**Q & A**

---

The RFP states that “Qualified respondents shall be Licensed Contractors in the State of Utah, for this type of work, and who meet Ogden City’s insurance and bonding requirements, and have experience with all work defined in the scope of work.” - What kind of contractor license do you require?

This is boilerplate language in our RFP. A license per se is not required for this particular contract. However, if proposer is headquartered outside of Utah, as applicable, firm shall register with the Utah State Division of Corporations and Commercial code. Forms and information related to registration may be obtained by calling (801) 530-4849 or toll free (877) 526-3994 or accessing webpage – [www.commerce.utah.gov](http://www.commerce.utah.gov).
