### **NEW AIRLINE - AVELO AIRLINES**

On Tuesday May 4th, 2021, the Ogden Airport serviced its first flight for the new Airline, AVELO. AVELO is servicing OGD on a six day a week basis, Monday through Saturday, arriving at 2pm each day and departing at 2:45pm. Service is to their hub in Burbank, California. Introductory fares are as low as \$19 each way.

**Find more about AVELO on the OGD Airport's webpage:**

**[www.flyogden.com](http://www.flyogden.com)**

### **SCHEDULED WATER OUTAGE**

Last October, Ogden City Water Utilities scheduled a one day water outage for the south end of the Ogden Airport. Poor weather and several conflict required putting this outage off until better weather in the spring of 2021. Well, this is now. **The new scheduled date is for Friday May 14th, 2021. Please consider in advance the issues that you or your business will have without having water during this time.**

### **CONSTRUCTION SCHEDULE**

The OGD Airport will be having an unusually large amount of construction this year. The scheduled projects are:

1. Reconstruction of the North Apron, Phase II ( from Hangar N-850 to Hangar N-1504)
2. Design & Construction of a new partial parallel taxiway west of the approach end of Runway 17
3. Design & Construction of a roadway extension of 4000 South, East of 1900 West
4. Demolition of the old Air Traffic Control Tower on top of the Terminal Building
5. Demolition of several small hangars (N-420, S-543, & S-553) and one large one, Hangar N-850
6. Remodel & Expansion of OGD Airport Terminal Building & Restaurant
7. Construction of a fiber optic network loop completely around the entire OGD Airport for internet access / data transmission

### **TSA ANNUAL 100% BADGE AUDIT**

The TSA required annual audit of 100% of all non-expired badges was completed with only 17 badgeholders not participating out of a total of 1,124 issued OGD badges.

Thank you for the diligent work in getting through this year's 100% audit.

Thanks for listening and supporting the Ogden Regional Airport. Keep in mind
