

## **PRESS RELEASE**

### ***Ogden Community Partners Host Career Transition & Resource Connection Event for Federal Employees***

**04/09/2025**

**OGDEN, UT** – In response to recent and anticipated government workforce reductions, Ogden City, in collaboration with Ogden-Weber Technical College, Weber State University, Weber County, the Utah Department of Workforce Services, United Way of Northern Utah, and the Governor’s Office of Economic Opportunity, is hosting the Federal Employee Career Transition & Resource Connection Event on Wednesday, April 23, from 5:00–7:30 p.m. at the Ogden-Weber Technical College Event Center.

This free community event is designed to support federal employees who have been impacted—or may be impacted—by large-scale layoffs. Attendees will have the opportunity to explore new career paths, connect with local employers, and access a wide range of critical resources.

#### **Event Details:**

**Wednesday, April 23**

**5:00 – 7:30 PM**

**Ogden-Weber Tech College Event Center**

**200 Washington Blvd., Ogden, UT**

**(Follow event signs on campus)**

#### **Event Highlights Include:**

- Opportunities to meet with local employers and apply for open positions
- Resume preparation assistance
- Complimentary professional headshot photos
- Help with unemployment registration
- Access to food, housing, and utility support services
- Business start-up resources
- Career and academic advising, including occupational certification information

“It’s important to bring together partners from across our community to offer hope, opportunity, and support to federal employees navigating these career transitions,” said David Sawyer, Ogden City Community and Economic Development Deputy Director.

Pre-registration is encouraged: [OgdenCareers.eventbrite.com](https://ogdencareers.eventbrite.com)
