Playground Sports Netting at 4th Street Ball Field

Q & A

We are considering bidding on Playground Sports Netting at 4th Street Ball Field. Do you have some plans or dimensions you can send?

Thank you for reaching out with your question regarding the netting specifications for 4th Street Ball Park.

While the height of the netting is provided in the RFP, we would like to clarify that the width and length of the netting will be determined by the vendor, based on an on-site assessment of the playground at 4th Street Ball Park. Safety remains our top priority, and the proposed dimensions should ensure maximum protection for the youth from foul balls while maintaining optimal visibility and accessibility.

Please feel free to reach out if you have any additional questions or need further clarification. They can also look at google earth to see the playground area.
