WATER UTILITY OUTAGE - THIS FRIDAY - 2nd Notice

The following informational e-mail was received from the Ogden City Water Utilities:

We will be having a waterline shutdown on Friday May 14 from 7 am to 8 pm. This will affect all businesses South of the Well House Property including the airport terminal. Some businesses North of the Well house

will notice altered pressure as well.

This will impact the development off of 1700 West and 4400 South including Kemp Jet Services and Northrup Grumman.

Bryant, I will need your help on the Airport side of things for notifications.

Kelly will handle the businesses that front onto Airport Road.

Shaun, I do not have the contacts for the other businesses connected in the development with Northrup Grumman. I will notify them, but need to know their contact if you by chance have any contacts to share that would be fantastic.

Thank you. Please let me know if you have any questions or concerns.

BJ Miller, PE
Ogden City Engineering | Principal Engineer
2549 Washington Blvd, Suite 610
Office: (801) 629-8938

Thanks for listening and supporting the Ogden Regional Airport.
