## Be Notified of City Council Updates

**Transparency and accessibility continue to be priorities of the Ogden City Council.** One method to achieve this priority is through a service on our website called NotifyMe. Using this resource, residents can have immediate access to information as soon as it's available.

NotifyMe is a service designed to keep you in the loop with the latest updates from the Ogden City Council and other city departments. By signing up for NotifyMe, you gain access to a range of notifications that matter most to you, including:

**City Council Meeting Agendas:** Be the first to know what's on the agenda for upcoming City Council and Redevelopment Agency meetings. This service allows you to stay ahead of city decisions and developments that impact our community.

**Press Releases:** Receive press releases directly from the Ogden City Council office and other departments, ensuring you're well-informed about the latest news, events, and initiatives in Ogden.

**Departmental Updates:** Customize your NotifyMe experience by choosing to receive updates from specific departments within the city. Whether it's Parks and Recreation, Public Works, or any other department, you'll never miss an update that interests you.

**SMS Notifications:** For those who prefer text messages, NotifyMe offers the option to receive SMS notifications. This ensures you get timely updates, even when you're on the move.

Signing up for NotifyMe is simple and straightforward. Visit our website by scanning the QR code and customize the notifications you wish to receive. Sign up for NotifyMe today and take the first step toward staying informed and engaged with your community. For questions, please feel free to contact the Council staff.

## Get a Free Tree For Your Parking Strip

**Ogden's tree-lined streets establish the character of our neighborhoods, and the trees we plant today will be enjoyed by generations to come.**

Each year, the City provides a Tree Nursery so residents can get a free tree to plant in their parking strip that matches the needs of a person's yard.

Beginning April 2nd, every Tuesday, Thursday, and Saturday from 8:00 am - 12:00 pm, trees will be available for residents. Please call the Parks & Cemetery Office at 801-629-8284 to schedule an appointment to pick up a tree, limit one per household, at Ogden's Green Waste Facility at 1845 Monroe Blvd. We will continue to give away trees until we run out of trees.

Residents must provide information about overhead power lines, the length and width of their parking strip, and the lot location, as well as a current Ogden Water bill and picture ID. Please limit the number of people that come to the tree nursery to 2 individuals.

## Ogden City Cemetery Spring Clean-Up

**Ogden City Cemetery crews will begin spring clean-up of the cemetery on Monday, March 18, 2024.** It takes approximately one week for this process to be complete.

Before that date, patrons are encouraged to pick up all grave decorations, including flowers, statues, shepherds' hooks, solar lights, vases, fences, rocks, etc. Remembrances can be placed back after Monday, March 25, 2024.

As a reminder, fences, solar lights, statues, rocks, and other such grave decorations are not allowed in the cemetery during the maintenance season: March 15, 2024, through October 15, 2024. If you have any questions or concerns, please call the cemetery office at 801-629-8231 during regular business hours.

## Emergency Preparedness: Carbon Monoxide

**Be aware of the dangers of carbon monoxide, which is also known as the "silent killer."**

With the cooler weather, we close up our home to keep the warmth in. The warmth comes from furnaces and fireplaces, which burn fuel and give off carbon monoxide, as does the water heater and other appliances in our homes. Unfortunately, carbon monoxide can leak into our living areas and cause illness or death in extreme cases.

Carbon monoxide, or "CO," is an odorless, colorless, and tasteless gas; it is hazardous because it can go undetected until those exposed to it experience ill symptoms. This is a serious situation that should be given every consideration to prevent. Early symptoms include nausea, headache, fatigue, cramping, and confusion. Help Ogden Fire Department continue meeting the goal of no more deaths by CO poisoning by following these simple steps:

- Perform regular maintenance on all fuel-burning appliances.
- When operating generators, place them where exhaust cannot enter the home.
- Don't run vehicles inside garages.
- Place a carbon monoxide detector near bedrooms to monitor for CO.

Please obtain a CO detector in your home if you do not have one. The City offers discounted CO detectors to residents for \$10—about half the regular cost—at Ogden City's Cashier's office, 2549 Washington Blvd, Ste 240. Bring proof of residency, such as a current utility bill. Contact the Ogden City Fire Department at 801-629-8074 for more information.
