Mission & Vision

Mission

To preserve and use Ogden's history to inspire curiosity and inquiry; and to help people make meaningful, personal connections with history.

Vision

To Claim Ogden; Tell Its Stories; Shape Our Future

Administrator's Message

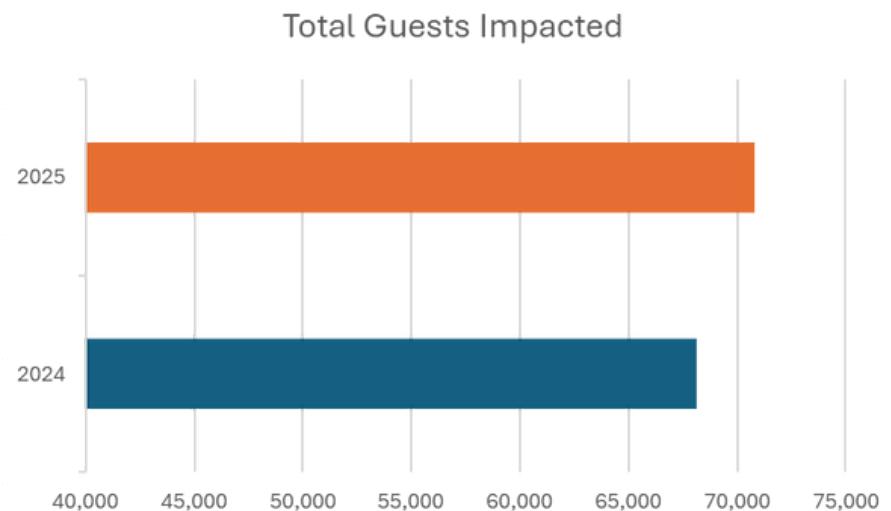

At the end of 2024, we celebrated the Ogden Union Station's 100th anniversary. As we celebrated with our neighbors, partners, and guests, we resolved to make 2025 a year of connection and growth. We have succeeded. With over 70,000 guests, growing school reach, and strengthened partnerships, we have made 2025 a year to remember. This was a year of growing strength, resolve, and strategy to fulfill our mission. As we move into 2026, we are grateful for all of the strength and connections we bring with us in the new year.

Thank you for all you do to support the Museums at Union Station!
