general repair & maintenance of the sanitary sewer system.</i>			
SA001 - Sliplining and Manhole Relining	\$	151,500	No Additional Operating Budget Impact Expected
<i>Due to the age of the city's infrastructure, there is a need to slip line older sewer pipes and manholes that are deteriorated or have increased infiltration. Deteriorated and infiltrated pipes and manholes can cause sewer backups. This is anticipated to be an ongoing project funded annually based on the completion and recommendations in the I&I Study.</i>			
SA009 - Sanitary Sewer Master Plan Projects	\$	505,000	No Additional Operating Budget Impact Expected
<i>A Sewer Master Plan was recently completed that identified different sewer problem areas in the city that need to be addressed based on historical data, maintenance lists, infiltration, etc. The completion of these projects allows the Sewer Utility to address many of the problems and insurance claims associated with sewer backups and failures. The total funding amount needed to complete all of the projects would be over \$26 Million. It is anticipated to fund this project annually based on the master plan recommendations as outlined unless an urgent need arises.</i>			

SEWER UTILITY FUND TOTAL

\$ 968,400

REFUSE UTILITY

Organizational Structure

FUNCTIONS

The Refuse Fund is a proprietary fund established to account for operations financed and operated in a manner similar to a private business. The Refuse Fund accounts for the provision of refuse collection and disposal to City residents and some residents of Weber County. Rate increases in prior years have allowed the fund revenue to keep pace with operation costs. The City made the decision to switch to CNG refuse trucks to try and hedge the risk of future rising fuel prices and reduce the carbon footprint of the refuse collection system.

AIRPORT

Organizational Structure

FUNCTIONS

The Airport Fund is a proprietary fund established to account for operations financed and operated in a manner similar to a private business. Commercial airline flights at Ogden Hinckley Airport began in September of 2012. To accommodate these commercial flights, Ogden City expanded the airport terminal and received substantial grants for the expansion and improvement of a specified taxiway.

SUMMARY OF CIP PROJECTS FUNDED
GOLF COURSES FUND**

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

	FY 2014-2015 BUDGET	OPERATING BUDGET IMPACT
PUBLIC SERVICES		
EL MONTE GOLF COURSE		
RM021 - El Monte Golf Course Restrooms	\$ 83,300	No Additional Operating Budget Impact Expected
<i>This project is to construct new on-course restrooms at El Monte Golf Course. The existing restrooms have not had any significant improvements since they were constructed decades ago. The current restrooms have wooden stalls that are damaged from regular wear and weather damage. A better location will also be considered to blend the restrooms more with the terrain of the golf course. Municipal RAMP grant funding was awarded to cover the cost of this project.</i>		
MT OGDEN GOLF COURSE		
GF031 - Mt Ogden Irrigation Pump Station Replacement	\$ 227,250	No Additional Operating Budget Impact Expected
<i>The pump station at Mt. Ogden Golf Course has deteriorated due to normal use and years of being unprotected from the weather. Engineering is currently modeling the irrigation system and will provide recommendations for future irrigation replacement. The pump station is the first step in replacing the entire irrigation system at Mt. Ogden.</i>		
GOLF COURSES FUND TOTAL		\$ 310,550

INTERNAL SERVICE FUNDS

INTERNAL SERVICE FUNDS

FUNCTIONS

Internal Service funds are used to account for the financing of goods or services provided by one department to other departments on a breakeven or cost reimbursement basis. These funds are also presented by area of responsibility under Management Services.

FLEET & FACILITIES

Organizational Structure

FUNCTIONS

The Fleet & Facilities Internal Service fund is used to account for the financing of goods or services provided by one department to other departments on a breakeven or cost reimbursement basis. The Fleet & Facilities fund includes costs of operating a maintenance facility for automotive, mechanical, and electrical equipment used by other departments. These costs are billed to the other departments at actual cost, which includes depreciation on the garage building, improvements, and the machinery and equipment used to provide the services. This fund also accounts for maintenance of City facilities, management of the City's radio tower and radio equipment, and a central warehouse.

INFORMATION TECHNOLOGY

Organizational Structure

FUNCTIONS

The Information Technology Internal Service fund is used to account for the financing of technology related goods or services provided by the IT Division to other departments on a breakeven or cost reimbursement basis. The IT fund accounts for the City's use of technology, system networks, telecommunications, GIS, software applications, cell phones, and Channel 17 cable TV network. Costs are charged to the departments on an estimated usage basis.

RISK MANAGEMENT

Organizational Structure

FUNCTIONS

The Risk Management Internal Service fund oversees monitoring and administering liability and workman's compensation claims against the City, determining the City's insurance needs and implementing safety programs. Costs are charged to departments on percentage basis according to type of employees and total payroll.

