# November 2021

## Everything You Need To Know About Christmas Village This Year

**Christmas Village will light up downtown Ogden beginning November 27, after the Holiday Electric Light Parade.**

This annual holiday display in Ogden will feature activities and entertainment until December 23, and the cottage lights will be available to view until January 1, 2022.

• **Village Cottages:** Cottages sponsored and created by the community will turn historic downtown into a nightly vision from 5:00 p.m. until midnight. The theme for the Christmas Village festivities is "O-Town Christmas," and a purple ornament (Go Weber State!) is hidden in each of the cottages for visitors to find as they explore the displays. Visitors to the village can also vote for their favorite cottage at [christmasvillage.ogdencity.com](http://christmasvillage.ogdencity.com).

• **Activities and Entertainment:** Live entertainment and activities will be featured for visitors at Christmas Village until December 22. Performances can be found on the Ogden Amphitheater stage Monday through Saturday. Look for updates on performances on social media @OgdenAmphitheater. Interested performers can email [amphitheater@ogdencity.com](mailto:amphitheater@ogdencity.com). Other activities include the mini Polar Express Train, concessions, The Santa Run, and the Christmas Village Opening Gala. A firework show will conclude the gala.

• **Breakfast with Santa:** A Breakfast with Santa event will be hosted at the Ogden Union Station on December 11, 2021. Santa and Mrs. Claus will be there greeting the children and giving each of them a small gift. There will be entertainment and lots for the kids to do. Reservations are required and can be made online.

• **Santa Claus Sightings:** Santa will be greeting children in his castle Monday through Friday from 6:00 p.m. until 9:00 p.m. and Saturdays from 5:00 p.m. until 9:00 p.m., November 27 until December 23.

• **Support Christmas Village:** "Santa's Store" is located at the north entrance to Christmas Village and features gifts and souvenirs to help commemorate and share the Christmas Village spirit. Proceeds from the sale of Christmas Village will help fund new lights and displays for years to come. Official 2021 Christmas Village Sweatshirts are available for purchase, ranging from \$18 to \$30.

More information about Christmas Village events, details, and activities can be found online or following Ogden's Christmas Village on Facebook. ## **Snow Plow Ordinances**

**Be aware of snow removal ordinances  
effective November 1 - March 15.**

Follow these practices to help keep citizens and snowplow drivers safe this winter.

- **Do not blow or shovel snow onto the streets.** It is against the law due to freezing snow becoming an accident risk on the road (*Ordinance 7-2-8A*). Be sure snowblower spouts blow snow back onto the home property instead of onto the street. Residents are responsible for sidewalk snow removal within 12 hours after a storm starts. Please, do not shovel snow back onto the streets.

- **Move vehicles off of the street during snowstorms to avoid blocking snowplows.**

November 1 - March 15, please keep vehicles off the street to help eliminate accidental damage from other cars that may lose control on slick roads. (*Ordinance 10-5-21A*)

- **Keep a safe distance between vehicles and the snowplow while driving.** For the safety of snowplow drivers and all citizens on the road, maintain extra space between yourself, other cars, and snowplows.

- **Clear snow around fire hydrants.** (*International Fire Code Section 508.5.5*) Fire hydrants in front of homes must be clear of snow at all times to remain accessible to the fire department. Residents unable to get hydrants cleared can call the city for assistance.

**801-629-8074**

## **Emergency Preparedness: Holiday Safety**

**Winter events and festivities bring the need for safety vigilance.** Remember these key points as you prepare, host guests, travel, and shop over the holiday season.

- **Traveling:** Stay off the road during and after a winter storm. You should also have an emergency kit while flying or driving, and prepare all vehicles for winter weather before the snow falls. Make a communications plan with family while together for the holidays.

- **Cooking:** Keep an eye on all food when cooking, especially when heating or frying anything. Most house fires start in the kitchen this time of year.

- **Decorations:** Keep candles away from flammable materials, and turn off holiday lights at night. If a home is celebrating with a natural holiday tree, keep it watered to prevent it from drying out and becoming a fire hazard.

- **Shopping:** Always remember cyber safety practices and make sure a wireless network is secure while shopping online.
