

Budget Process

PREPARE

The Mayor prepares a proposed budget by working with key administrative staff to identify funding priorities.

REVIEW

The Council receives the Mayor's proposed budget and reviews major budget changes with key administrative staff.

ADJUST

The Council holds public hearings and considers the public's feedback, adjusting the budget to reflect any final changes.

AMENDMENTS

The budget process allows for amendments throughout the fiscal year, which can require a public hearing and majority vote of the Council.

ADOPT

The Council adopts the final budget in June or in August if a property tax increase is proposed.