TRUST FUNDS

TRUST FUNDS

FUNCTIONS

Trust Funds are funds used to account for assets over which the entity acts as a trustee. Trust Funds are accounted for separately and in some cases the income only, not the principal, may be expended. Trust Funds are also used to account for grants and donations awarded to Ogden City.

GOMER NICHOLAS NON-EXPENDABLE TRUST

FUNCTIONS

Trust Funds are funds used to account for assets over which the entity acts as a trustee. These funds must be invested and the income only, not the principal, may be expended. The Gomer A. Nicholas Park Endowment Fund is a permanent fund to account for the interest earnings and the transfer of these earnings to the Capital Improvement Projects Fund for use in park development.

GENERAL INFORMATION

GLOSSARY

BUDGET GLOSSARY

The Annual Budget contains specialized and technical terminology that is unique to public finance and budgeting. To assist the reader of the Annual Budget document in understanding these terms, a budget glossary has been included in the document.

Appropriation:

An authorization made by the City Council which permits the City to incur obligations and to make expenditures of resources.

B & C Road Funds:

Sales tax on motor fuel collected by the State and distributed to local governments based on a per-mile-of-road formula.

BDO:

Business Depot Ogden

Balanced Budget:

A financial plan of operation in which revenues (sources) equals expenditures (uses) for the fiscal year. All individual funds must have a balanced budget. Some funds may be balanced by using fund balance as a source of revenue. A balanced budget is required of municipalities by State Law (municipal code 10-6-110).

Baseline Budget:

Maintenance level budget adjusted for revenue constraints. Some service levels are adjusted.

Benefits:

Payments made on behalf of employees for such items as retirement and health insurance.

Budget:

Financial plan for a specified period of time (fiscal year) that matches all planned revenues and expenditures for various municipal services.

Budget Adjustment:

A legal procedure utilized by the City staff and City Council to revise a budget appropriation.

Budget Calendar:

The schedule of key dates or milestones which the City departments follow in the preparation, adoption, and administration of the budget.

Budget Message:

The opening section of the budget which provides the City Council and the public with a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and the views and recommendations of the Mayor.

CAO:

Chief Administrative Officer

CVB:

Convention and Visitors Bureau

BUDGET GLOSSARY (continued)

Capital Equipment Budget:

The portion of the annual operating budget that appropriates funds for the purchase of capital equipment items. These expenditures are often separated from regular operating items, such as salaries, utilities, and office supplies. The Capital Equipment Budget includes funds for capital equipment purchases, such as furniture, machinery, computers and special tools, which are usually distinguished from operating items according to their value and projected useful life. The dollar value varies according to the policy established by each jurisdiction.

Capital Expenditures:

Expenditures to acquire fixed assets or to fund major capital improvements.

Capital Improvement Program:

A plan for capital expenditures to provide long-lasting physical improvements to be incurred over a fixed period of several future years.

Capital Improvement Program Budget:

A Capital Improvement Program (CIP) Budget is a separate budget from the operating budget. Items in the CIP are usually construction projects designed to improve the value of government assets. Examples of capital improvement projects include new roads, sewer lines, buildings, recreational facilities and large scale remodeling.

Capital Outlay:

Expenditures to acquire fixed assets or to fund major capital improvements.

Certified Tax Rate:

The rate of tax to be levied and collected upon the assessed valuation of all property.

Charges and Services:

Expenditures for such items as utility costs and contractual agreements.

CIP:

Abbreviation for Capital Improvement Project.

Contingent:

Funds budgeted for unknown or unexpected expenditures during the budget year.

Current Service Level:

See Maintenance Level Budget.

Data Processing:

Expenditures for computer services or computer-oriented purchases such as hardware and software.

BUDGET GLOSSARY (continued)

Debt Service:

The City's obligation to pay the principal and interest of all bonds and other debt instruments according to a pre-determined payment schedule.

Department:

A major administrative division of the City which indicates overall management responsibility for an operation or group of related operations within a functional area.

Disbursement:

Payment for goods and services in cash or by check.

Encumbrance:

The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a future expenditure.

Enterprise Fund:

A governmental accounting fund in which the services provided are financed and operated similarly to those of a private business. The rate schedules for these services are established to insure that revenues are adequate to meet all necessary expenditures. Enterprise funds in Ogden City are established for services such as water, sewer, airport, golf courses, refuse, Union Station, recreation, and medical services.

Estimated Revenue:

The amount of projected revenue to be collected during the fiscal year. The amount of revenue appropriated is the amount approved by Council.

Expenditure:

This term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services obtained regardless of when the expense is actually paid. This term applies to all funds. Note: An encumbrance is not an expenditure. An encumbrance reserves funds to be expended.

