

# OGD UPDATES, & OTHER AIRPORT EVENTS

## **OGDEN AIRPORT ADVISORY COMMITTEE MEETING**

During the past couple of months, three OGD Airport Advisory Committee member has their terms expire. This was Frank Elsholz, Justin Jackson, and Amber Donnelly. I thank them sincerely for their time and public service. I have identified three perspective new members. Their applications have will be considered soon by the Mayor and City Council, and hopefully we will have three new members soon. It is difficult to get a quorum (4 members) together, when there a just four members. Due to not being able to get a quorum for tomorrow night, the meeting of the OGD Airport Advisory Committee on Wednesday April 12, 2023 has been postponed. Look for another email soon with the new proposed date.

## **AIRPORT ROAD SEWER LINE, PHASE TWO**

BHI Construction will commence Phase Two of the Airport Road Sewer Line Project on June 12, 2023. The project will begin where it left off last fall, just south of Borsight's hangar. Like last year, the contractor will give notice to each hangar owner along the path that will have their access blocked for a short time during this project. The project will affect all hangar owners that have access from Airport Road to their hangars from Borsight to the south side of OGD Vehicle Gate #4. Progress on this project & other OGD Airport projects can be found on the Airport's webpage: <https://www.ogdencity.com/2041/Projects>.

The Ogden City Engineer in charge of this project is Ian Frankland

at [ianfrankland@ogdencity.com](mailto:ianfrankland@ogdencity.com) or (603) 995-0008.

## **99s COMPASS ROSE**

After multiple delays from weather and supply chain issues, I believe that we are finally able to layout and paint the OGD Compass Rose this Friday and Saturday, the 26th and 27th. The layout will be done Friday afternoon and the actual paint will go down on Saturday. This will affect some of the ground traffic between Taxiway Alpha and Skyshare (formerly CB Skyshare).

Thanks for listening and supporting the Ogden Regional Airport.
