

## Ogden City Corporation Request for Proposal

### Union Station Plaza Fountain Repair

#### Q & A

---

1. How many nozzles are needed to be replaced?  
*a. At least 6. 7 is ideal.*
2. Are you interested in a system that has programmable lighting?  
*a. Yes. This is outlined in the RFP.*
3. Are you open to another system proposal that might meet the City's mechanical requirements and support current infrastructure? The cost difference will most likely be negligible.  
*a. Yes. Please provide as option B with line-item cost proposal.*
