

To all:

This is my first mass email meant to provide critical information to all that may have a vested interest in understanding events & changes taking place at the Ogden Regional Airport. This first email is to test the system and to allow anyone that chooses to unsubscribe, to do so. The meeting of the OGD Airport Advisory Committee that was scheduled to be held using ZOOM tonight at 6:00 p.m. local time has been postponed one week. The rescheduled meeting will be held on Thursday June 18th, at 6:00 p.m. local time. This will be held using ZOOM, but the City's full version will be utilized. There is no 45 minute time constraint, there is a call in phone number, and there is IT support for technical issues.

Concerning the Proposed Fee Increase, Chairman Nichols requests that comments, questions, and ideas be sent to his personal e-mail address of mtnichols@yahoo.com.

I will be sending out more information concerning the meeting next week, please look for it.
