## REDEVELOPMENT AGENCY BOARD INTENT STATEMENTS FOR FISCAL YEAR 2013

---

- 1. Reports.** It is the intent of the Board to receive monthly, quarterly, annual and periodic reports as defined by the Board. The reports include: quarterly project budget reports for major projects, quarterly reports regarding the status and progress for all open RDA projects, quarterly reports regarding the finances of the RDA, an annual report at the Annual Meeting in January regarding accomplishments, finances, budget and performance as defined by agreed upon ratios, and other periodic reports as requested.

The details of the project budget reports, as well as the frequency (monthly, quarterly, annually, etc.) will depend on the complexity of the specific project. The details and reporting frequency are determined by the Board with input from the Administration. The basic report should include the approved sources and proposed uses of funds to be expended (RDA and City).

The quarterly reports regarding the status and progress for all open RDA projects are to include only

information that update the board regarding progress or challenges for the past quarter. The first time a project appears in the report, additional background information should be provided pertaining to the steps leading up to the establishment of the project.

- 2. Project Budgets.** It is the intent of the Board to establish project budgets via budget openings for major projects when a project becomes "official", e.g. the development agreement is signed. Once project budgets are appropriated within the RDA budget, the balances will be carried forward each year. The carry-forward budget opening is to be processed as soon as possible after year-end close out to allow the funds to be expended as appropriate.
- 3. Financial Tracking of RDA Areas and Projects.** It is the intent of the Board to monitor the financial progress of each major RDA project within each RDA Area. The Administration has agreed to provide the Board with updated information regarding each Area and Project within each Area. Reports will be submitted every April 1<sup>st</sup> and October 1<sup>st</sup>.

As previously agreed, the Administration will provide

information regarding all new projects as such projects are proposed.
