OGD UPDATES, & OTHER AIRPORT EVENTS

I'm sorry to be repeating this email, but the actual timeframe for the closure was not saved. The full airport closure is from Noon until 2pm.

OGD AIRPORT CLOSURE FOR DRONE TOPOGRAPHICAL MAPPING

On this coming Sunday, April 2nd, 2023, both runways at OGD will be closed for a two-hour window to allow for drones to topographically map the west side of the OGD Airport for documenting last years construction and for preparing for future construction.

If you have scheduling issues for arrivals or departures, please contact me ASAP at the numbers below, so that we can work this out. Previously, it was determined that Sunday afternoons were the least invasive times to have such a closure.

Thanks for listening and supporting the Ogden Regional Airport.
