Expressing Gratitude to Outgoing Council Members

As we approach a new year with new Council members, we'd like to take a moment to extend our heartfelt gratitude to outgoing Council members Ben Nadolski and Luis Lopez, who have devoted their time and energy to serving the community of Ogden. As they step down from their roles, we reflect on their contributions and the lasting impact they've made.

Ben has been a steadfast presence on the Council, serving in District 4 with distinction. His commitment to the community is evident in his two consecutive terms on the Council. During his tenure, Ben had the honor of leading the Council, serving as both Chair and Vice Chair. His leadership has been instrumental in steering the city through important decisions and initiatives.

Ben's passion for public safety, recreation, and his dedication to Ogden City are qualities that have left a mark on our community. His tireless efforts, thoughtful leadership, and commitment to the people of District 4 have made a significant difference.

Luis Lopez has been an invaluable member of the Council, representing At-Large Seat C, and his legacy of service is one to be admired. Serving two terms, Luis's tenure as the Vice Chair showcases his dedication to the betterment of Ogden City.

Luis's commitment to transparency and his passion for civic involvement have been critical in shaping the direction of our city. He leaves a legacy of thoughtful leadership and a deep commitment to the residents he served. As Luis steps down from his role, we express our heartfelt gratitude for his dedicated service and wish him continued success in all his future endeavors.

As Ben Nadolski and Luis Lopez conclude their respective tenures on the Council, we celebrate their contributions and express our gratitude for their unwavering commitment to the well-being of Ogden City. Their service has been essential in shaping our community, and we look forward to the continued positive impact they will have in their future endeavors. Thank you, Ben and Luis, for your dedication and service to Ogden City.

Zone Ogden – Development Code Update

Ogden City is updating all of its development codes. The project is called Zone Ogden. The overall goal of Zone Ogden is to create a single document that includes all the codes and standards that are required to develop in Ogden. The final document will become Ogden City's Unified Development Code.

Recently, Ogden City hosted a public open house and shared the Code Assessment Report. The report provides several recommendations for the new unified development code based on the consultant's evaluation of Ogden's existing development codes. The report is located on the project website. www.zone-ogden.com/past-meetings-and-presentations

A survey was conducted during the open house. If you didn't attend the open house, we encourage you to review the short presentation on the project website and complete the questionnaire by visiting the link below. survey.alchemer.com/s3/7601247/Zone-Ogden-Questionnaire-2

You will have several opportunities to provide input on the Unified Development Code. Please sign up for the project mailing list to be notified of upcoming events.

Recycling Tip of the Month

This holiday season remember to break down all boxes when recycling. If boxes are large, please break them into 2x2 foot squares. Pieces of cardboard that are too big will not fit inside the opening of the recycling truck and it will help employees pack recycling better. Happy Holidays from the Refuse department!

Snow Plow Ordinances

Be aware of snow removal ordinances effective now until March 15. Follow these practices to help keep citizens and snowplow drivers safe this winter.

- **Do not blow or shovel snow onto the streets.** It is against the law due to freezing snow becoming an accident risk on the road (*Ordinance 7-2-8A*). Be sure snowblower spouts blow snow back onto the home property instead of onto the street. Residents are responsible for sidewalk snow removal within 12-hours after a storm starts. Please, do not shovel snow back onto the streets.
- **Move vehicles off of the street during snowstorms to avoid blocking snowplows.** From November 1 - March 15, please keep vehicles off the street to help eliminate accidental damage from other cars that may lose control on slick roads. (*Ordinance 10-5-21A*)
- **Clear snow around fire hydrants.** (*International Fire Code Section 508.5.5*) Fire hydrants in front of homes must be clear of snow at all times to remain accessible to the fire department. Residents unable to get hydrants cleared can call the city for assistance.
- **In addition to these ordinances we ask residents to please remove garbage and recycle bins from the road as soon as possible.**
- **Please slow down and watch for snowplows as you drive on the road when it's snowing.**

10 Reasons to Shop Local This Holiday Season

We recognize Ogden's local and independent businesses are an integral part of the vibrant fabric of our downtown. During this time it is more important than ever to recommit to support of Ogden's local businesses. Check out the top 10 reasons to shift your spending to support local businesses below.

- #1** – When you support locally owned businesses in Ogden, 55 percent of your spending stays right here in Utah. Every cent makes a difference – make them count for Ogden!
- #2** – Embrace the unique charm of Ogden's downtown area. Our local businesses play a vital role in shaping our city's identity and contributing to its distinct culture.
- #3** – Choosing to buy locally helps create job opportunities within our community. Locally owned businesses are more effective than chains or online retailers in generating employment for our residents.
- #4** – Make a positive impact on the environment. When you shop locally, you reduce your carbon footprint and help decrease the amount of waste in our landfills.
- #5** – Benefit from the passion and expertise of our very own Ogden entrepreneurs. Many business owners have dedicated years to perfecting their craft, reflecting their commitment to quality customer service.
- #6** – Keep your tax dollars working right here in Ogden. Sales tax revenue collected from locally owned businesses contributes to maintaining our streets, preserving our parks, and enhancing neighborhood safety.
- #7** – Encourage innovation and product diversity by supporting Ogden's local businesses. They have a keen understanding of our community's unique needs and preferences, leading to the creation of one-of-a-kind products.
- #8** – Show your support for your fellow Ogden neighbors. Independent businesses contribute three times more to local charities compared to national chains or online retailers. Buying locally strengthens Ogden's nonprofit sector.
- #9** – Help preserve the American Dream. Buying local nurtures entrepreneurship, which fosters prosperity for all residents of Ogden.
- #10** – Ogden's downtown area is a top-tier destination. Our rich history, distinctive boutiques, and exceptional restaurants attract visitors from all corners of the state and worldwide. Supporting local businesses benefits us all!
