Report Purpose

Weekly at-a-glance report from the Ogden City Community & Economic Development Department – prepared for city leaders and community stakeholders. Previous reports can be viewed at the [Community & Economic Development webpage](#).

Building Services *(building permits/inspections – business licensing – code services)*

- Our Plan Review Team has completed the next phase of construction plan review for Williams International's expansion at 3450 Sam Williams Drive. This project represents an exciting step forward in bringing new job opportunities and long-term investment to Ogden.
- Final plan review has been completed and approved for a new 127,000-square-foot speculative building at 330 Stewart Drive in Business Depot Ogden (BDO). This development continues to position BDO as a thriving center of commerce, innovation, and economic vitality.
- Several single-family home construction plans were reviewed and approved last week, reinforcing our ongoing efforts to meet our community's growing/diverse housing needs.
- Our inspection team completed 311 inspections last week across both residential and commercial projects, helping to ensure construction quality and code compliance citywide.
- Business Licensing is finalizing a new process in collaboration with the Ogden City Police Department that will allow business license applicants who require a BCI (Bureau of Criminal Identification) background check to complete that process locally through OPD—adding convenience and efficiency for applicants.
- A permit was issued for a tenant improvement project at Fix Auto, located in our BDO at 179 S 1000 W, to add a new paint booth. This upgrade supports continued investment in Ogden's light industrial and auto repair sectors.
