Subject: [External] LED Lighting Upgrades- Rocky Mountain Power Incentive for Ogden

Greetings!

If you haven't already taken advantage of the Rocky Mountain Power lighting incentive, now's the time!

Your business facility is eligible for Rocky Mountain Power's *wattsmart* Small Business Direct Incentive. Rocky Mountain Power will pay for 75% of a customized lighting project that includes an energy assessment, project installation and recycling of fluorescent bulbs and ballasts. If you are interested in a no-cost lighting audit, please call or you can request a lighting assessment [here](#).

- Energy savings start immediately after installation resulting in a lower electric bill.
- Rocky Mountain Power covers 75% of the entire project cost, and your co-pay of 25% is due after installation.
- New ballasts and LED lamps rated at 70,000 hours.
- This offer includes a 1 year service warranty on all labor and a 5 year manufacturer's warranty on lighting products.
- Your project includes removal and recycling of all old fluorescents bulbs and ballasts.

Visit our [website](#) to learn more.

We are also offering up to 12 month payment plans with no fees or interest!

Best,
Cheryl
