New Construction Bid – ADDENDUM 2  
3/29/24

The purpose of this addendum is to clarify and provide corrections to the original bid package.

**1. LANDSCAPING PLAN CLARIFICATION**

The landscaping plan in the bid package does not specify one of the plants shown on the 2321 Landscaping Plan. Please refer to the following for clarification on what type of plant this should be:

**2. BID AWARD CLARIFICATION**

One contractor will be selected to build both homes. As long as the contractor meets all requirements requested in the bid package, the city will move forward with the contractor with the lowest combined bid total of both homes.
