

OGD UPDATES, & OTHER AIRPORT EVENTS

OGDEN AIRPORT ADVISORY COMMITTEE MEETING

The next upcoming meeting of the OGD Airport Advisory Committee will be scheduled soon at the Ogden City Municipal Building, Third Floor - City Council Workroom. The meeting will be scheduled as soon as possible, after the three new committee members are approved by Ogden City Council.

BHI CONSTRUCTION OF NEW SEWER LINE ALONG AIRPORT ROAD

From BHI:

<tyarbrough@bhico.com> wrote:

All, we (BHI) have had conflicts issues with communication lines on the Airport Sewer Replacement Project, we have come to an agreement with the City Staff to place the Project on hold for the time being. We anticipate that work will resume no later than Monday the 21st at 7 am. During this shutdown time Sunrise Engineering is performing a Redesign to align the sewer to move away from communication and power utilities. Due to the current stage of construction, the road will be shut down from 3800 S thru 3715 S. Vehicle Traffic Management System boards and type 3 Road Closed signs will be up to block traffic. It may be helpful to notify the tenant in Building 3804 and ask them to shut their gates to the parking lot and coordinate with their employees to only use the South gate; to eliminate traffic going through that parking lot. We are

working to resolve issues as soon as possible, and we will notify the responsible parties if work can resume before Monday the 21st. Thank you for your patience.

=====

=====

Airport Road will remain closed at CB Aviation for southbound traffic and Vehicle Gate #1 will remain accessible from the terminal building area heading northbound. Obviously, this will set back the scheduled completion date. I will let you know when the anticipated date is, as soon as I know it.

Thanks for listening and supporting the Ogden Regional Airport.