Expenses:

Charges incurred (whether paid immediately or unpaid) for operation, maintenance, interest and other charges.

Fiduciary Fund Type:

This type of fund is used for activities performed by a governmental unit that are of a trustee nature. The functions can be either governmental or proprietary in nature and are accounted for on the basis of either activity.

Fiscal Year:

The twelve-month period designated by the State Code signifying the beginning and ending period for recording financial transactions.

BUDGET GLOSSARY (continued)

Fixed Assets:

Assets of long-term character which are intended to continue to be held or used such as land, buildings, machinery, furniture and other equipment.

Fund:

An accounting entity that has a set of self-balancing accounts and that records all financial transactions for specific activities or government functions.

Fund Balance:

Fund balance is the excess of assets over liabilities.

General Fund:

The largest fund within the City, the General Fund accounts for most of the financial resources of the government. General Fund revenues include property taxes, licenses and permits, local taxes, service charges such as fire and police protection, finance, parks and recreation, public works and general administration.

Governmental Fund Type:

This type of fund is used to account for activities usually associated with a typical state or local government's operations. The measurement of activity is on current financial resources for sources and uses of funds.

Grant:

A contribution by a government or other organization to support a particular function. Grants may be classified as either categorical or block depending upon the amount of discretion allowed the grantee.

Interfund Transfers:

Amounts transferred from one fund to another.

Intergovernmental Revenue:

Revenue received from another government for a specified purpose.

Internal Service Fund:

Funds used to account for the financing of goods or services provided by one department to another department on a cost reimbursement basis.

Levy:

To impose taxes, special assessments, or service charges for the support of City activities.

Line-Item Budget:

A budget that lists each expenditure category (salary, materials, telephone service, travel, etc.) separately along with the dollar amount budgeted for each specified category.

MBA:

Municipal Building Agency

BUDGET GLOSSARY (continued)

Major Fund:

The general fund and any other governmental or enterprise fund whose revenue, expenditures/expenses, assets, or liabilities are at least 10% of the total for all governmental or enterprise funds in the appropriated budget.

Maintenance Level Budget:

Funds budgeted to maintain services and programs at present levels.

Non-Departmental:

Expenditure items in the General Fund that are not related to a specific department. The major items budgeted in this category include general obligation bond payments and transfers to other funds.

Operating and Maintenance Supplies:

Expenditures for goods and services used in day-to-day operations such as office supplies.

Operating Budget:

The portion of the budget that pertains to daily operations that provide basic governmental services. The operating budget contains appropriations for such expenditures as personnel, supplies, utilities, materials, travel and fuel.

Operating Expense:

Expenditures incurred in day-to-day operations including operating and maintenance supplies, travel and education, charges and services, data processing and other operating expense.

Other:

Miscellaneous expenditures not included in other categories of expense.

Other Operating Expense:

Other miscellaneous daily operating expenditures.

Personnel Services:

Salary and payroll benefits paid to employees.

Program Budget:

A budget that focuses upon the goals and objectives of an agency or jurisdiction rather than upon its organizational budget units or object classes of expenditure.

Property Tax:

Taxes levied on real and personal property according to the property's assessed value.

Proprietary Fund Type:

This type of fund is used to account for activities that emulate the private sector. The measurement of activity is on an economic basis which allows the reporting of all assets and liabilities associated with an activity.

BUDGET GLOSSARY (continued)

RDA:

Redevelopment Agency

Range:

The lower and upper limits of salary for each authorized employment position ranked according to difficulty of services performed. Advancement within a range occurs at periodic intervals (usually annual) based on merit.

Reserve:

An account used to indicate that portion of a fund's balance that is legally restricted for a specific purpose and is, therefore, not available for general appropriation.

Revenue:

Funds that the government receives as income. It includes such items as tax payments, fees from specific services, receipts from other governments, fines, forfeitures, grants, shared revenues and interest income.

Risk Management:

An organized attempt to protect a government's assets against accidental loss in the most economical method.

Salaries:

Payments made to employees for services rendered.

Source of Revenue:

Revenues are classified according to their source of point of origin.

Step:

Within a salary range, the level of pay earned by an employee.

TRT:

Transient Room Tax

Transfers to Other Funds:

To move money to another fund in order to assist that fund in meeting operational or special project costs.

Travel and Education:

Expenditures incurred for equipment and vehicle operating costs such as repairs and maintenance as well as costs associated with educational conferences and seminars.

URMMA:

Utah Risk Management Mutual Association

Unencumbered Balance:

The amount of an appropriation that is neither expended or encumbered. It is essentially the amount of money still available for future purchases.
