

## Ogden City Corporation Request for Proposal

### Arts Programming in the Nine Rails Creative District

#### Q & A

---

1. Do I need to carry non-profit status to apply, or does my non-profit organization need to be located in Ogden, Utah?
  - a. If an individual or business without non-profit status is interested in applying, the City will consider proposals that demonstrate a partnership with a non-profit organization. The partnering non-profit does not need to be based in Ogden; however, all programming associated with the contract must take place within the Nine Rails Creative District.*
