June 2021

## Affordable flights from Ogden to Burbank

Ogden-Hinckley Airport is excited to announce that Avelo Airlines have begun flight service from Ogden, Utah to Burbank, California, that began May 4th, 2021. Based out of Burbank, California, Avelo Airlines offers affordable flights to 11 Western U.S. destinations.

Flight service from Ogden to Burbank will initially be offered 6 times per week and boasts the benefits of commercial air travel, without the challenges that are typically experienced at larger airports. Patrons traveling out of Ogden will experience convenient parking just steps away from their terminal, no crowds, convenient bag check, and a low-stress check-in experience. Likewise, business and leisure visitors from the Los Angeles area will have a more cost-effective, convenient access to the greater Ogden area and all that it has to offer.

Avelo Airlines flight XP 107 departs BUR Monday through Saturday at 11:00 a.m. arriving in OGD at 2:00 p.m. local time. Avelo Airlines flight XP 108 departs OGD at 2:40 p.m., arriving in BUR at 3:40 p.m. local time. The route will be served by 189-seat Boeing 737-800 aircraft – one of the most fuel-efficient commercial aircraft in the world – providing customers with a large, comfortable cabin with more room, more seats, and more seating options than typical regional aircraft.

Expanding commercial air service out of the Ogden-Hinckley Airport is a key component of the airport's long-term plan as well as the City's economic development strategy. Ogden Airport continues to offer Allegiant Airlines bi-weekly service to Mesa, Arizona. Ogden Airport also continues to grow with general aviation and aerospace development. Book your trip now!

## Ogden City Water in Short Supply

Ogden City receives water from both surface and underground sources.

This past winter provided below-average snowpack, and the result is that Ogden City will face a water shortage in 2021. To provide adequate resources for life-essential processes, city residents must implement water conservation practices. Ogden City residents are encouraged to reduce their water use by 5%.

The most significant use of water among residential properties is landscape irrigation. It is possible to maintain an attractive landscape while using less water. The key is to provide irrigation water only when necessary and in the most efficient manner. An efficient irrigation system will provide uniform distribution with minimal overspray and drift onto non-irrigable surfaces. To help residents achieve an efficient irrigation system, Ogden City provides a free water audit program. The program consists of several field tests that address irrigation system deficiencies. The audit also provides a suggested irrigation schedule. Residents can call in or schedule an appointment online.

Water conservation is a group effort. While individual actions may not seem to amount to significant savings, the compound effect can have a considerable impact. In conservation, the following mantra holds water: "Every drop counts!"

## Weekly Free Summer Events 2021

Ogden's 2021 summer season is bringing back weekly community programming downtown.

Residents and visitors can plan to enjoy free movies, music, arts, and family-friendly activities at the following events. For all events please be prepared to follow COVID-19 restrictions/guidelines.

• **Monday Night Movies | Dates TBA** Ogden will show a free outdoor film at a park near you every Monday with dates and movies to be determined. Follow Instagram @ogdenamphitheater for event updates.

[ogdencity.com/MondayNightMovies](http://ogdencity.com/MondayNightMovies)

• **Music on the Plaza| Wednesdays 6:30 p.m.** Join us at The Junction Plaza Wednesday evenings, June 9 through July 14, from 6:30 p.m. to 8:30 p.m. Enjoy live music and support local by dining on the patio of surrounding restaurants. Music on the Plaza spotlights local musicians each week while bringing attention to surrounding local businesses. This event is free and open to the public. Learn more by visiting the Music on the Plaza 2021 event page on Facebook.

• **Farmers Market Ogden | Saturdays 8 a.m. - 1 p.m.** Farmers Market Ogden is open free to the public every Saturday on Historic 25th Street, beginning May 22 and running through September 11. Support local produce, artisan, grocery, and prepared food vendors. Follow @farmersmarketogden on social media for event updates and more information.

## Community Art For Me And You

**Community Art Show is a new type of art gallery show that will be hosted quarterly at Ogden's Historic Union Station, welcoming artists of all skill levels and people of all backgrounds.**

This initiative is designed to build the confidence and resumes of local creatives. Community members will have the opportunity to experience art in a safe and comfortable setting.

Community Art Show focuses will rotate, highlighting a new genre and/or theme with each new show.

Plan on visiting the Community Art Show in the Union Station gallery during their regular business hours, starting June 25th.

To submit your art and to find more information about the artist submission call, please visit:

[ogdencity.com/artistcall](http://ogdencity.com/artistcall)

## Firework Safety This Summer

**The Ogden City Fire Department encourages you to enjoy fireworks responsibly this holiday season.** Remember that consumer fireworks can be dangerous, potentially resulting in injured persons and damaged property.

We ask that Ogden City residents follow some common-sense guidelines when using fireworks:

- **Follow label instructions and have an adult present**
- **Never point or throw fireworks at another person**
- **Use fireworks only outdoors in a clear area at least 20-30 feet**
- **Never carry fireworks in your pocket or shoot them in a metal or glass container**
- **Light one item at a time and then move back quickly**
- **Keep a bucket of water or garden hose ready**
- **Fireworks may be discharged from July 2nd to July 5th, and July 22nd to July 25th**

Remember that only fireworks for sale in Utah are legal in Ogden City. During summer, conditions are monitored, and fireworks may be banned in certain areas due to drought.
