Zoning: RMH-1
Code Edition: 2021

*This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume authority or cancel the provisions of any other state or local law regulating construction or the performance of construction and that I make this statement under penalty of perjury.

This permit will not be valid unless signed below.

Code Edition: 2021

*This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume authority or cancel the provisions of any other state or local law regulating construction or the performance of construction and that I make this statement under penalty of perjury.

This permit will not be valid unless signed below.
